A sense of humor is a must have during a move of this magnitude.

Soon after, the yellow moving crates arrive.

Packing up!

Lots and lots of boxes.

**Ever wonder how they move those large items?
Shrink wrap is a life-saver during a big move.**

It seems organized, right?

We filled the classroom to capacity!

The move team refuels during lunch on move day.

Shawn Trainor in the new Communication Center.

Allen Sims gives the Service center a once over.

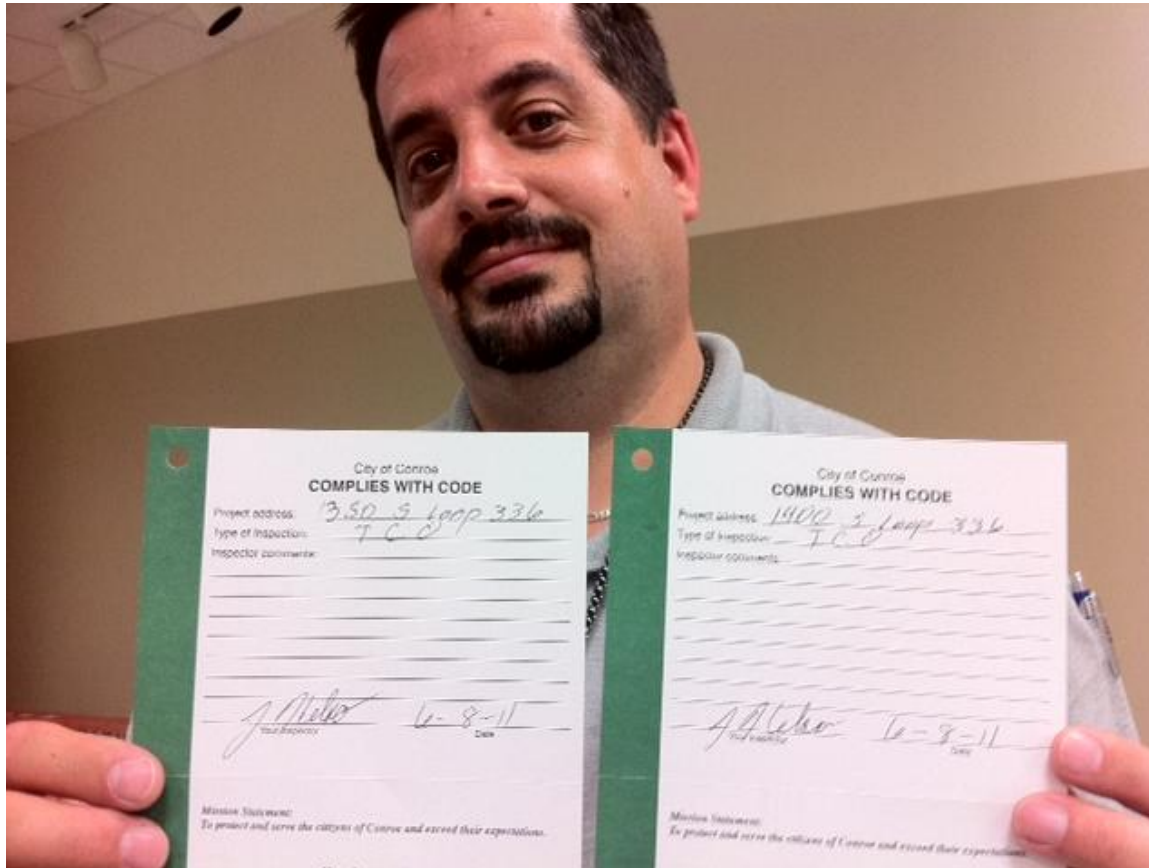

The on-site tower.

Our new backyard.

Frank Marshall inspects one of the two natural gas generators.

**Matt Folsom gets our long awaited move certificates!
Let the fun begin!**

The Communication Center begins to take shape.

The IT Shelter is relocated from River Pointe to our new home.

A sea of office chairs awaiting delivery to their new owners.

The Wellness Center

We are official! 1400 South Loop 336 West.

The MCHD Service Center entrance.

Also official! 1300 South Loop 336 West.

The movers bring over the last load to finish out the service center move.

It's good to be home.
