SECTION ONE. PLAN ADMINISTRATION

INTRODUCTION

The Montgomery County Hospital District is charged by Article IX, section 9 of the Texas Constitution to provide certain health care services to the County's needy inhabitants. In addition, section 61.055 of the Texas Indigent Health Care And Treatment Act, (Ch. 61 Texas Health & Safety Code) requires the Montgomery County Hospital District to provide the health care services required under the Texas Constitution and the statute creating the District. The District's enabling legislation in section 5(a) provides that the Board of Directors of the District shall have the power and authority to promulgate rules governing the health care services to be delivered by the District in Montgomery County.

The Board of Directors of the Montgomery County Hospital District is committed to ensure that the needy inhabitants of the County receive quality health care services in an equitable and non-discriminatory manner through the District's Medical Assistance Plan. The Board of Directors believes quality medical care services can be provided to the County's needy inhabitants in a manner that is fair and equitable, efficient and without undue expense of local taxpayer dollars, which fund such care. The Board of Directors has adopted Plan rules for the provision of health services to those persons qualifying as "indigents" per chapter 61 of the Texas Health & Safety Code, and such indigent Plan rules strictly comply with the requirements of chapter 61 and the rules promulgated by the Texas Department of State Health Services thereunder.

In addition to the services provided to indigents, the Board of Directors have approved Plan rules for the provision of certain health care services to persons who are determined not to be indigent per the definitions contained in chapter 61 and the rules adopted by the Department, but whose income and resources fall between indigent (21% of federal poverty income limit, such limit known as "FPIL") and 150% of FPIL, it being found by the Board of Directors that such persons, while not meeting the chapter 61 definition of indigent, generally lack

financial resources in amounts sufficient to obtain basic health care services. The Plan rules for services to persons who are found to be above 21% of FPIL but below 150% of FPIL are set forth in this Handbook.

These Medical Assistance Plan Policies are promulgated and approved pursuant to section 5(a) of the District's enabling legislation and are intended to provide guidelines and rules for the qualification and enrollment of participants into the District's Medical Assistance Plan. In many instances, these policies track the indigent health care Plan policies approved by the Texas Department of State Health Services and imposed upon non-hospital district counties pursuant to the Indigent Health Care and Treatment Act. In addition, these policies are intended to ensure the delivery of quality and medically necessary healthcare services to Plan participants in a fair and non-discriminatory manner.

These Medical Assistance Plan Policies are intended to cover the delivery of health care services to needy residents of the District. Such residents are not employees of the District therefore these policies do not create benefits or rights under ERISA, COBRA or other employment-related statutes, rules or regulations. These policies are intended to comply with medical privacy regulations imposed under HIPAA and other state regulations but are superseded by such statutes to the extent of any conflict. Compliance with ADA and other regulations pertaining to disabled individuals shall not be the responsibility of the District, but shall be the responsibility of those medical providers providing services to the District's needy inhabitants. As a hospital district, only certain provisions of the Indigent Healthcare and Treatment Act (Ch. 61 Texas Health & Safety Code) apply to services provided by the District, including these Policies.

These policies may be amended from time to time by official action of the District's Board of Directors.

- MCHD's Enabling Legislation may be found in Appendix II.

- Chapter 61, Health and Safety Code may be found in Appendix III or online at <http://www.capitol.state.tx.us/statutes/hs.toc.htm>.

MCHD MAP Handbook

The MCHD MAP Handbook is sometimes referred to in other agreements as the “MAP Plan”, “Plan”, or “Plan Document.”

The purpose of the MCHD MAP Handbook is to:

- Establish an optional work registration procedure that will contact the local Texas Workforce Commission (TWC) office to determine how to establish their procedure and to negotiate what type of information can be provided. In addition, MCHD must follow the guidelines below
 1. Notify all eligible residents and those with pending applications of the Plan requirements at least 30 days before the Plan begins.
 2. Allow an exemption from work registration if applicants or eligible residents meet one of the following criteria:
 - Receive food stamp benefits,

3. If a non-exempt applicant or MCHD MAP eligible resident fails without good cause to comply with work registration requirements, disqualify him from MCHD MAP as follows:

- For one month or until he agrees to comply, whichever is later, for the first non-compliance;
 - For three consecutive months or until he agrees to comply, whichever is later, for the second non-compliance; or
 - For six consecutive months or until he agrees to comply, whichever is later, for the third or subsequent non-compliance.
- Establish Behavioral Guidelines that all applicants and MAP clients must follow in order to protect MCHD employees, agents such as third party administrators, and providers. Each situation will be carefully reviewed with the Deputy Administrator, Chief Financial Officer, and/or Chief Executive Officer for determination. Failure to follow the guidelines will result in definitive action and up to and including refusal of coverage or termination of existing benefits.

**SECTION TWO.
ELIGIBILITY CRITERIA**

RESIDENCE

General Principles

- A person must live in the Montgomery County prior to filing an application.
- A person lives in Montgomery County if the person's home and/or fixed place of habitation is located in the county and he intends to return to the county after any temporary absences.
- A person with no fixed residence or a new resident in the county who declares intent to remain in the county is also considered a county resident if intent is proven. Examples of proof of intent can include the following: change of driver's license, change of address, lease agreement, and proof of employment.
- A person does not lose his residency status because of a temporary absence from Montgomery County.
- A person cannot qualify for healthcare assistance from more than one county simultaneously.
- A person living in a Halfway House may be eligible for MAP benefits after he has been released from the Texas Department of Corrections if the state only paid for room and board at the halfway house and did not cover health care services.
 - If this person otherwise meets all eligibility criteria and plans to remain a resident of the county where the halfway house is located, this person is eligible for MAP.
 - If this person plans to return to his original county of residence, which is not the county where the halfway house is located, this person would not be considered a resident of the county and therefore not eligible for MAP.

 - An inmate, patient, or resident of a school or institution operated by a federal agency,

- A minor student primarily supported by his parents whose home residence is in another county or state,

- Texas driver's license or other official identification,
- Rent, mortgage payment, or utility receipt,

- A documented alien that has a green card and has had that status for at least 5 years and does not meet any of the above criteria.

HOUSEHOLD

General Principles

- A MCHD MAP household is a person living alone or two or more persons living together where legal responsibility for support exists, excluding disqualified persons.
- Legal responsibility for support exists between:
 - Persons who are legally married,
 - In Texas, a common-law is considered a legal marriage. A man and a woman who want to establish a common-law marriage must sign a form provided by the county clerk. In addition, they must (1) agree to be married, (2) cohabit, and (3) represent to others that they are married. The only way to dissolve a common-law marriage is through a formal divorce proceeding in a court of law
 - Persons who are legally married and not divorced,
 - Persons that are separated from their spouse and not divorced are considered part of the household because the law states that if you are not legally divorced, everything you have is still considered community property.
 - Applicant may provide proof of income and resources for absent spouse, or
 - If applicant cannot provide proof of income and resources for absent spouse, they must:
 1. Present three verifiable domicile forms, HCAP Form 103, Request for Domicile Verification (provided by District) and,
 2. Sign HCAP Form 104, the MAP Affidavit of Marital Status and Financial Support regarding separation from spouse.

3. Review of background check:

- a. If background check illustrates that there are no joint income/resources between applicant and absent spouse, continue with eligibility process as normal.
 - b. If background check identifies joint income/resources between applicant and absent spouse, the applicant may be given a single 3 month period to pursue all income and resources from absent spouse.
 - i. Upon recertification, the applicant must prove or disprove any discrepancies identified on the background check.
 - ii. Once all requested documents are provided, completed, and accepted, the client may then become recertified for MAP benefits.
- A legal parent and a minor child, or
 - A managing conservator and a minor child.
- Eligibility for the Medicaid program automatically disqualifies a person from the Medical Assistance Plan.

MCHD MAP Household

The MCHD MAP household is a person living alone or two or more persons living together where legal responsibility for support exists, excluding disqualified persons.

Disqualified Persons

- A person who receives or is categorically eligible to receive Medicaid,
- A person who receives TANF benefits,
- A person who receives SSI benefits and is eligible for Medicaid,
- A person who receives Qualified Medicare Beneficiary (QMB), Medicaid Qualified Medicare Beneficiary (MQMB), Specified Low-Income Medicare Beneficiary (SLMB), Qualified Individual-1 (QI-1); or Qualified Disabled and Working Individuals (QDWI), and

- A Medicaid recipient who partially exhausts some component of his Medicaid benefits,

A disqualified person is not a MCHD MAP household member regardless of his legal responsibility for support.

MCHD MAP One-Person Household

- A person living alone,
- An adult living with others who are not legally responsible for the adult's support,
- A minor child living alone or with others who are not legally responsible for the child's support,
- A Medicaid-ineligible spouse,

Verifying Household

All households are verified.

Proof may include but is not limited to:

- Lease agreement or
- Statement from a landlord, a neighbor, or other reliable source.

Documenting Household

On HCAP Form 101, document why information regarding household is questionable and how questionable household is verified.

RESOURCES

General Principles

- A household must pursue all resources to which the household is legally entitled unless it is unreasonable to pursue the resource. Reasonable time (at least three months) must be allowed for the household to pursue the resource, which is not considered accessible during this time.
 - The applicant must not be eligible or potentially eligible for any other resource. Example: Medicaid, Medicare, Insurance, group health insurance, VA Veteran medical benefits, or any other source. MCHD's Medical Assistance Plan is payor of last resort!
- The resources of all MCHD MAP household members are considered.
- Resources are either countable or exempt.
- All resources of a disqualified person are exempt.
- A household is not eligible if the total countable household resources exceed:
 - \$3,000.00 when a person who is aged or disabled and who meets relationship requirements lives in the home or
 - \$2,000.00 for all other households.
- A household is not eligible if their total countable resources exceed the limit on or after:
 - the first interview date or
 - the date HCAP Form 101 is completed for cases processed without an interview.
- In determining eligibility for a prior month, the household is not eligible if their total countable resources exceed the limit anytime during the prior month.

Bank Accounts

Count the cash value of checking and savings accounts for the current month as income and for prior months as a resource unless exempt for another reason.

Burial Insurance (Prepaid)

Exempt up to \$7,500 cash value of a prepaid burial insurance policy, funeral plan, or funeral agreement for each certified household member.

Count the cash value exceeding \$7,500 as a liquid resource.

Burial Plots

Exempt all burial plots.

Crime Victim's Compensation Payments

Exempt.

Energy Assistance Payments

Exempt payments or allowances made under any federal law for the purpose of energy assistance.

Exemption: Resources/Income Payments

If a payment or benefit counts as income for a particular month, do count it as a resource in the same month. If you prorate a payment income over several months, do not count any portion of the payment resource during that time.

Example: Income of students or self-employed persons that is prorated over several months.

If the client combines this money with countable funds, such as a bank account, exempt the prorated amounts for the time you prorate it.

Homestead

Exempt the household's usual residence and surrounding property not separated by property owned by others. The exemption remains in effect if public rights of way, such as roads, separate the surrounding property from the home. The homestead exemption applies to any structure the person uses as a primary residence, including additional buildings on contiguous land, a houseboat, or a motor home, as long as the household lives in it. If the household does not live in the structure, count it as a resource.

Houseboats and Motor Homes. Count houseboats and motor homes according to vehicle policy, if not considered the household's primary residence or otherwise exempt.

Own or Purchasing a Lot. For households that currently do not own a home, but own or are purchasing a lot on which they intend to build, exempt the lot and partially completed home.

Real Property Outside of Texas. Households cannot claim real property outside of Texas as a homestead, except for migrant and itinerant workers who meet the residence requirements.

Homestead Temporarily Unoccupied. Exempt a homestead temporarily unoccupied because of employment, training for future employment, illness (including health care treatment), casualty (fire, flood, state of disrepair, etc.), or natural disaster, if the household intends to return.

Sale of a Homestead. Count money remaining from the sale of a homestead as a resource.

Income- Producing Property

Exempt property that:

- Is essential to a household member's employment or self-employment (examples: tools of a trade, farm machinery, stock, and inventory). Continue to exempt this property during temporary periods of unemployment if the household member expects to return to work;
- Annually produces income consistent with its fair market value, even if used only on a seasonal basis; or
- Is necessary for the maintenance or use of a vehicle that is exempt as income producing or as necessary for transporting a physically disabled household member. Exempt the portion of the property used for this purpose.

For farmers or fishermen, continue to exempt the value of the land or equipment for one year from the date that the self-employment ceases.

Insurance Settlement

Count, minus any amount spent or intended to be spent for the Household's bills for burial, health care, or damaged/lost possessions.

Lawsuit Settlement

Count, minus any amount spent or intended to be spent for the household's bills for burial, legal expenses, health care expenses, or damaged/lost possessions.

Life Insurance

Exempt the cash value of life insurance policies.

Liquid Resources

Count, if readily negotiable. Examples include but are not limited to cash, a checking accounts, a savings accounts, a certificates of deposit (CDs), notes, bonds, and stocks.

Loans (Non-Educational)

Exempt these loans from resources.

Consider financial assistance as a loan if there is an understanding that the loan will be repaid and the person can reasonably explain how he will repay it.

Count assistance not considered a loan as unearned income (contribution).

Lump-Sum Payments

Count lump sum payments received once a year or less frequently as resources in the month received, unless specifically exempt. Countable lump-sum payments include but are not limited to income tax refunds, lump-sum insurance settlements, lump-sum payments on child support, public assistance, refunds of security deposits on rental property or utilities, retirement benefits, and retroactive lump sum RSDI.

Count lump-sum payments received or anticipated to be received more often than once a year as unearned income in the month received.

Exception: Count contributions, gifts, and prizes as unearned income in the month received regardless of the frequency of receipt.

Personal Possessions

Exempt.

Real Property

Count the equity value of real property unless it is otherwise exempt. Exempt any portion of real property directly related to the maintenance or use of a vehicle necessary for employment or to transport a physically disabled household member. Count the equity value of any remaining portion unless it is otherwise exempt.

Good Faith Effort to Sell. Exempt real property if the household is making a good effort to sell it.

Jointly Owned Property. Exempt property jointly owned by the household and other individuals not applying for or receiving benefits if the household provides proof that he cannot sell or divide the property without consent of the other owners and the other owners will not sell or divide the property.

Reimbursement

Count as a resource in the month after receipt.

Exempt a reimbursement earmarked and used for replacing and repairing an exempt resource. Exempt the reimbursement indefinitely.

Retirement Accounts

A retirement account is one in which an employee and/or his employer contribute money for retirement. There are several types of retirement plans.

The term 401K refers to the section of the Internal Revenue Services Code. A 401K plan allows an employee to postpone receiving a portion of current income until retirement.

An individual retirement account (IRA) is an account in which an individual contributes an amount of money to supplement his retirement income (regardless of his participation in a group retirement plan).

A Keogh plan is an IRA for a self-employed individual.

A Simplified Employee Pension (SEP) plan is an IRA owned by an employee to which an employer makes contributions or an IRA owned by a self-employed individual who contributes for himself.

A vested retirement account is an account to which an employee makes contributions for a specified period of time as defined by the employer. The employer does not match the money contributed by the employee until the defined period of time ends.

IRA, SEP, or Keogh Plan. If the retirement account is an IRA, SEP, or Keogh plan, count as a resource, even if there is a penalty for early withdrawal. Deduct the early withdrawal penalty and count the remainder as a resource.

401K or Other. If the retirement account is a 401K or other account, exempt the amount even if the retirement account is accessible with penalty. The money remains exempt until the person withdraws it. If the person elects to withdraw the total amount as a lump sum, count the money as a resource beginning with the month it is received. If the person elects to receive a monthly retirement check, count it as unearned income in the month received.

Trust Fund

Exempt a trust fund if all of the following conditions are met:

- The trust arrangement is unlikely to end during the certification period; and
- No household member can revoke the trust agreement or change the name of the beneficiary during the certification period; and
- The trustee of the fund is either a
 - Court, institution, corporation, or organization not under the direction or ownership of a household member; or
 - Court-appointed individual who has court-imposed limitations placed on the use of the funds; and
- The trust investments do not directly involve or help any business or corporation under the control, direction, or influence of a household member. Exempt trust funds established from the household's own funds if the trustee uses the funds

- Only to make investments on behalf of the trust or
- To pay the education or health care expenses of the beneficiary.

Vehicles

Exempt a vehicle necessary to transport physically disabled household members, even if disqualified and regardless of the purpose of the trip. Exempt no more than one vehicle for each disabled member. There is no requirement that the vehicle be used primarily for the disabled person.

Exempt vehicles if the equity value is less than \$4,650, regardless of the number of vehicles owned by the household. Count the value in excess of \$4,650 toward the household's resource limit. **Examples listed below:**

\$15,000	(FMV)	\$9,000	(FMV)
<u>-12,450</u>	(Amount still owed)	<u>-0</u>	(Amount still owed)
\$2,550	(Equity Value)	\$9,000	(Equity Value)
<u>-4,665</u>		<u>-4,665</u>	
\$0	(Countable resource)	\$4,350	(Countable resource)

Income-producing Vehicles. Exempt the total value of all licensed vehicles used for income-producing purposes. This exemption remains in effect when the vehicle is temporarily not in use. A vehicle is considered income producing if it:

- Is used as a taxi, a farm truck, or fishing boat,
- Is used to make deliveries as part of the person's employment,
- Is used to make calls on clients or customers,
- Is required by the terms of employment, or
- Produces income consistent with its fair market value.

Solely Owned Vehicles. A vehicle, whose title is solely in one person's name, is considered an accessible resource for that person. This includes the following situations:

- Consider vehicles involved in community property issues to belong to the person whose name is on the title.
- If a vehicle is solely in the household member's name and the household member claims he purchased it for someone else, the vehicle is considered as accessible to the household member.

Exceptions: The vehicle is inaccessible if the titleholder verifies:
[complete documentation is required in each of the situations below]

- That he sold the vehicle but has not transferred the title. In this situation, the vehicle belongs to the buyer. Note: Count any payments made by the buyer to the household member or the household member's creditors (directly) as self-employment income.
- That he sold the vehicle but the buyer has not transferred the title into the buyer's name.
- That the vehicle was repossessed.
- That the vehicle was stolen.
- That he filed for bankruptcy (Title 7, 11, or 13) and that the household member is not claiming the vehicle as exempt from the bankruptcy.
 - Note: In most bankruptcy petitions, the court will allow each adult individual to keep one vehicle as exempt for the bankruptcy estate. This vehicle is a countable resource.

A vehicle is accessible to a household member even though the title is not in the household member's name if the household member purchases or is purchasing the vehicle from the person who is the titleholder or if the household member is legally entitled to the vehicle through an inheritance or divorce settlement.

Jointly Owned Vehicles. Consider vehicles jointly owned with another person not applying for or receiving benefits as inaccessible if the other owner is not willing to sell the vehicle.

Leased Vehicles. When a person leases a vehicle, they are not generally considered the owner of the vehicle because the

- Vehicle does not have any equity value,
- Person cannot sell the vehicle, and
- Title remains in the leasing company's name.

Exempt a leased vehicle until the person exercises his option to purchase the vehicle. Once the person becomes the owner of the vehicle, count it as a resource. The person is the owner of the vehicle if the title is in their name, even if the person and the dealer refer to the vehicle as leased. Count the vehicle as a resource.

How To Determine Fair Market Value of Vehicles.

- Determine the fair market value of licensed vehicles using the average trade-in or wholesale value listed in the current (i.e., within

the last six months) National Automobile Dealer's Association (NADA) *Used Car Guide*. Note: If the household claims that the listed value does not apply because the vehicle is in less-than-average condition, allow the household to provide proof of the true value from a reliable source, such as a bank loan officer or a local licensed car dealer.

- Do not increase the basic value because of low mileage, optional equipment, or special equipment for the handicapped.
- Accept the household's estimate of the value of a vehicle no longer listed in the ADA guide unless it is questionable and would affect the household's eligibility. In this case, the household must provide an appraisal from a licensed car dealer or other evidence of the vehicle's value, such as an ax assessment or a newspaper advertisement indicating the sale value if similar vehicles.
- Determine the value of new vehicles not listed in the NADA guide by asking the household to provide an estimate of the average trade-in or wholesale value from a new car dealer or a bank loan officer. If this cannot be done, accept the household's estimate unless it is questionable and would affect eligibility. Use the vehicle's loan value only if other sources are unavailable. Request proof of the value of licensed antique, custom made, or classic vehicles from the household if you cannot make an accurate appraisal.

Penalty for Transferring Resources

A household is ineligible if, within three months before application or any time after certification, they transfer a countable resource for less than its fair market value or fail to disclose a resource to qualify for health care assistance.

This penalty applies if the total of the transferred resource added to other resources affects eligibility.

Base the length of denial on the amount by which the transferred resource or undisclosed resource exceeds the resource maximum when added to other countable resources.

Use the chart below to determine the length of denial.

Amount in Excess of Resource Limit	Denial Period
\$.01 to \$ 249.99	1 month
\$ 250.00 to \$ 999.99	3 months
\$1,000.00 to \$2,999.99	6 months

\$3,000.00 to \$4,999.99	9 months
\$5,000.00 or greater	12 months

If the spouses separate and one spouse transfers his property, it does not affect the eligibility of the other spouse.

Verifying Resources

Verify all countable resources.

Proof may include but is not limited to:

- Bank account statements and
- Award letters.

Documenting Resources

On HCAP Form 101, document whether a resource is countable or exempt and how resources are verified.

INCOME

General Principles

- A household must pursue and accept all income to which the household is legally entitled. Reasonable time (at least three months) must be allowed for the household to pursue the income, which is not considered accessible during this time.
- The income of all MCHD MAP household members is considered.
- Income is either countable or exempt.
- If attempts to verify income are unsuccessful because the payer fails or refuses to provide information and other proof is not available, the household's statement is used as best available information.
- All income of a disqualified person is exempt.

Adoption Payments

Exempt.

Alien Sponsor's Income

If the legal alien is required to have a sponsor, count the income of an alien sponsor as unearned income for three years after the alien's entry date. To budget the sponsor's income:

1. Consider all of the sponsor's and sponsor's spouse's gross countable income.
2. From that income, subtract the following deductions:
 - The lesser of 20% of the total monthly gross earned income (including net self-employment earned income), or \$175;
 - An amount equal to the income limit for the sponsor's family size as it corresponds to 100% of the Federal Poverty Guideline listed in Appendix X. Include all members of the household the sponsor claims or could claim as tax dependents;

- The total amount the sponsor pays to claimed tax dependents living outside the home; and
 - The total alimony or child support the sponsor pays to persons living outside the home.
3. Count the remaining amount as unearned income for the alien.

Cash Gifts and Contributions

Count as unearned income unless they are made by a private, nonprofit organization on the basis of need; and total \$300 or less per household in a federal fiscal quarter. The federal fiscal quarters are January - March, April - June, July - September, and October-December. If these contributions exceed \$300 in a quarter, count the excess amount as income in the month received.

Exempt any cash contribution for common household expenses, such as food, rent, utilities, and items for home maintenance, if it is received from a non-certified household member who:

- Lives in the home with the certified household member,
- Shares household expenses with the certified household member, and
- No landlord/tenant relationship exists.

Child's Earned Income

Exempt a child's earned income if the child, who is under age 18 and not an emancipated minor, is a full-time student (including a home schooled child) or a part-time student employed less than 30 hours a week.

Child Support Payments

Count as unearned income after deducting \$50 from the total monthly child support payments the household receives.

Count payments as child support if a court ordered the support, or the child's caretaker or the person making the payment states the purpose of the payment is to support the child.

Count ongoing child support income as income to the child even if someone else, living in the home receives it.

Count child support arrears as income to the caretaker.

Exempt child support payments as income if the child support is intended for a child who receives Medicaid, even though the parent actually receives the child support.

Child Support Received for a Non-Member. If a caretaker receives, ongoing child support for a non-member (or a member who is no longer in the home) but uses the money for personal or household needs, count it as unearned income. Do not count the amount actually used for or provided to the non-member for whom it is intended to cover.

Lump-Sum Child Support Payments. Count lump-sum child support payments (on child support arrears or on current child support) received, or anticipated to be received more often than once a year, as unearned income in the month received. Consider lump-sum child support payments received once a year or less frequently as a resource in the month received.

Returning Parent. If an absent parent is making child support payments but moves back into the home of the caretaker and child, process the household change.

Crime Victim's Compensation Payments

Exempt.

These are payments from the funds authorized by state legislation to assist a person who has been a victim of a violent crime; was the spouse, parent, sibling, or adult child of a victim who died as a result of a violent crime; or is the guardian of a victim of a violent crime. The payments are distributed by the Office of the Attorney General in monthly payments or in a lump sum.

Disability Insurance Payments

Count as unearned income.

Dividends and Royalties

Count dividends as unearned income. Exception: Exempt dividends from insurance policies as income.

Count royalties as unearned income, minus any amount deducted for production expenses and severance taxes.

Educational Assistance

Exempt educational assistance, including educational loans, regardless of source. Educational assistance also includes college work-study.

Energy Assistance

Exempt the following types of energy assistance payments:

- Assistance from federally-funded, state or locally-administered programs, including HEAP, weatherization, Energy Crisis, and one-time emergency repairs of a heating or cooling device (down payment and final payment);
- Energy assistance received through HUD, USDA's Rural Housing Service (RHS), or Farmer's Administration (FmHA);
- Assistance from private, non-profit, or governmental agencies based on need.

If an energy assistance payment is combined with other payments of assistance, exempt only the energy assistance portion from income (if applicable).

Foster Care Payments

Exempt.

In-Kind Income

Exempt. An in-kind contribution is any gain or benefit to a person that is not in the form of money/check payable directly to the household, such as clothing, public housing, or food.

Interest

Count as unearned income.

Job Training

Exempt payments made under the Workforce Investment Act (WIA).

On The Job Training (OJT) payments funded under the WIA of 1998 are earned income and counted for adults.

OJT payments received by a child who is under age 19 and under parental control of another household member are exempt.

Loans (Non-educational)

Count as unearned income unless there is an understanding that the money will be repaid and the person can reasonably explain how he will repay it.

Lump-Sum Payments

Count as income in the month received if the person receives it or expects to receive it more often than once a year.

Exception: If a person is scheduled to receive retroactive SSI benefits in installment payments (up to three, paid every six months), count the payments as a resource in the month received.

Exempt lump sums received once a year or less, unless specifically listed as income. Count them as a resource in the month received.

If a lump sum reimburses a household for burial, legal, or health care bills, or damaged/lost possessions, reduce the countable amount of the lump sum by the amount earmarked for these items.

Military Pay

Count military pay and allowances for housing, food, base pay, and flight pay as earned income, minus pay withheld to fund education under the G.I. Bill.

Mineral Rights

Count payments for mineral rights as unearned income.

Pensions

Count as unearned income. A pension is any benefit derived from former employment, such as retirement benefits or disability pensions.

Reimbursement

Count as unearned income, minus the actual expenses. Exempt a reimbursement for future expenses only if the household plans to use it as intended.

RSDI Payments

Count as unearned income the Retirement, Survivors, and Disability Insurance (RSDI) benefit amount including the deduction for the Medicare premium, minus any amount that is being recouped for a prior RSDI overpayment.

If a person receives an RSDI check and an SSI check, exempt both checks since the person is a disqualified household member.

If an adult receives a Social Security survivor's benefit check for a child, this check is considered the child's income.

Self-Employment Income

Count as earned income, minus the allowable costs of producing the self-employment income. (Use HCAP Form 200: Employer Verification Form).

Self-employment income is earned or unearned income available from one's own business, trade, or profession rather than from an employer. However, some individuals may have an employer and receive a regular salary. If an employer does not withhold FICA or income taxes, even if required to do so by law, the person is considered self-employed.

Types of self-employment include:

- Odd jobs, such as mowing lawns, babysitting, and cleaning houses;
- Owning a private business, such as a beauty salon or auto mechanic shop;
- Farm income; and
- Income from property, which may be from renting, leasing, or selling property on an installment plan. Property includes equipment, vehicles, and real property.

If the person sells the property on an installment plan, count the payments as income. Exempt the balance of the note as an inaccessible resource.

SSI Payments

Only exempt Supplemental Security Income (SSI) benefits when the household is receiving Medicaid.

A person receiving any amount of SSI benefits who also receives Medicaid is, therefore, a disqualified household member.

TANF

Exempt Temporary Assistance to Needy Families (TANF) benefits.

A person receiving TANF benefits also receives Medicaid and is, therefore, a disqualified household member.

Terminated Income

Count terminated income in the month received. Use actual income and do not use conversion factors if terminated income is less than a full month's income.

Income is terminated if it will not be received in the next usual payment cycle.

Income is not terminated if:

- Someone changes jobs while working for the same employer,
- An employee of a temporary agency is temporarily not assigned,
- A self-employed person changes contracts or has different customers without having a break in normal income cycle, or
- Someone received regular contributions, but the contributions are from different sources.

Third-Party Payments

Exempt the money received that is intended and used for the maintenance of a person who is not a member of the household.

If a single payment is received for more than one beneficiary, exclude the amount actually used for the non-member up to the non-member's identifiable portion or prorated portion, if the portion is not identifiable.

Tip Income

Count the actual (not taxable) gross amount of tips as earned income. Add tip income to wages before applying conversion factors.

Tip income is income earned in addition to wages that is paid by patrons to people employed in service-related occupations, such as beauticians, waiters, valets, pizza delivery staff, etc.

Do not consider tips as self-employment income unless related to a self-employment enterprise.

Trust Fund

Count as unearned income trust fund withdrawals or dividends that the household can receive from a trust fund that is exempt from resources.

Unemployment Compensation Payments

Count the gross amount as unearned income, minus any amount being recouped for an Unemployment Insurance Benefit (UIB) overpayment.

Exception: Count the gross amount if the household agreed to repay a food stamp overpayment through voluntary garnishment.

VA Payments

Count the gross Veterans Administration (VA) payment as unearned income, minus any amount being recouped for a VA overpayment. Exempt VA special needs payments, such as annual clothing allowances or monthly payments for an attendant for disabled veterans.

Vendor Payments

Exempt vendor payments if made by a person or organization outside the household directly to the household's creditor or person providing the service.

Exception: Count as income money that is legally obligated to the household, but which the payer makes to a third party for a household expense.

Wages, Salaries, Commissions

Count the actual (not taxable) gross amount as earned income.

If a person asks his employer to hold his wages or the person's wages are garnished, count this money as income in the month the person would otherwise have been paid. If, however, an employer holds his employees' wages as a general practice, count this money as income in the month it is paid. Count an advance in the month the person receives it.

Workers' Compensation Payments

Count the gross payment as unearned income, minus any amount being recouped for a prior worker's compensation overpayment or paid for attorney's fees. NOTE: The Texas Workers' Compensation Commission (TWCC) or a court sets the amount of the attorney's fee to be paid.

Do not allow a deduction from the gross benefit for court-ordered child support payments.

Exception: Exclude worker's compensation benefits paid to the household for out-of-pocket health care expenses. Consider these payments as reimbursements.

Other Types of Benefits and Payments

Exempt benefits and payments from the following programs:

- Americorp,
- Child Nutrition Act of 1966,
- Food Stamp Program,
- Foster Grandparents,
- Funds distributed or held in trust by the Indian Claims Commission for Indian tribe members under Public Laws 92-254 or 93-135,
- Learn and Serve,
- National School Lunch Act,
- National Senior Service Corps (Senior Corps),
- Nutrition Program for the Elderly (Title III, Older American Act of 1965),
- Retired and Senior Volunteer Program (RSVP),
- Senior Companion Program,
- Tax-exempt portions of payments made under the Alaska Native Claims Settlement Act,
- Uniform Relocation Assistance and Real Property Acquisitions Act (Title II),
- Volunteers in Service to America (VISTA), and
- Women, Infants, and Children (WIC) Program.

Verifying Income

Verify countable income, including recently terminated income, at initial application and when changes are reported. Verify countable income at review, if questionable.

Proof may include but is not limited to:

- Last four (4) consecutive paycheck stubs (for everyone in your household),
- HCAP Form 200, Employment Verification Form, which we provide,
- W-2 forms,
- Notes for cash contributions,
- Business records,
- Social Security award letter,
- Court orders or public decrees (support documents),
- Sales records
- Income tax returns, and
- Statements completed, signed, and dated by the self-employed person.

Documenting Income

On HCAP Form 101, document the following items.

- Exempt income and the reason it is exempt
- Unearned income, including the following items:
 - Date income is verified,
 - Type of income,
 - Check or document seen,
 - Amount recorded on check or document,
 - Frequency of receipt, and
 - Calculations used.
- Self-employment income, including the following items:
 - The allowable costs for producing the self-employment income,
 - Other factors used to determine the income amount.
- Earned income, including the following items:
 - Payer's name and address,
 - Dates of each wage statement or pay stub used,
 - Date paycheck is received,
 - Gross income amount,
 - Frequency of receipt, and
 - Calculations used.
- Allowable deductions.

A household is ineligible for a period of 6 months if they intentionally alter their income to become eligible for the Plan (example: have employer lower their hourly or salary amount).

The following exceptions apply:

- Change in job description that would require a lower pay rate
- Loss of job
- Changed job

BUDGETING INCOME

General Principles

- Count income already received and any income the household expects to receive. If the household is not sure about the amount expected or when the income will be received, use the best estimate.
- Income, whether earned or unearned, is counted in the month that it is received.
- Count terminated income in the month received. Use actual income and do not use conversion factors if terminated income is less than a full month's income.
- Use at least four consecutive, current pay periods to calculate fluctuating income.
- The self-employment income projection, which includes the current month and 3 months prior, is the period of time that the household expects the income to support the family.
- There are deductions for earned income that are not allowed for unearned income.
- The earned income deductions are not allowed if the income is gained from illegal activities, such as prostitution and selling illegal drugs.

Steps for Budgeting Income

- Determine countable income.
- Determine how often countable income is received.
- Convert countable income to monthly amounts.
- Convert self-employment allowable costs to monthly amounts.
- Determine if countable income is earned or unearned.
- Subtract converted monthly self-employment allowable costs, if any, from converted monthly self-employment income.
- Subtract earned income deductions, if any.
- Subtract the deduction for Medicaid individuals, if applicable.
- Subtract the deduction for legally obligated child support payments made by a member of the household group, if applicable.
- Compare the monthly gross income to the MCHD MAP monthly income standard.

Step 1

Determine countable income.

Evaluate the household's current and future circumstances and income. Decide if changes are likely during the current or future months.

If changes are likely, then determine how the change will affect eligibility.

Step 2

Determine how often countable income is received, such as monthly, twice a month, every other week, weekly.

All income, excluding self-employment. Based on verifications or the person's statement as best available information, determine how often income is received. If the income is based hourly or for piecework, determine the amount of income expected for one week of work.

Self-employment Income.

- Compute self-employment income, using one of these methods:
 - Monthly. Use this method if the person has at least one full representative calendar month of self-employment income.
 - Daily. Use this method when there is less than one full representative calendar month of self-employment income,

- and the source or frequency of the income is unknown or inconsistent.
- Determine if the self-employment income is monthly, daily, or seasonal, since that will determine the length of the projection period.
 - The projection period is monthly if the self-employment income is intended to support the household for at least the next 6 months. The projection period is the last 3 months and the current month.
 - The projection period is seasonal if the self-employment income is intended to support the household for less than 12 months since it is available only during certain months of the year. The projection period is the number of months the self-employment is intended to provide support.
 - Determine the allowable costs of producing self-employment income, which include:
 - Capital asset improvements,
 - Capital asset purchases, such as real property, equipment, machinery and other durable goods, i.e., items expected to last at least 12 months,
 - Fuel,
 - Identifiable costs of seed and fertilizer,
 - Insurance premiums,
 - Interest from business loans on income-producing property,
 - Labor,
 - Linen service,
 - Payments of the principal of loans for income-producing property,
 - Property tax,
 - Raw materials,
 - Rent,
 - Repairs that maintain income-producing property,
 - Sales tax,
 - Stock,
 - Supplies,
 - Transportation costs. The person may choose to use 50.5 cents per mile instead of keeping track of individual transportation expenses. Do not allow travel to and from the place of business.
 - Utilities

NOTE: If the applicant conducts a self-employment business in his home, consider the cost of the home (rent, mortgage, utilities) as shelter costs, not business expenses, unless these costs can be identified as necessary for the business separately.

The following are not allowable costs of producing self-employment income:

- Costs not related to self-employment,
- Costs related to producing income gained from illegal activities, such as prostitution and the sale of illegal drugs,
- Depreciation,
- Net loss which occurred in a previous period, and
- Work-related expenses, such as federal, state, and local income taxes, and retirement contributions.

Step 3

Convert countable income to monthly amounts, if income is not received monthly.

When converting countable income to monthly amounts, use the following conversion factors:

- Multiply weekly amounts by 4.33.
- Multiply amounts received every other week by 2.17.
- Add amounts received twice a month (semi-monthly).
- Divide yearly amounts by 12.

Step 4

Convert self-employment allowable costs to monthly amounts.

When converting the allowable costs for producing self-employment to monthly amounts, use the conversion factors in Step 3 above.

Step 5

Determine if countable income is earned or unearned. For earned income, proceed with Step 6. For unearned income, skip to Step 8.

Step 6

Subtract converted monthly self-employment allowable costs, if any, from converted monthly self-employment income.

Step 7

Subtract earned income deductions, if any. Subtract these deductions, if applicable, from the household's monthly gross income, including monthly self-employment income after allowable costs are subtracted:

- Deduct \$120.00 per employed household member for work-related expenses.
- Deduct 1/3 of remaining earned income per employed household member.
- Deduct the actual cost up to \$200.00 per month per dependent for dependent childcare or incapacitated adult care, if necessary for employment.

Exception: For self-employment income from property, when a person spends an average of less than 20 hours per week in management or maintenance activities, count the income as unearned and only allow deductions for allowable costs of producing self-employment income.

Step 8

Subtract the deduction for Medicaid individuals, if applicable. This deduction applies when the household has a member who receives Medicaid and, therefore, is disqualified from the MCHD MAP household. Using the Deduction chart on the following page to deduct an amount for support of the Medicaid member(s) as follows: Subtract an amount equal to the deduction for the number (#) of Medicaid-eligible individuals.

Deductions for Medicaid-Eligible Individuals

# of Medicaid-Eligible Individuals	Single Adult or Adult with Children	Minor Children Only
1	\$ 78	\$ 64
2	\$ 163	\$ 92
3	\$ 188	\$ 130
4	\$ 226	\$ 154
5	\$ 251	\$ 198
6	\$ 288	\$ 241
7	\$ 313	\$ 267
8	\$ 356	\$ 293

Consider the remainder as the monthly gross income for the MAP household

Step 9

Subtract the deduction for legally obligated child support payments made by a member of the household group.

Step 10

Compare the household's monthly gross income to the 21-150% FPIL monthly income standard, using the MCHD MAP Monthly Income Standards chart below.

**MONTGOMERY COUNTY HOSPITAL DISTRICT

INCOME GUIDELINES EFFECTIVE 04/01/08 21-150 % FPIL**

Note: Based on the 2008 Federal Poverty Income Limits (FPIL), which changes April 1 of every year.

A household is eligible if its monthly gross income, after rounding down cents, does not exceed the monthly income standard for the MCHD MAP household's size.

SECTION THREE. CASE PROCESSING

CASE PROCESSING

General Principles

- Use the MCHD MAP application, documentation, and verification procedures.
- Issue HCAP Form 100 to the applicant or his representative on the same date that the request is received.
- Accept an identifiable application.
- Assist the applicant with accurately completing the HCAP Form 100 if the applicant requests help. Anyone who helps fill out the HCAP Form 100 must sign and date it.
- If the applicant is incompetent, incapacitated, or deceased, someone acting responsibly for the client (a representative) may represent the applicant in the application and the review process, including signing and dating the HCAP Form 100 on the applicant's behalf. This representative must be knowledgeable about the applicant and his household. Document the specific reason for designating this representative.
- Determine eligibility based on residence, household, resources, income, and citizenship.
- Allow at least 14 days for requested information to be provided, unless the household agrees to a shorter timeframe, when issuing HCAP Form 12. Note: The requested information is documented on HCAP Form 12 and a copy is given to the household.
- All information required by the "How to Apply for MAP" document is needed to complete the application process and is the responsibility of the applicant.
- Use any information received from the provider of service when making the eligibility determination; but further eligibility information from the applicant may be required.
- The date that a complete application is received is the application completion date, which counts as Day 0.
- Determine eligibility not later than the 14th day after the application completion date based on the residence, household, resources, income, and citizenship guidelines.

- Issue written notice, namely, HCAP Form 109, Notice of Eligibility and HCAP Form 110, the MAP Identification Card, HCAP Form 120, Notice of Incomplete Application, or HCAP Form 117, Notice of Ineligibility, of the District's decision. If the District denies health care assistance, the written notice shall include the reason for the denial and an explanation of the procedure for appealing the denial.
- Review each eligible case record at least once every six months.
 - Approved applications are valid for a period not to exceed six (6) months but no less than 1 month.
 - Before the expiration date, all clients will receive a notice by mail that benefits will expire in the next two weeks.
 - All clients must start the eligibility process all over again at the time or re-application.
- Use the "Prudent Person Principle" in situations where there are unusual circumstances in which an applicant's statement must be accepted as proof if there is a reasonable explanation why documentary evidence or a collateral contact is not available and the applicant's statement does not contradict other client statements or other information received by staff.
- Current eligibility continues until a change resulting in ineligibility occurs and a HCAP Form 117 is issued to the household.
- Consult the hospital district's legal counsel to develop procedures regarding disclosure of information.
- Be aware that a person involved in a motor vehicle accident or an assault (before or during MAP benefit period) will not receive benefit coverage for any medical expenses related to that accident or assault, unless proper documentation is provided showing no other liability. The minimum documentation required consists of at least police report or auto insurance information. Other documentation may be necessary.
- Be aware that a person injured on the job (before or during MAP benefit period) who is entitled to Worker's Compensation, must pursue that resource for benefit coverage.
- Remember that MCHD is the payor of last resort. Do not hesitate to explain this to the client.
- The applicant has the right to:

- Have his application considered without regard to race, color, religion, creed, national origin, age, sex, disability, or political belief;
 - Request a review of the decision made on his application or re-certification for health care assistance; and
 - Request, orally and in writing, a fair hearing about actions affecting receipt or termination of health care assistance.
- The applicant is responsible for:

- Completing the HCAP Form 100 accurately.

Application for Montgomery County Hospital District's Medical Assistance Plan (MAP) are available at the Montgomery County Healthcare Assistance Office located at 200 River Pointe Plaza Suite 303 Conroe, Texas, 77304. Applications may be picked up, Monday through Friday, except holidays, from 8:00 am to 11:30 am and 1:00 pm to 4:30 pm. The MAP phone number is 936-523-5100 and the fax number is 936-539-3450. Applications are also available at <http://www.mchd-tx.org/> by clicking on the MAP link.

- Signing and dating the HCAP Form 100. If the applicant is married and his spouse is a household member, the spouse must also sign and date the HCAP Form 100 even if the spouse is a disqualified household member.
- Providing all needed information requested by staff. If information is not available or is not sufficient, the applicant may designate a collateral contact for the information. A collateral contact could be any objective third party who can provide reliable information. A collateral contact does not need to be separately and specifically designated if that source is named either on HCAP Form 100 or during the interview.
- Attending the scheduled interview appointment.

All appointments will be set automatically by the MAP eligibility office and will be the applicant's responsibility to attend the scheduled appointment. Failure to attend the appointment will result in denial of assistance.

The client's application is valid for 30 days from the identifiable date and it is within that 30-day period that the client may reschedule another appointment with the eligibility office. After

the 30-day period, the client would have to fill out another application and begin the application process all over again.

- Reporting changes, which affect eligibility, within 14 days after the date that the change actually occurred. Failure to report changes could result in repayment of expenditures paid.
- Any changes in income, resources, residency other than federal cost of living adjustments mandates re application and reconsideration of determination.
- To cooperate or follow through with an application process for any other source of medical assistance before being processed for the Medical Assistance Plan, since MCHD is a payor of last resort.
- Note: Misrepresentation of facts or any attempt by any applicant or interested party to circumvent the policies of the district in order to become or remain eligible is grounds for immediate and permanent refusal of assistance. Furthermore, if a client fails to furnish any requested information or documentation, the application will be denied.
- The Montgomery County Hospital District has installed a comprehensive video and audio recording system in the Health Care Assistance Program office suite. This system serves many purposes. This system is designed to ensure quality services and to provide a level of security for the staff. It also provides documentation of client interviews which is useful in reducing fraud and abuse of the system. The recordings provide the staff protection against false claims from disgruntled clients, and ensure accuracy in connection with HCAP client interviews. All persons who apply for services, renewal of services, or other issues with the Health Care Assistance Program shall be subject to the video and audio taping equipment of the Montgomery County Hospital District.

- **Issue the appropriate form.**

Step 1

Accept the identifiable application. On the HCAP Form 100 document the date that the identifiable Form 100 is received. This is the application file date.

Step 2

Check that all information is complete, consistent, and sufficient to make an eligibility determination.

Step 3

Request needed information pertaining to the five eligibility criteria, namely, residence, citizenship, household, resources, and income.

Decision Pended. If eligibility cannot be determined because components that pertain to the eligibility criteria are missing, issue HCAP Form 12, Request for Information, listing additional information that needs to be provided as well as listing the due date by which the additional information is needed. If the requested information is not provided by the due date, follow the Denial Decision procedure in Step 8. If the requested information is provided by the due date, proceed with Step 5. The application is not considered complete until all requested information is received.

Decision Pended for an SSI Applicant. If eligibility cannot be determined because the person is also an SSI applicant, issue HCAP Form 12, Request for Information, listing additional information that needs to be provided, including the SSI decision, as well as listing the date by which the additional information is needed. In addition, the client is issued HCAP Form G, "How to

contact the eligibility office regarding your SSI status". If the SSI application is denied for eligibility requirements, proceed with Step 3 whether or not the SSI denial is appealed.

Step 4

Determine if an interview is needed. Eligibility may be determined without interviewing the applicant if all questions on HCAP Form 100 are answered and all additional information has been provided.

Step 5

Interview the applicant or his representative face-to-face or by telephone in an interview is necessary.

If an interview appointment is scheduled, provide the applicant with an MAP Appointment Card, HCAP Form 2, indicating the date, time, place of the interview, and name of interviewer.

Applicants may only be up to 10 minutes late to their interview appointment before they **must** reschedule.

If the applicant fails to keep the appointment, reschedule the appointment, if requested before the time of the scheduled appointment, or follow the Denial Decision procedure in Step 7.

Step 6

Repeat Steps 2 and 3 as necessary.

Step 7

Determine eligibility based on the five eligibility criteria.

Document information in the case record to support the decision.

At this step, all candidates must complete the following forms:

1. Acknowledgment of Receipt of Notice of Privacy Practices, HCAP Form A
2. Background Check Form, HCAP Form B
3. Medical History Form, HCAP Form C
4. Release Form, HCAP Form D
5. Subrogation Form, HCAP Form E
6. Proof of Citizenship, HCAP Form F
7. Representation and Acknowledgement Form, HCAP Form H

If a candidate has a telephone interview or does not require an interview and becomes eligible for MAP benefits, the forms listed

above must be filled out at the time the client comes in to get their MAP Identification Card, HCAP Form 110, and the Notice of eligibility, HCAP Form 109.

Additionally at this step in the process, some candidates must complete additional forms as they apply:

1. Statement of Support, HCAP Form 102
2. Request for Domicile Verification, HCAP Form 103
3. Affidavit Regarding Marital Status and Financial Support, HCAP Form 104
4. Employer Verification Form, HCAP Form 200
5. Other Forms as may be developed and approved by Administrator
6. Assignment of Health Insurance Proceeds, HCAP Form I:

Staff Acknowledgement regarding Step 2

All applicants will undergo a background/credit check, as this is a mandatory MAP process. Candidates will be asked to clarify discrepancies. Do not pry or inquire into non-eligibility determination related information. Remember this is confidential material.

Step 8

Issue the appropriate form, namely, HCAP Form 117, Notice of Ineligibility, HCAP Form 120, Notice of Incomplete Application, or HCAP Form 109, Notice of Eligibility along with HCAP Form 110, the MAP Identification Card.

The MAP Identification Card is owned by MCHD and is not transferable. MCHD may revoke or cancel it at any time after notice has been sent out 2 weeks before the termination date explaining the reason for termination.

Incomplete Decision. If any of the requested documentation is not provided the application is not complete. Issue HCAP Form 120, Notice of Incomplete Application.

Denial Decision. If any one of the eligibility criteria is not met, the applicant is ineligible. Issue HCAP Form 117, Notice of Ineligibility, including the reason for denial, the effective date of the denial, if applicable, and an explanation of the procedure for appealing the denial.

Reasons for denial include but are not limited to:

- Not a resident of the county,
- A recipient of Medicaid,

- Resources exceed the resource limit,
- Income exceeds the income limit,
- Failed to keep an appointment,
- Failed to provide information requested,
- Failed to return the review application,
- Failed to comply with requirements to obtain other assistance, or
- Voluntarily withdrew.

Eligible Decision. If all the eligibility criteria are met, the applicant is eligible.

Determine the applicant's Eligibility Effective Date. Current Eligibility begins on the first calendar day in the month that an identifiable application is filed or the earliest, subsequent month in which all eligibility criteria are met.

The applicant may be retroactively eligible in any of the three calendar months before the month the identifiable application is received if all eligibility criteria are met.

Issue HCAP Form 109, Notice of Eligibility, including the Eligibility Effective Date along with HCAP Form 110, the MAP Identification Card.

All active cases will be reviewed every 6 months as determined by the Eligibility Supervisor.

Termination of Coverage

Expiration of Coverage:

All active clients are given MAP coverage for a specified length of time and will be notified by mail **two weeks** before their MAP benefits will expire. Coverage will terminate at the end of the specified length of time unless the client chooses to re-apply for coverage.

Termination:

In certain circumstances, a client may have their benefits revoked before their coverage period expires. Clients will be notified by mail or phone two weeks before their MAP benefits will terminate, along with the explanation for termination. Coverage will terminate on the date listed on HCAP Form 117, Notice on Ineligibility.

Note: Clients who are found to have proof of another source of healthcare coverage will be terminated on the day that the other payor source was identified.

DENIAL DECISION DISPUTES

Responses Regarding a Denial Decision

If a denial decision is disputed by the household, the following may occur:

- The household may submit another application to have their eligibility re-determined,
- The household may appeal the denial, or
- The hospital district may choose to re-open a denied application or in certain situations override earlier determinations based on new information.

The Household/Client Appeal Process

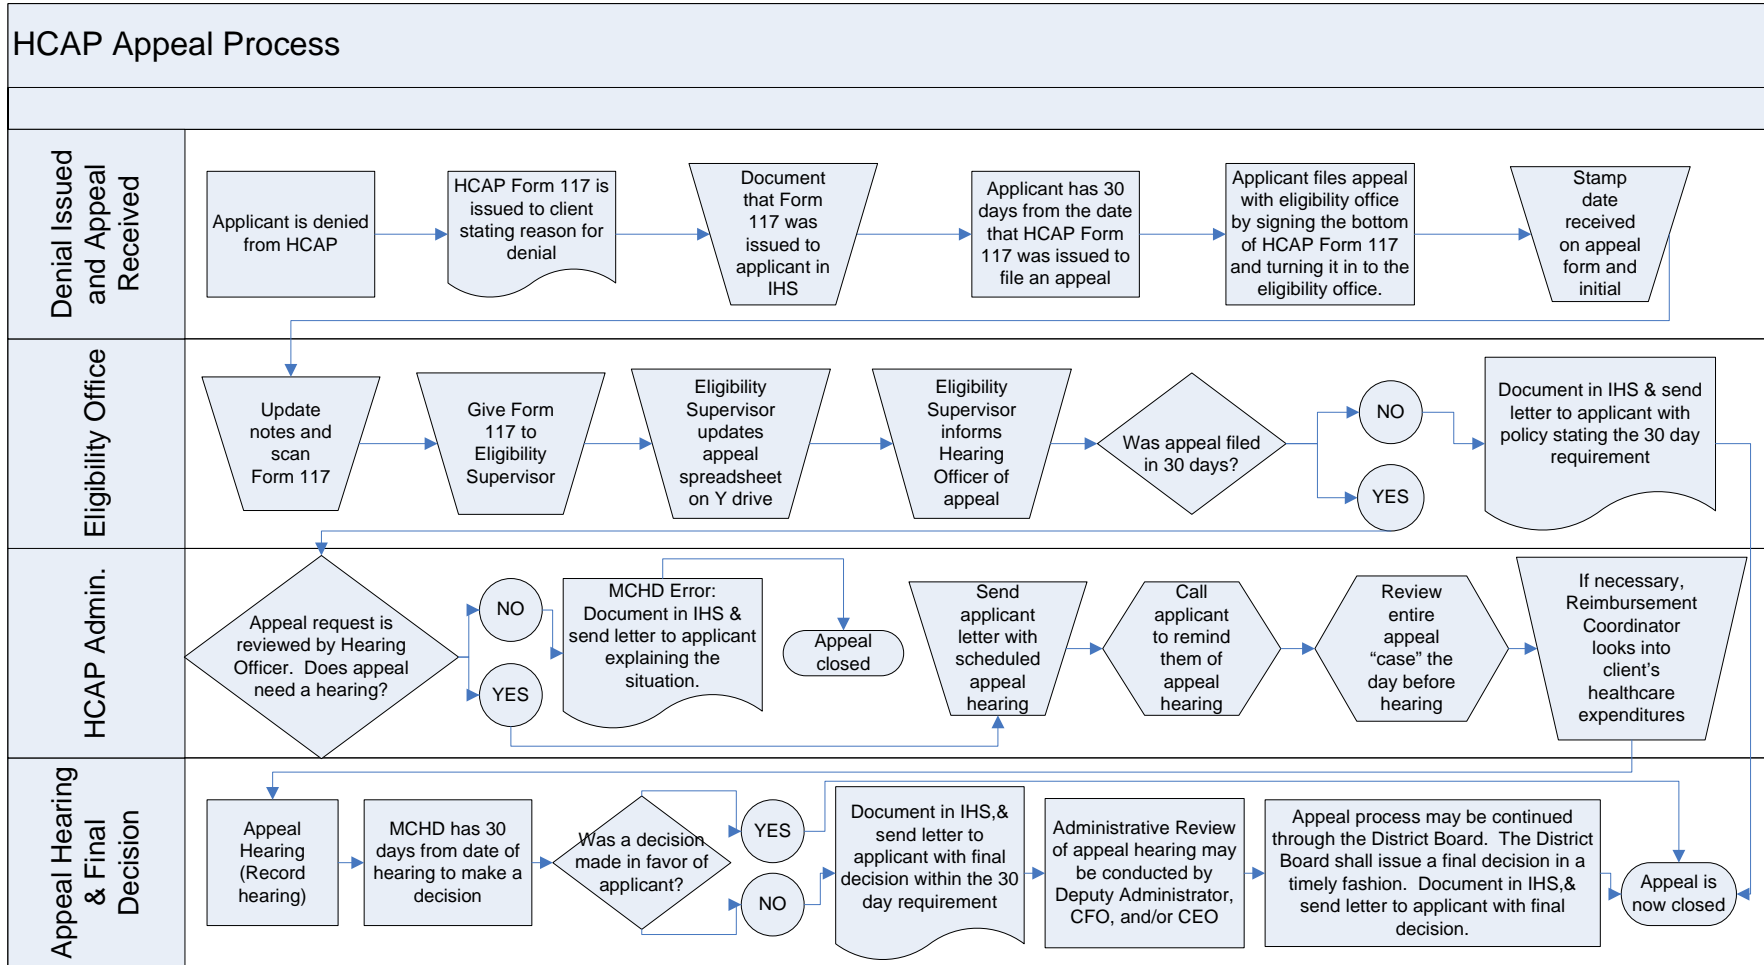

- The Household/Client may appeal any eligibility decision by signing the bottom of HCAP Form 117, Notice of Ineligibility within 30 days from the date of denial.
- District will have 14 days from the date HCAP Form 117 was received in the MAP eligibility office with the appropriate signature to respond to the client to let them know that MCHD received their appeal. At this time, the client will be notified as to the next step in the appeal process either:
 1. An appeal hearing is not necessary as a mistake has been made on MCHD's behalf. MCHD and the client will take the appropriate steps required to remedy the situation, or
 2. An appeal hearing is necessary and the Hearing Officer or appointee will schedule a date and time for the appeal hearing.

The decision as to whether or not an appeal is necessary is decided upon by the Hearing Officer after reviewing the case.

Anytime during the 14-day determination period further information may be requested from the client by The District.

- The District will have 30 days in which to schedule the appeal hearing.
- Should a client choose not to attend their scheduled appeal hearing, leave a hearing, or become disruptive during a hearing, the case will be dropped and the appeal denied.
- MCHD calls the client to remind the client of appeal hearing.
- After the date of the appeal hearing, the District will have 30 days in which to make a decision. The client will be notified of the District's decision in writing.
- An Administrative Review of the appeal hearing can be conducted through the Deputy Administrator, Chief Financial Officer, and/or the Chief Executive Officer.
- The Appeal process may be continued through the District Board.
- The District Board shall issue a final decision in a timely fashion.

MAP Appeal Process Flowchart

Note: At any time it is very important to update IHS with notes regarding the appeal process and to scan in all documents that are important to the appeal "case".

All claims and questions regarding health claims should be directed to the Third Party Administrator. MCHD shall be ultimately and finally responsible for adjudicating such claims and for providing full and fair review of the decision on such claims in accordance with the following provisions. Each Provider claiming benefits under the Plan shall be responsible for supplying, at such times and in such manner as MCHD in its sole discretion may require, written proof that the expenses were incurred or that the benefit is covered under the Plan. If MCHD in its sole discretion shall determine that the Provider has not Incurred a Covered Expense, provided a Covered Service, or that the benefit is not covered under the Plan, or if the Provider shall fail to furnish such proof as is requested, no benefits shall be payable under the Plan.

ANY SUIT FILED PRIOR TO THE EXHAUSTION OF THE FOLLOWING APPEAL PROCEDURES SHALL BE SUBJECT TO ABATEMENT UNTIL SUCH APPEAL PROCEDURES HAVE BEEN EXHAUSTED.

Full and Fair Review of All Claims

In cases where a claim for benefits is denied, in whole or in part, and the Provider believes the claim has been denied wrongly, the Provider may appeal the denial and review pertinent documents, including the Covered Services and fee schedules pertaining to such Covered Services. The claims procedures of this Plan afford a Provider with a reasonable opportunity for a full and fair review of a claim and adverse benefit determination. More specifically, the Plan provides:

1. Provider at least 95 days following receipt of a notification of an initial adverse benefit determination within which to appeal the determination and 60 days to appeal a second adverse benefit determination;
2. Provider the opportunity to submit written comments, documents, records, and other information relating to the claim for benefits;
3. For an independent review that does not afford deference to the previous adverse benefit determination and that is conducted by an appropriate named fiduciary of the Plan, who shall be neither the individual who made the adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual;
4. For a review that takes into account all comments, documents, records, and other information submitted by the Provider relating to the claim, without regard to whether such information was submitted or considered in any prior benefit determination;
5. That, in deciding an appeal of any adverse benefit determination that is based in whole or in part upon a medical judgment, the Plan fiduciary shall consult with one or more health care professionals who have appropriate training and experience in the field of medicine involved in the medical judgment, and who are neither individuals who were consulted in connection with the adverse benefit determination that is the subject of the appeal, nor the subordinates of any such individual;
6. For the identification of medical or vocational experts whose advice was obtained on behalf of the Plan in connection with a claim, even if the Plan did not rely upon their advice; and
7. That a Provider will be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Provider's claim for benefits to the extent such records are in possession of the MCHD or the Third Party Administrator; information regarding any voluntary appeals procedures offered by the Plan; any internal rule, guideline, protocol or other similar criterion relied upon in making the adverse determination; and an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the Client's medical circumstances.

Adverse Decision on First Appeal; Requirements for Second Appeal

Upon receipt of notice of the Plan's adverse decision regarding the first appeal, the Provider has an additional 60 days to file a second appeal of the denial of benefits. The Provider again is entitled to a "full and fair review" of any denial made at the first appeal, which means the Provider has the same rights during the second appeal as he or she had during the first appeal. As with the first appeal, the Provider's second appeal must be in writing and must include all of the items and information set forth in the section entitled "Requirements for First Appeal" And shall additionally include a brief statement setting forth the Provider's rationale as to why the initial appeal decision was in error

See the section entitled "Manner and Content of Notification of Adverse Benefit Determination on First Appeal."

Decision on Second Appeal to be Final

If, for any reason, the Provider does not receive a written response to the appeal within the appropriate time period set forth above, the Provider may assume that the appeal has been denied. The decision by the MCHD or other appropriate named fiduciary of the Plan on review will be final, binding and conclusive and will be afforded the maximum deference permitted by law. All claim review procedures provided for in the Plan must be exhausted before any legal action is brought. MANDATED PROVIDER INFORMATION

Policy Regarding Reimbursement Requests From Non-Mandated Providers For The Provision Of Emergency And Non-Emergency Services

Continuity of Care:

It is the intent of the District and its MAP Office to assure continuity of care is received by the patients who are on the rolls of the Plan. For this purpose, mandated provider relationships have been established and maintained for the best interest of the patients' health status. The client/patient has the network of mandated providers explained to them and signs a document to this understanding at the time of eligibility processing in the MAP Office. Additionally, they demonstrate understanding in a like fashion that failure to use mandated providers, unless otherwise authorized, will result in them bearing independent financial responsibility for their actions.

Prior Approval:

A non-mandated health care provider must obtain approval from the Hospital District's Medical Assistance Plan (MAP) Office before providing health care services to an active MAP patient. Failure to obtain prior approval or failure to comply with the notification requirements below will result in rejection of financial reimbursement for services provided.

Mandatory Notification Requirements:

- The non-mandated provider shall attempt to determine if the patient resides within District's service area when the patient first receives services if not beforehand as the patients condition may dictate.
- The provider, the patient, and the patient's family shall cooperate with the District in determining if the patient is an active client on the MAP rolls of the District for MAP services.
- Each individual provider is independently responsible for their own notification on each case as it presents.
- If a non-mandated provider delivers emergency or non-emergency services to a MAP patient who the provider suspects might be an active client on the MAP rolls with the District, the provider shall notify the District's MAP Office that services have been or will be provided to the patient.
- The notice shall be made:

- (1) By telephone not later than the 72nd hour after the provider determines that the patient resides in the District's service area and is suspect of being an active client on the District's MAP rolls;
and
- (2) By mail postmarked not later than the fifth working day after the date on which the provider determines that the patient resides in the District's service area.

Authorization:

The District's MAP Office may authorize health care services to be provided by a non-mandated provider to a MAP patient only:

- In an emergency (as defined below and interpreted by the District);
- When it is medically inappropriate for the District's mandated provider to provide such services; or
- When adequate medical care is not available through the mandated provider.

Emergency Defined:

An "emergency medical condition" is defined as a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in:

- Placing the patients health in serious jeopardy,
- Serious impairment of bodily functions, or
- Serious dysfunction of any bodily organ or part.

Emergency Medical Services:

MCHD as a provider of EMS for Montgomery County is independently responsible in determining the most appropriate destination by its own policies and procedures for all transported patients, including MAP client patients. MAP client patients are to (as conditions allow) notify EMS about their mandated provider as a preferred destination.

Reimbursement:

In such event, the District shall provide written authorization to the non-mandated provider to provide such health care services as are medically appropriate, and thereafter the District shall assume responsibility for reimbursement for the services rendered by the non-mandated provider at the reimbursement rates approved for the District's mandated provider, generally but not limited to, being those reimbursement rates approved by the Texas Department of State Health Services pursuant to the County Indigent Health Care And Treatment Act. Acceptance of reimbursement by the non-mandated provider will indicate payment in full for services rendered.

If a non-mandated provider delivers emergency or non-emergency services to a patient who is on the MAP rolls of the District and fails to comply with this policy, including the mandatory notice requirements, the non-mandated provider is not eligible for reimbursement for the services from the District.

Return to Mandated Provider:

Unless authorized by the District's MAP Office to provide health care services, a non-mandated provider, upon learning that the District has selected a mandated provider, shall see that the patient is transferred to the District's selected mandated provider of health care services.

Appeal:

If a health care provider disagrees with a decision of the MAP Office regarding reimbursement and/or payment of a claim for treatment of a person on the rolls of the District's MAP, the provider will have to appeal the decision to the District's Board of Directors and present its position and evidence regarding coverage under this policy. The District will conduct a hearing on such appeal in a reasonable and orderly fashion. The health care provider and a representative of the MAP Office will have the opportunity to present evidence, including their own testimony and the testimony of witnesses. After listening to the parties' positions and reviewing the evidence, the District's Board of Directors will determine an appropriate action and issue a written finding.

authority or authorities of the hospital and district agree to the transfer. The district shall assume the outstanding indebtedness incurred by any city or town within the district or by the county for hospital purposes within the boundaries of the district.

Section 3. (a) The district shall not be created nor shall any tax in the district be authorized unless and until the creation and tax are approved by a majority of the electors of the area of the proposed district voting at an election called for that purpose. The election may be called by the commissioners court on presentation of a petition therefor signed by at least 50 electors of the area of the proposed district. The election shall be held not less than 35 nor more than 60 days from the date the election is ordered. The order calling the election shall specify the date, place or places of holding the election, the form of ballot, and the presiding judge and alternate judge for each voting place and shall provide for clerks as in county elections. Notice of election shall be given by publishing a substantial copy of the election order in a newspaper of general circulation in the county once a week for two consecutive weeks, the first publication to appear at least 30 days prior to the date established for the election. The failure of the election shall not operate to prohibit the calling and holding of subsequent elections for the same purposes; provided no district confirmation election shall be held within 12 months of any preceding election for the same purpose. If the district is not confirmed at an election held within 60 months from the effective date of this Act, this Act is repealed.

(b) At the election there shall be submitted to the electors of the area of the proposed district the proposition of whether the hospital district shall be created with authority to levy annual taxes at a rate not to exceed 75 cents on the \$100 valuation on all taxable property situated within the hospital district, subject to hospital district taxation, for the purpose of meeting the requirements of the district's bonds, indebtedness assumed

by it, and its maintenance and operating expenses, and a majority of the electors of the area of the proposed district voting at the election in favor of the proposition shall be sufficient for its adoption.

(c) The form of ballot used at the election on the creation of the district shall be in conformity with Section 61, Texas Election Code, as amended (Article 6.05, Vernon's Texas Election Code), so that ballots may be cast on the following proposition: The creation of Montgomery County Hospital District, providing for the levy of a tax not to exceed 75 cents on each \$100 of valuation on all taxable property situated within the hospital district, subject to hospital district taxation, and providing for the assumption by the district of all outstanding bonds and indebtedness previously issued or incurred for hospital purposes within the boundaries of the proposed hospital district by the county and any city or town therein.

Sec. 4. (a) The district is governed by a board of seven directors. Three of the directors shall be elected at large from the entire district, and the remaining four directors each shall be elected from a different commissioner's precinct in the district, and each shall be a resident of the precinct he represents. Candidates to represent the district at large shall run by position. A qualified elector is entitled to vote for the directors to be elected at large and for the director to be elected from the precinct in which the elector resides. Directors shall serve for terms of four years expiring on the second Tuesday in June. No person may be appointed or elected as a member of the board of directors of the hospital district unless he is a resident of the district and a qualified elector and unless at the time of such election or appointment he shall be more than 21 years of age. No person may be appointed or elected as a director of the hospital district if he holds another appointed or

elected public office of honor, trust or profit. A person holding another public office of honor, trust or profit who seeks to be appointed or elected a director automatically vacates the first office. Each member of the board of directors shall serve without compensation and shall qualify by executing the constitutional oath of office and shall execute a good and sufficient bond for \$1,000 payable to the district conditioned upon the faithful performance of his duties, and the bonds shall be deposited with the depository bank of the district for safekeeping.

(b) The board of directors shall organize by electing from among its membership a chairman, vice-chairman, treasurer and secretary one of their number as president and one of their number as secretary. Any four members of the board of directors shall constitute a quorum, and a concurrence of a majority of the directors present is sufficient in all matters pertaining to the business of the district. A meeting of the board of directors may be called by the chairman or any four directors. All vacancies in the office of director shall be filled for the unexpired term by appointment by the remainder of the board of directors. In the event the number of directors shall be reduced to less than four for any reason, the remaining directors shall immediately call a special election to fill said vacancies, and upon failure to do so a district court may, upon application of any voter or taxpayer of the district, issue a mandate requiring that such election be ordered by the remaining directors.

(c) A regular election of directors shall be held on the first Saturday in May of each even-numbered year, and notice of such election shall be published in a newspaper of general circulation in the county one time at least 10 days prior to the date of election. Any person desiring his name to be printed on the ballot as a candidate for director shall file a

petition, signed by not less than 10 legally qualified electors asking that such name be printed on the ballot, with the secretary of the board of directors of the district. Such petitions shall be filed with such secretary at least 25 days prior to the date of election.

(d) If no candidate for director from a particular commissioner's precinct or no candidate for a district at-large position receives a majority of the votes of the qualified voters voting in that race at the regular election of directors, the board shall order a runoff election between the two candidates from the precinct or from the at-large position who received the highest number of votes in that race at the regular election. The board shall publish notice of the runoff election in a newspaper or newspapers that individually or collectively provide general circulation in the area of the runoff election one time at least seven days before the date of the runoff election. Of the names printed on the ballot at the runoff election, the name of the candidate who received the higher number of votes at the regular election shall be printed first on the ballot. If before the date of the runoff election a candidate who is eligible to participate in the runoff dies or files a written request with the secretary of the board to have his name omitted from the ballot at the runoff election, the other candidate eligible to participate in the runoff election is considered elected and the runoff election shall be cancelled by order of the board.

Sec. 5. (a) The board of directors shall manage, control, and administer the health care or hospital system and all funds and resources of the district, but in no event shall any operating, depreciation, or building reserves be invested in any funds or securities other than those specified in Article 836 or 837, Revised Civil Statutes of Texas, 1925, as amended. The district, through its board of directors, shall have the power and authority to sue and be sued, to promulgate rules governing the operation of the hospital, the health

care or hospital system, its staff, and its employees. The board of directors shall appoint a qualified person to be known as the chief administrative officer of the district to be known as the president of the hospital district or by another title selected by the board. The board may appoint assistants to the chief administrative officer to be known as vice-presidents of the hospital district or by another title selected by the board. The chief administrative officer and any assistant shall serve at the will of the board and shall receive such compensation as may be fixed by the board. The chief administrative officer shall supervise all the work and activities of the district and shall have general direction of the affairs of the district, subject to limitations prescribed by the board. The board of directors shall have the authority to appoint to the staff such doctors as necessary for the efficient operation of the district and may provide for temporary appointments to the staff if warranted by circumstances. The board may delegate to the chief administrative officer the authority to employ technicians, nurses, and employees of the district. The board shall be authorized to contract with any other political subdivision or governmental agency whereby the district will provide investigatory or other services as to the medical, health care, hospital, or welfare needs of the inhabitants of the district and shall be authorized to contract with any county or incorporated municipality located outside its boundaries for the care and treatment of the sick, diseased, or injured persons of any such county or municipality and shall have the authority to contract with the State of Texas or agencies of the federal government for the treatment of sick, diseased, or injured persons.

(b) The district may enter into contracts, and make payments thereunder, relating to or arranging for the provision of health care services as permitted by the Texas Constitution and Chapter 61, Health and Safety Code, and its subsequent amendments, on

terms and conditions as the board of directors determines to be in the best interests of the district. The term of a contract entered into under this subsection may not exceed 15 years.

Sec. 6. The board of directors may provide retirement benefits for employees of the hospital district. The board may provide the benefits by establishing or administering a retirement program or by electing to participate in the Texas County and District Retirement System or in any other statewide retirement system in which the district is eligible to participate.

Sec. 7. The district shall be operated on the basis of a fiscal year as established by the board of directors; provided such fiscal year may not be changed during the time revenue bonds of the district are outstanding or more than once in any 24-month period. The board shall have an audit made of the financial condition of the district, which together with other records of the district shall be open to inspection at the principal office of the district. The chief administrative officer shall prepare an annual budget for approval by the board of directors. The budget shall also contain a complete financial statement of the district showing all outstanding obligations of the district, the cash on hand to the credit of each and every fund of the district, the funds received from all sources during the previous year, the funds available from all sources during the ensuring year, with balances expected at year-end of the year in which the budget is being prepared, and estimated revenues and balances available to cover the proposed budget and the estimated tax rate which will be required. A public hearing on the annual budget shall be held by the board of directors after notice of such hearing has been published one time at least 10 days before the date set therefor. Any person residing in the district shall have the right to be present and participate in the hearing. At the conclusion of the hearing, the budget, as

proposed by the chief administrative officer, shall be acted on by the board of directors. The board of directors shall have authority to make such changes in the budget as in their judgment the law warrants and the interest of the taxpayers demands. No expenditure may be made for any expense not included in the annual budget or an amendment to it. The annual budget may be amended from time to time as the circumstances may require, but the annual budget, and all amendments thereto, shall be approved by the board of directors. As soon as practicable after the close of each fiscal year, the chief administrative officer shall prepare for the board a full sworn statement of all money belonging to the district and a full account of the disbursements of same.

Sec. 8. (a) The board of directors shall have the power and authority to issue and sell its bonds in the name and on the faith and credit of the hospital district for the purchase, construction, acquisition, repair, or renovation of buildings and improvements and equipping the same for health care or hospital purposes, and for any or all such purposes. At the time of the issuance of any bonds by the district, a tax shall be levied by the board sufficient to create an interest and sinking fund to pay the interest and the principal of said bonds as same mature; providing the tax together with any other taxes levied for the district shall not exceed 75 cents on each \$100 valuation of all taxable property situated in the district subject to hospital district taxation in any one year. No bonds shall be issued by such hospital district except refunding bonds until authorized by a majority of the electors of the district. The order for bond election shall specify the date of the election, the amount of bonds to be authorized, the maximum maturity of the bonds, the place or places where the election shall be held, the presiding judge and alternate judge for each voting place, and provide for clerks as in county elections. Notice of any bond

election except one held under the provisions of Section 9 of this Act in which instance notice shall be given as provided in Section 3 of this Act, shall be given as provided in Article 704, Revised Civil Statutes of Texas, 1925, as amended, and shall be conducted in accordance with the Texas Election Code, as amended, except as modified by the provisions of this Act.

(b) Refunding bonds of the district may be issued for the purpose of refunding and paying off any outstanding indebtedness it has issued or assumed. Such refunding bonds may be sold and the proceeds thereof applied to the payment of outstanding indebtedness or may be exchanged in whole or in part for not less than a like principal amount of outstanding indebtedness. If the refunding bonds are to be sold and the proceeds hereof applied to the payment of any outstanding indebtedness, the refunding bonds shall be issued and payments made in the manner specified by Chapter 502, Acts of the 54th Legislature, 1955, as amended (Article 717k, Vernon's Texas Civil States).

(c) Bonds of the district shall mature within 40 years of their date, shall be executed in the name of the hospital district and on its behalf by the president of the board and countersigned by the secretary in the manner provided by Chapter 204, Acts of the 57th Legislature, Regular Session, 1961 as amended (Article 717j--1, Vernon's Texas Civil Statutes), shall bear interest at a rate not to exceed that prescribed by Chapter 3, Acts of the 61st Legislature, Regular Session, 1969, as amended (Article 717k--2, Vernon's Texas Civil Statutes), and shall be subject to the same requirements in the manner of approval by the Attorney General of Texas and registration by the Comptroller of Public Accounts of the State of Texas as are by law provided for approval and registration of bonds issued by

counties. On the approval of bonds by the attorney general and registration by the comptroller, the same shall be incontestable for any cause.

(d) The district shall have the same power and authority as cities and counties under The Certificate of Obligation Act of 1971 (Article 2368a.1, Vernon's Texas Civil Statutes) to issue and sell certificates of obligation for permitted purposes under this Act in accordance with the provisions of The Certificate of Obligation Act. Certificates of Obligation shall be issued in conformity with and in the manner specified in The Certificate of Obligation Act, as it may be amended from time to time.

Sec. 9. A petition for an election to create a hospital district, as provided in Section 3 of this Act, may incorporate a request that a separate proposition be submitted at such election as to whether the board of directors of the district, in the event same is created, shall be authorized to issue bonds for the purposes specified in Section 8 of this Act. Such petition shall specify the maximum amount of bonds to be issued and their maximum maturity, and same shall be included in the proposition submitted at the election.

Sec. 9A. The district may issue revenue bonds or certificates of obligation or may incur or assume any other debt only if authorized by a majority of the voters of the district voting in an election held for that purpose. This section does not apply to refunding bonds or other debt incurred solely to refinance an outstanding debt.

Sec. 10. In addition to the power to issue bonds payable from taxes levied by the district, as contemplated by Section 8 of this Act, the board of directors is further authorized to issue and to refund any previously issued revenue bonds for purchasing, constructing, acquiring, repairing, equipping, or renovating buildings and improvements for health care or hospital purposes and for acquiring sites for health care or hospital

purposes, the bonds to be payable from and secured by a pledge of all or any part of the revenues of the district to be derived from the operation of its hospital or health care facilities. The bonds may be additionally secured by a mortgage or deed of trust lien on any part or all of its properties. The bonds shall be issued in the manner and in accordance with the procedures and requirements specified for the issuance of revenue bonds by county hospital authorities in Sections 8 and 10 through 13 of Chapter 122, Acts of the 58th Legislature, 1963 (Article 4494r, Vernon's Texas Civil Statutes).

Sec. 11. (a) The board of directors is hereby given complete discretion as to the type of buildings, both as to number and location, required to establish and maintain an adequate health care or hospital system. The health care or hospital system may include domiciliary care and treatment of the sick, wounded, and injured, hospitals, outpatient clinic or clinics, dispensaries, geriatric domiciliary care and treatment, convalescent home facilities, necessary nurses, domicilaries and training centers, blood banks, community mental health centers and research centers or laboratories, ambulance services, and any other facilities deemed necessary for health or hospital care by the directors. The district, through its board of directors, is further authorized to enter into an operating or management contract with regard to its facilities or a part thereof or may lease all or part of its buildings and facilities on terms and conditions considered to be to the best interest of its inhabitants. Except as provided by Subsection (c) of Section 15 of this Act, the term of a lease may not exceed 25 years from the date entered. The district shall be empowered to sell or otherwise dispose of any property, real or personal, or equipment of any nature on terms and conditions found by the board to be in the best interest of its inhabitants.

(b) The district may sell or exchange a hospital, including real property necessary or convenient for the operation of the hospital and real property that the board of directors finds may be useful in connection with future expansions of the hospital, on terms and conditions the board determines to be in the best interests of the district, by complying with the procedures prescribed by Sections 285.052, Health and Safety Code, and any subsequent amendments.

(c) The board of directors of the district shall have the power to prescribe the method and manner of making purchases and expenditures by and for the hospital district and shall also be authorized to prescribe all accounting and control procedures. All contracts for construction involving the expenditure of more than \$10,000 may be made only after advertising in the manner provided by Chapter 163, Acts of the 42nd Legislature, Regular Session, 1931, as amended (Article 2368a, Vernon's Texas Civil Statutes). The provisions of Article 5160, Revised Civil Statutes of Texas, 1925, as amended, relating to performance and payment bonds shall apply to construction contracts let by the district. The district may acquire equipment for use in its health care or hospital system and mortgage or pledge the property so acquired as security for the payment of the purchase price, but any such contract shall provide for the entire obligation of the district to be retired within five years from the date of the contract. Except as permitted in the preceding sentence and as permitted by Sections 5, 8, 9 and 10 of this Act, the district may incur no obligation payable from any revenues of the district, except those on hand or to be on hand within the then current and following fiscal year of the district.

(d) The board may declare an emergency in the matter of funds not being available to pay principal of and interest on any bonds of the district payable in whole or in part

from taxes or to meet any other needs of the district and may issue negotiable tax anticipation notes to borrow the money needed by the district. Tax anticipation notes may bear interest at any rate or rates authorized by general law and must mature within one year of their date. Tax anticipation notes may be issued for any purpose for which the district is authorized to levy taxes, and tax anticipation notes shall be secured with the proceeds of taxes to be levied by the district in the succeeding 12-month period. The board may covenant with the purchasers of the notes that the board will levy a sufficient tax in the following fiscal year to pay principal of and interest on the notes and pay the costs of collecting the taxes.

Section 12. (a) The board of directors of the district shall name one or more banks within its boundaries to serve as depository for the funds of the district. All funds of the district, except those invested as provided in Section 5 of this Act and those transmitted to a bank or banks of payment for bonds or obligations issued or assumed by the district shall be deposited as received with the depository bank and shall remain on deposit; provided that nothing in this Act shall limit the power of the board to place a portion of such funds on time deposit or purchase certificates of deposit.

(b) Before the district deposits in any bank funds of the district in an amount which exceeds the maximum amount secured by the Federal Deposit Insurance Corporation, the bank shall be required to execute a bond or other security in an amount sufficient to secure from loss the district funds which exceed the amount secured by the Federal Deposit Insurance Corporation.

Sec. 13. (a) The board of directors shall annually levy a tax not to exceed the amount hereinabove permitted for the purpose of paying:

(1) the indebtedness assumed or issued by the district, but no tax shall be levied to pay principal of or interest on revenue bonds issued under the provisions of Section 9 of this Act; and

(2) the maintenance and operating expenses of the district.

(b) In setting the tax rate the board shall take into consideration the income of the district from sources other than taxation. On determination of the amount of tax required to be levied, the board shall make the levy and certify the same to the tax assessor-collector.

Sec. 13A. (a) Notwithstanding Section 26.07(b)(3), Tax Code, a petition to require an election under Section 26.07, Tax Code, on reducing the district's tax rate to the rollback tax rate shall be submitted to the county election administrator of Montgomery County instead of to the board of directors of the district.

(b) Notwithstanding Section 26.07(c), Tax Code, not later than the 20th day after the day a petition is submitted under Subsection (a) of this section, the county elections administrator shall:

(1) determine whether the petition is valid under Section 26.07, Tax Code; and

(2) certify the determination of the petition's validity to the board of directors of the district.

(c) If the county elections administrator fails to act within the time allowed, the petition is treated as if it had been found valid.

(d) Notwithstanding Section 26.07(d), Tax Code, if the county elections administrator certifies to the board of directors that the petition is valid or fails to act within the time allowed, the board of directors shall order that an election under Section

26.07, Tax Code, to determine whether to reduce the district's tax rate to the rollback rate be held in the district in the manner prescribed by Section 26.07(d) of that code.

(e) The district shall reimburse the county elections administrator for reasonable costs incurred in performing the duties required by this section.

Sec. 14. All bonds issued and indebtedness assumed by the district shall be and are hereby declared to be legal and authorized investments of banks, savings banks, trust companies, building and loan associations, savings and loan associations, insurance companies, trustees, and sinking funds of cities, towns, villages, counties, school districts, or other political subdivisions of the State of Texas, and for all public funds of the State of Texas or its agencies including the Permanent School Fund. Such bonds and indebtedness shall be eligible to secure deposit of public funds of the State of Texas and public funds of cities, towns, villages, counties, school districts, or other political subdivisions or corporations of the State of Texas and shall be lawful and sufficient security for said deposits to the extent of their value when accompanied by all unmatured coupons appurtenant thereto.

Sec. 15. (a) The district shall have the right and power of eminent domain for the purpose of acquiring by condemnation any and all property of any kind and character in fee simple, or any lesser interest therein, within the boundaries of the district necessary or convenient to the powers, rights, and privileges conferred by this Act, in the manner provided by the general law with respect to condemnation by counties; provided that the district shall not be required to make deposits in the registry of the trial court of the sum required by Paragraph 2 of Article 3268, Revised Civil Statutes of Texas, 1925, as amended, or to make bond as therein provided. In condemnation proceedings being

prosecuted by the district, the district shall not be required to pay in advance or give bond or other security for costs in the trial court, nor to give any bond otherwise required for the issuance of a temporary restraining order or a temporary injunction, nor to give bond for costs or for supersedeas on any appeal or writ of error.

(b) If the board requires the relocation, raising, lowering, rerouting, or change in grade or alteration in the construction of any railroad, electric transmission, telegraph or telephone lines, conduits, poles, or facilities or pipelines in the exercise of the power of eminent domain, all of the relocation, raising, lowering, rerouting, or changes in grade or alteration of construction due to the exercise of the power of eminent domain shall be the sole expense of the board. The term “sole expense” means the actual cost of relocation, raising, lowering, rerouting, or change in grade or alteration of construction to provide comparable replacement without enhancement of facilities, after deducting the net salvage value derived from the old facility.

(c) Land owned by the district may not be leased for a period greater than 25 years unless the board of directors:

- (1) funds that the land is not necessary for health care or hospital purposes;**
- (2) complies with any indenture securing the payment of bonds issued by the district; and**
- (3) receives on behalf of the district not less than the current market value for the lease.**

(d) Land of the district, other than land that the district is authorized to sell or exchange under Subsection (b) of Section 11 of this Act, may not be sold unless the board of directors complies with Section 272.002, Local Government Code.

Sec. 16. (a) The directors shall have the authority to levy taxes for the entire year in which the district is created as the result of the election herein provided. All taxes of the district shall be assessed and collected on county tax values as provided in Subsection (b) of this section unless the directors, by majority vote, elect to have taxes assessed and collected by its own tax assessor-collector under Subsection (c) of this section. Any such election may be made prior to December 1 annually and shall govern the manner in which taxes are subsequently assessed and collected until changed by a similar resolution. Hospital tax shall be levied upon all taxable property within the district subject to hospital district taxation.

(b) Under this subsection, district taxes shall be assessed and collected on county tax values in the same manner as provided by law with relation to county taxes. The tax assessor-collector of the county in which the district is situated shall be charged and required to accomplish the assessment and collection of all taxes levied by and on behalf of the district. The assessor-collector of taxes shall charge and deduct from payments to the hospital districts an amount as fees for assessing and collecting the taxes at a rate of one percent of the taxes assessed and one percent of the taxes collected but in no event shall the amount paid exceed \$5000 in any one calendar year. Such fees shall be deposited in the officers salary funds of the county and reported as fees of office of the county tax assessor-collector. Interest and penalties on taxes paid to the hospital district shall be the same as in the case of county taxes. Discounts shall be the same as allowed by the county. The residue of tax collections after deduction of discounts and fees for assessing and collecting shall be deposited in the district's depository. The bond of the county tax assessor-collector shall stand as security for the proper performance of his duties as assessor-collector of the

district, or if in the judgment of the district board of directors it is necessary, additional bond payable to the district may be required. In all matters pertaining to the assessment, collection, and enforcement of taxes for the district, the county tax assessor-collector shall be authorized to act in all respects according to the laws of the State of Texas relating to state and county taxes.

(c) Under this subsection, taxes shall be assessed and collected by a tax assessor-collector appointed by the directors, who shall also fix the term of his employment, compensation, and requirement for bond to assure the faithful performance of his duties, but in no event shall such bond be for less than \$5,000, or the district may contract for the assessment and collection of taxes as provided by the Tax Code.

Sec. 17. The district may employ fiscal agents, accountants, architects, and attorneys as the board may consider proper.

Sec. 18. Whenever a patient residing within the district has been admitted to the facilities of the district, the chief administrative officer may cause inquiry to be made as to his circumstances and those of the relatives of the patient legally liable for his support. If he finds that the patient or his relatives are able to pay for his care and treatment in whole or in part, an order shall be made directing the patient or his relatives to pay to the hospital district for the care and support of the patient a specified sum per week in proportion to their financial ability. The chief administrative officer shall have the power and authority to collect these sums from the estate of the patient or his relatives legally liable for his support in the manner provided by law for collection of expenses in the last illness of a deceased person. If the chief administrative officer finds that the patient or his relatives are not able to pay either in whole or in part for his care and treatment in the

facilities of the district, same shall become a charge on the hospital district as to the amount of the inability to pay. Should there be any dispute as to the ability to pay or doubt in the mind of the chief administrative officer, the board of directors shall hear and determine same after calling witnesses and shall make such order or orders as may be proper. Appeals from a final order of the board shall lie to the district court. The substantial evidence rule shall apply.

Sec. 19. (a) The district may sponsor and create a nonstock, nonmember corporation under the Texas Non-Profit Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes) and its subsequent amendments and may contribute or cause to be contributed available funds to the corporations.

(b) The funds of the corporations, other than funds paid by the corporation to the district, may be used by the corporation only to provide, to pay the costs of providing, or to pay the costs related to providing indigent health care or other services that the district is required or permitted to provide under the constitution or laws of this state. The board of directors of the hospital district shall establish adequate controls to ensure that the corporation uses its funds as required by this subsection.

(c) The board of directors of the corporation shall be composed of seven residents of the district appointed by the board of directors of the district. The board of directors of the district may remove any director of the corporation at any time with or without cause.

(d) The corporation may invest funds in any investment in which the district is authorized to invest funds of the district, including investments authorized by the Public Funds Investment Act of 1987 (Article 842a-2, Vernon's Texas Civil Statutes) and its subsequent amendments.

Sec. 20. After creation of the hospital district, no county, municipality, or political subdivision wholly or partly within the boundaries of the district shall have the power to levy taxes or issue bonds or other obligations for hospital or health care purposes or for providing medical care for the residents of the district. The hospital district shall assume full responsibility for the furnishing of medical and hospital care for its needy inhabitants. When the district is created and established, the county and all towns and cities located wholly or partly therein shall convey and transfer to the district title to all land, buildings, improvements, and equipment in anywise pertaining to a hospital or hospital system located wholly within the district which may be jointly or separately owned by the county or any city or town within the district. Operating funds and reserves for operating expenses which are on hand and funds which have been budgeted for hospital purposes by the county or any city or town therein for the remainder of the fiscal year in which the district is created shall likewise be transferred to the district, as shall taxes previously levied for hospital purposes for the current year, and all sinking funds established for payment of indebtedness assumed by the district.

Sec. 21. The support and maintenance of the hospital district shall never become a charge against or obligation of the State of Texas nor shall any direct appropriation be made by the legislature for the construction, maintenance, or improvement of any of the facilities of the district.

Sec. 22. In carrying out the purposes of this act, the district will be performing an essential public function, and any bonds issued by it and their transfer and the issuance therefrom, including any profits made in the sale thereof, shall at all times be free from taxation by the state or any municipality or political subdivision thereof.

Sec. 23. The legislature hereby recognizes there is some confusion as to the proper qualification of electors in the light of recent court decisions. It is the intention of this Act to provide a procedure for the creation of the hospital district and to allow the district, when created, to issue bonds payable from taxation, but that in each instance the authority shall be predicated on the expression of the will of the majority of those who cast valid ballots at an election called for the purpose. Should the body calling an election determine that all qualified electors, including those who own taxable property which has been duly rendered for taxation, should be permitted to vote at an election by reason of the aforesaid court decisions nothing herein shall be construed as a limitation on the power to call and hold an election; provided provision is made for the voting, tabulating, and counting of the ballots of the resident qualified property taxpaying electors separately from those who are qualified electors, and in any election so called a majority vote of the resident qualified property taxpaying voters and a majority vote of the qualified electors, including those who own taxable property which has been duly rendered for taxation, shall be required to sustain the proposition.

23A. (a) The board of directors may order an election on the question of dissolving the district and disposing of the districts assets and obligations.

(b) The election shall be held on the earlier of the following dates that occurs at least 90 days after the date on which the election is ordered:

- (1) the first Saturday in May; or**
- (2) the date of the general election for state and county officers.**

The notice shall be made:

- (1) by telephone not later than the 72nd hour after the provider determines the patient's county of residence; and
- (2) by mail postmarked not later than the fifth working day after the date on which the provider determines the patient's county of residence.

(c) If the provider knows that the patient's county of residence has selected a mandated provider or if, after contacting the patient's county of residence, that county requests that the patient be transferred to a mandated provider, the provider shall transfer the patient to the mandated provider unless it is medically inappropriate to do so.

(d) Not later than the 14th day after the date on which the patient's county of residence receives sufficient information to determine eligibility, the county shall determine if the patient is eligible for assistance from that county. If the county does not determine the patient's eligibility within that period, the patient is considered to be eligible. The county shall notify the provider of its decision.

(1) by any provider, including a public hospital or hospital district, to a resident of that county who resides in the service area of a public hospital or hospital district; or

(2)to an eligible resident of that county who does not reside within the service area of a public hospital or hospital district by a hospital having a Hill-Burton or state-mandated obligation to provide free services and considered to be in noncompliance with the requirements of the Hill-Burton or state-mandated obligation.

(b)To the extent prescribed by this chapter, if another source of payment does not adequately cover a health care service a county provides to an eligible county resident, the county shall pay for or provide the health care service for which other payment is not available.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989.

§ 61.036. DETERMINATION OF ELIGIBILITY FOR PURPOSES OF STATE ASSISTANCE.

(a)A county may not credit an expenditure made to assist an eligible county resident toward eligibility for state assistance under this subchapter unless the county complies with the department's application, documentation, and verification procedures.

(b)Except as provided by Section 61.023(b), a county may not credit an expenditure for an applicant toward eligibility for state assistance if the applicant does not meet the department's eligibility standards.

(c)Regardless of the application, documentation, and verification procedures or eligibility standards established by the department under Subchapter A, a county may credit an expenditure for an eligible resident toward eligibility for state assistance if the eligible resident received the health care services at a hospital maintained or operated by a state agency that has a contract with the county to provide health care services.

§ 61.037. COUNTY ELIGIBILITY FOR STATE ASSISTANCE.

(a)The department may distribute funds as provided by this subchapter to eligible counties to assist the counties in providing health care services under Sections 61.028 and 61.0285 to their eligible county residents.

(b)Except as provided by Subsection (c), (d), (e), or (g), to be eligible for state assistance, a county must:

(1)spend in a state fiscal year at least eight percent of the county general revenue levy for that year to provide health care services described by Subsection (a) to its eligible county residents who qualify for assistance under Section 61.023; and

(2) notify the department, not later than the seventh day after the date on which the county reaches the expenditure level, that the county has spent at least six percent of the applicable county general revenue levy for that year to provide health care services described by Subsection (a) to its eligible county residents who qualify for assistance under Section 61.023.

(c)If a county and a health care provider signed a contract on or before January 1, 1985, under which the provider agrees to furnish a certain level of health care services to indigent persons, the value of services furnished in a state fiscal year under the contract is included as part of the computation of a county expenditure under this section if the value of services does not exceed the payment rate established by the department under Section 61.006.

(d)If a hospital district is located in part but not all of a county, that county's appraisal district shall determine the taxable value of the property located inside the county but

outside the hospital district. In determining eligibility for state assistance, that county shall consider only the county general revenue levy resulting from the property located outside the hospital district. A county is eligible for state assistance if:

- (1) the county spends in a state fiscal year at least eight percent of the county general revenue levy for that year resulting from the property located outside the hospital district to provide health care services described by Subsection (a) to its eligible county residents who qualify for assistance under Section 61.023; and
- (2) the county complies with the other requirements of this subchapter.

(e) A county that provides health care services described by Subsection (a) to its eligible residents through a hospital established by a board of managers jointly appointed by a county and a municipality under Section 265.011 is eligible for state assistance if:

- (1) the county spends in a state fiscal year at least eight percent of the county general revenue levy for the year to provide the health care services to its eligible county residents who qualify for assistance under Section 61.052; and
- (2) the county complies with the requirements of this subchapter.

(f) If a county anticipates that it will reach the eight percent expenditure level, the county must notify the department as soon as possible before the anticipated date on which the county will reach the level.

(g) The department may waive the requirement that the county meet the minimum expenditure level imposed by Subsection (b), (d), or (e) and provide state assistance under this chapter at a lower level determined by the department if the county demonstrates, through an appropriate actuarial analysis, that the county is unable to satisfy the eight percent expenditure level:

- (1) because, although the county's general revenue tax levy has increased significantly, expenditures for health care services described by Subsection (a) have not increased by the same percentage;
- (2) because the county is at the maximum allowable ad valorem tax rate, has a small population, or has insufficient taxable property; or
- (3) because of a similar reason.

(h) The department shall adopt rules governing the circumstances under which a waiver may be granted under Subsection

(g) and the procedures to be used by a county to apply for the waiver. The procedures must provide that the department shall make a determination with respect to an application for a waiver not later than the 90th day after the date the application is submitted to the department in accordance with the procedures established by the department. To be eligible for state assistance under Subsection (g), a county must submit monthly financial reports, in the form required by the department, covering the 12-month period preceding the date on which the assistance is sought.

(i)The county must give the department all necessary information so that the department can determine if the county meets the requirements of Subsection (b), (d), (e), or (g).

§ 61.038. DISTRIBUTION OF ASSISTANCE FUNDS.

(a)If the department determines that a county is eligible for assistance, the department shall distribute funds appropriated to the department from the indigent health care assistance fund or any other available fund to the county to assist the county in providing health care services under Sections 61.028 and 61.0285 to its eligible county residents who qualify for assistance as described by Section 61.037.

(b)State funds provided under this section to a county must be equal to at least 90 percent of the actual payment for the health care services for the county's eligible residents during the remainder of the state fiscal year after the eight percent expenditure level is reached.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1999, 76th Leg., ch. 272, Sec. 2, eff. May 28, 1999; Acts 1999, 76th Leg., ch. 1377, Sec. 1.14, eff. Sept. 1, 1999.

§ 61.039. FAILURE TO PROVIDE STATE ASSISTANCE.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1999, 76th Leg., ch. 1377, Sec. 1.14, eff. Sept. 1, 1999.

§ 61.0395. LIMITED TO APPROPRIATED FUNDS.

(a)The total amount of state assistance provided to counties under this chapter for a fiscal year may not exceed the amount appropriated for that purpose for that fiscal year.

(b)The department may adopt rules governing the distribution of state assistance under this chapter that establish a maximum annual allocation for each county eligible for assistance under this chapter in compliance with Subsection (a).

(c)The rules adopted under this section:

(1) may consider the relative populations of the service areas of eligible counties and other appropriate factors; and

(2) notwithstanding Subsection (b), may provide for, at the end of each state fiscal year, the reallocation of all money that is allocated to a county under Subsection (b) but that the county is not eligible to receive and the distribution of that money to other eligible counties.

§ 61.041. COUNTY REPORTING.

(a)The department shall establish monthly reporting requirements for a county seeking state assistance and establish procedures necessary to determine if the county is eligible for state assistance.

(b)The department shall establish requirements relating to:

(1) documentation required to verify the eligibility of residents to whom the county provides assistance; and

(2) county expenditures for health care services under Sections 61.028 and 61.0285.

(c)The department may audit county records to determine if the county is eligible for state assistance.

(d)The department shall establish annual reporting requirements for each county that is required to provide indigent health care under this chapter but that is not required to report under Subsection (a). A county satisfies the annual reporting requirement of this subsection if the county submits information to the department as required by law to obtain an annual distribution under the Agreement Regarding Disposition of Settlement Proceeds filed on July 24, 1998, in the United States District Court, Eastern District of Texas, in the case styled The State of Texas v. The American Tobacco Co., et al., No. 5-96CV-91.

§ 61.044. SUBROGATION.

An applicant or eligible resident shall inform the county as required by this subsection within 10 days of the date the person learns of the person's insurance coverage, tort claim, or potential cause of action.

(c)A claim for damages for personal injury does not constitute grounds for denying or discontinuing services under this chapter.

(1) is owned, operated, or leased by a municipality with a population of less than 5,500;

(b) If a public hospital used an income and resources standard during the operating year that ended before January 1, 1985, that was less restrictive than the income and resources

requirements established by the department under Section 61.006, the hospital shall adopt that standard to determine eligibility under this subchapter.

(c) If a public hospital did not use an income and resources standard during the operating year that ended before January 1, 1985, but had a Hill-Burton obligation during part of that year, the hospital shall adopt the standard the hospital used to meet the Hill-Burton obligation to determine eligibility under this subchapter.

(a)Except as provided by Subsection (b), a hospital district shall endeavor to provide the basic health care services a county is required to provide under Section 61.028, together with any other services required under the Texas Constitution and the statute creating the district.

(b)A hospital district shall coordinate the delivery of basic health care services to eligible residents and may provide any basic health care services the district was not providing on January 1, 1999, but only to the extent the district is financially able to do so.

(c)This section may not be construed to discharge a hospital district from its obligation to provide the health care services required under the Texas Constitution and the statute creating the district.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1999, 76th Leg., ch. 1377, Sec. 1.19, eff. Sept. 1, 1999.

§ 61.056. PROVISION OF HEALTH CARE SERVICES.

(a)A public hospital or hospital district may arrange to provide health care services through a local health department, a publicly owned facility, or a contract with a private provider regardless of the provider's location, or through the purchase of insurance for eligible residents.

(b)The public hospital or hospital district may affiliate with other public hospitals or hospital districts or with a governmental entity to provide regional administration and delivery of health care services.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989.

§ 61.057. MANDATED PROVIDER.

A public hospital may select one or more providers of health care services. A public hospital may require eligible residents to obtain care from a mandated provider except:

- (1) in an emergency;
- (2) when medically inappropriate; or
- (3) when care is not available.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989.

§ 61.058. NOTIFICATION OF PROVISION OF NONEMERGENCY SERVICES.

(a)A public hospital may require any provider, including a mandated provider, to obtain approval from the hospital before providing nonemergency health care services to an eligible resident in the hospital's service area.

(b)If the public hospital does not require prior approval and a provider delivers or will deliver nonemergency health care services to a patient who the provider suspects might be eligible for assistance under this subchapter, the provider shall notify the hospital that health care services have been or will be provided to the patient. The notice shall be made:

- (1) by telephone not later than the 72nd hour after the provider determines that the patient resides in the hospital's service area; and
- (2) by mail postmarked not later than the fifth working day after the date on which the provider determines that the patient resides in the hospital's service area.

(c)If the provider knows that the public hospital serving the area in which the patient resides has selected a mandated provider or if, after contacting the hospital, the hospital requests that the patient be transferred to a mandated provider, the provider shall transfer the patient to the mandated provider unless it is medically inappropriate to do so.

(d)Not later than the 14th day after the date on which the public hospital receives sufficient information to determine eligibility, the hospital shall determine if the patient is

eligible for assistance from the hospital. If the hospital does not determine the patient's eligibility within that period, the patient is considered to be eligible. The hospital shall notify the provider of its decision.

(e) If a provider delivers nonemergency health care services to a patient who is eligible for assistance under this subchapter and fails to comply with this section, the provider is not eligible for payment for the services from the public hospital serving the area in which the patient resides.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1999, 76th Leg., ch. 1377, Sec. 1.20, eff. Sept. 1, 1999.

§ 61.059. NOTIFICATION OF PROVISION OF EMERGENCY SERVICES.

(a) If a nonmandated provider delivers emergency services to a patient who the provider suspects might be eligible for assistance under this subchapter, the provider shall notify the hospital that emergency services have been or will be provided to the patient. The notice shall be made:

(1) by telephone not later than the 72nd hour after the provider determines that the patient resides in the hospital's service area; and

(2) by mail postmarked not later than the fifth working day after the date on which the provider determines that the patient resides in the hospital's service area.

(b) The provider shall attempt to determine if the patient resides in a public hospital's service area when the patient first receives services.

(c) The provider, the patient, and the patient's family shall cooperate with the public hospital in determining if the patient is an eligible resident of the hospital's service area.

(d) Not later than the 14th day after the date on which the public hospital receives sufficient information to determine eligibility, the hospital shall determine if the patient is eligible for assistance from the hospital. If the hospital does not determine the patient's eligibility within that period, the patient is considered to be eligible. The hospital shall notify the provider of its decision.

(e) If the public hospital and the provider disagree on the patient's residence or eligibility, the hospital or the provider may submit the matter to the department as provided by Section 61.004.

(f) If a provider delivers emergency services to a patient who is eligible for assistance under this subchapter and fails to comply with this section, the provider is not eligible for payment for the services from the public hospital serving the area in which the patient resides.

(g) If emergency services are customarily available at a facility operated by a public hospital, that hospital is not liable for emergency services furnished to an eligible resident by another provider in the area the hospital has a legal obligation to serve.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1999, 76th Leg., ch. 1377, Sec. 1.21, eff. Sept. 1, 1999;

§ 61.060. PAYMENT FOR SERVICES.

(a) To the extent prescribed by this chapter, a public hospital is liable for health care services provided under this subchapter by any provider, including another public hospital, to an eligible resident in the hospital's service area. A public hospital is not liable for payment for health care services provided to:

- (1) a person who does not reside in the hospital's service area; or
- (2) an eligible resident of the hospital's service area by a hospital having a Hill-Burton or state-mandated obligation to provide free services and considered to be in noncompliance with the requirements of the Hill-Burton or state-mandated obligation.

(b) A hospital district is liable for health care services as provided by the Texas Constitution and the statute creating the district.

(c) A public hospital is the payor of last resort under this subchapter and is not liable for payment or assistance to an eligible resident in the hospital's service area if any other public or private source of payment is available.

(d) If another source of payment does not adequately cover a health care service a public hospital provides to an eligible resident of the hospital's service area, the hospital shall pay for or provide the health care service for which other payment is not available.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989.

§ 61.061. PAYMENT RATES AND LIMITS.

The payment rates and limits prescribed by Sections 61.034 and 61.035 that relate to county services apply to inpatient and outpatient hospital services a public hospital is required to provide if:

- (1) the hospital cannot provide the services or emergency services that are required; and
- (2) the services are provided by an entity other than the hospital.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989.

§ 61.062. RESPONSIBILITY OF GOVERNMENTAL ENTITY.

A governmental entity that owns, operates, or leases a public hospital shall provide sufficient funding to the hospital to provide basic health care services.

§ 61.063. PROCEDURE TO CHANGE ELIGIBILITY STANDARDS OR SERVICES PROVIDED.

(a)A public hospital may not change its eligibility standards to make the standards more restrictive and may not reduce the health care services it offers unless it complies with the requirements of this section.

(b)Not later than the 90th day before the date on which a change would take effect, the public hospital must publish notice of the proposed change in a newspaper of general circulation in the hospital's service area and set a date for a public hearing on the change. The published notice must include the date, time, and place of the public meeting. The notice is in addition to the notice required by Chapter 551, Government Code.

(c)Not later than the 30th day before the date on which the change would take effect, the public hospital must conduct a public meeting to discuss the change. The meeting must be held at a convenient time in a convenient location in the hospital's service area. Members of the public may testify at the meeting.

(d)If, based on the public testimony and on other relevant information, the governing body of the hospital finds that the change would not have a detrimental effect on access to health care for the residents the hospital serves, the hospital may adopt the change. That finding must be formally adopted.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1995, 74th Leg., ch. 76, Sec. 5.95(82), eff. Sept. 1, 1995.

§ 61.064. TRANSFER OF A PUBLIC HOSPITAL.

(a)A governmental entity that owns, operates, or leases a public hospital and that closes, sells, or leases the hospital:

- (1) has the obligation to provide basic health care services under this chapter;
- (2) shall adopt the eligibility standards that the hospital was or would have been required to adopt; and
- (3) shall provide the same services the hospital was or would have been required to provide under this chapter on the date of the closing, sale, or lease.

(b)If the governmental entity owned, operated, or leased the public hospital before January 1, 1985, and sold or leased the hospital on or after that date but before September 1, 1986, the obligation retained is the obligation the hospital would have had on September 1, 1986.

(c)Notwithstanding Subsections (a) and (b), if a hospital district that owns, operates, or leases a public hospital dissolves, the district has no responsibility under this chapter.

If on or before dissolution the district sold or transferred its hospital to another governmental entity, that governmental entity assumes the district's responsibility to provide health care services in accordance with this subchapter. If the district did not sell or transfer the hospital to another governmental entity, the county shall provide health care services to the residents of the district's service area in accordance with Subchapter B.

(d) This section does not apply to a governmental entity that sold or leased a public hospital to a hospital district or a hospital authority on or after January 1, 1985, but before September 1, 1986. If a governmental entity sold or leased a hospital as provided by this subsection, the hospital ceased being a public hospital for the purposes of this chapter on the date it was sold or leased, and neither the governmental entity nor the hospital district or hospital authority has any responsibility under this chapter.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1999, 76th Leg., ch. 1377, Sec. 1.23, eff. Sept. 1, 1999.

(a) This section applies to a county that, on or after January 1, 1988, sells to a purchaser that is not a governmental entity a county hospital that was leased at the time of the sale to a person who is not a governmental entity.

(b) On the date the hospital is sold, the hospital ceases being a public hospital for the purposes of this chapter, and the county shall provide health care services to county residents in accordance with Subchapter B.

(c) If the contract for the sale of the hospital provides for the provision by the hospital of health care services to county residents, the value of the health care services credited or paid in a state fiscal year under the contract is included as part of the computation of a county expenditure under Section 61.037 to the extent that the value of the services does not exceed the payment standard established by the department for allowed inpatient and outpatient services.

Added by Acts 1989, 71st Leg., ch. 1100, Sec. 5.10(c), eff. Sept. 1, 1989.

§ 61.066. PREVENTION AND DETECTION OF FRAUD.

(a) A hospital district may adopt reasonable procedures for minimizing the opportunity for fraud, for establishing and maintaining methods for detecting and identifying situations in which a question of fraud may exist, and for administrative hearings to be conducted on disqualifying persons in cases where fraud appears to exist.

(b) Procedures established by a hospital district for administrative hearings conducted under this section shall provide for appropriate due process, including procedures for appeals.

(1) Assets--All items of monetary value owned by an individual.

(2) Resources--Both liquid and non-liquid assets a person can convert to meet his immediate needs. As established by the department, resources are either countable or exempt.

(A) Liquid resources are resources that are readily negotiable, such as cash, checking or savings accounts, savings certificates, stocks, or bonds.

(3) Accessible resource--A resource that is legally available to the household.

(2) a county must consider as a resource the fair market value of a vehicle that is in excess of the amount exempt under department-established guidelines;

(3) if, within three months before application or any time after certification, the household transfers title of a countable resource for less than its fair market value to

qualify for assistance, the county must consider the household ineligible for the department-established length of time. This penalty applies if the total of the transferred resource added to other resources affects eligibility for assistance;

(4) a county must consider as a resource real property other than a homestead and must count that property in determining eligibility; and

(5) a county may disregard the applicant's real property if the applicant agrees to an enforceable obligation to reimburse the county for all or part of the benefits received under the County Indigent Health Care Program. The county and the applicant may negotiate the terms of the obligation.

AGREEMENT FOR ENROLLMENT OF COUNTY INMATES INTO
MONTGOMERY COUNTY HOSPITAL DISTRICT'S HEALTHCARE
ASSISTANCE PROGRAM

This Agreement is made and entered into this the 11 day of November,
2002, by and between the County of Montgomery, a governmental subdivision of the
State of Texas, (hereinafter "the County") and the Montgomery County Hospital District,
a governmental subdivision of the State of Texas created pursuant to Acts of the 65th
Legislature, Regular Session, 1977, Chapter 258, as amended (hereinafter "the MCHD").

WITNESSETH

WHEREAS, the County operates a county jail and provides law enforcement
services; and

WHEREAS, County jail inmates and detainees have the need for occasional
medical treatment beyond that which jail personnel are qualified to administer; and

WHEREAS, many County inmates and detainees at the County jail qualify under
the financial and other criteria of the Montgomery County Hospital District Public
Assistance Program (hereinafter "Hospital District Public Assistance Program") as
indigent persons; and

WHEREAS, the MCHD was created and enacted for the purpose of providing
healthcare services to the needy or indigent citizens of Montgomery County; and

WHEREAS, the MCHD is the only local governmental entity with the power to
levy taxes, issue bonds or other obligations for hospital or health care purposes or for
providing medical care for the residents of Montgomery County; and

WHEREAS, providing for the healthcare needs of the citizens in Montgomery
County is MCHD's primary mission; and

WHEREAS, the County is authorized to provide minor medical treatment for inmates and the MCHD is authorized to provide the indigent healthcare services contemplated by this Agreement, both the County and the MCHD have appropriated sufficient funds which are currently available to carry out their respective obligations contemplated herein.

NOW, THEREFORE, for and in consideration of the mutual covenants, considerations and undertakings herein set forth, it is agreed as follows:

I.
ENROLLMENT INTO HOSPITAL DISTRICT PUBLIC ASSISTANCE PROGRAM

A. The County shall utilize its best efforts to promptly notify the authorized representatives of the MCHD that a County inmate needing medical treatment may qualify under the Hospital District Public Assistance Program. The County shall make available to County inmates such forms and instructions necessary to enroll in the Hospital District Public Assistance Program, and shall forward such enrollment materials to MCHD for evaluation.

B. Upon receipt of such enrollment materials, MCHD shall promptly interview such inmate(s) for purposes of qualifying such inmate(s) for the Hospital District Public Assistance Program. In this regard, MCHD agrees to deem Montgomery County, Texas as the place of residence for any County inmate(s) housed in the Montgomery County jail. Upon obtaining satisfactory proof that such inmate(s) qualify under the Hospital District Public Assistance Program, MCHD shall enroll such inmate(s) into such program and place such inmate(s) on its rolls as eligible for healthcare services under such program. MCHD agrees to abide by its criteria and policies regarding eligibility for the

Hospital District Public Assistance Program and to not unreasonably withhold approval of an indigent inmate eligible under the program.

C. MCHD agrees to provide for the health care and medical treatment of Montgomery County jail inmates that are enrolled in the Hospital District's Public Assistance Program. For those County inmates whose medical treatment is provided by Conroe Regional Medical Center, MCHD agrees that the effective date of coverage under the Hospital District Public Assistance program for such services is the first day of the month in which the inmate is enrolled in the Hospital District Public Assistance Program. For those County inmates whose medical treatment is provided by a provider other than Conroe Regional Medical Center, the parties agree that the effective date of coverage under the Hospital District Public Assistance program for such services is the actual date of enrollment into the program.

D. If treatment at a specialty healthcare provider located outside Montgomery County is medically necessary, the County shall notify MCHD of such need as soon as reasonably possible, not later than the close of business the first day following the incident giving rise to the medical necessity. If treatment is sought at a local healthcare provider such as Conroe Regional Medical Center, and the primary care physician at the local healthcare provider determines additional treatment is necessary by an out of county provider, then any notice requirements set forth herein shall be the responsibility of the healthcare provider and/or primary care physician, as per existing Hospital District Public Assistance Program guidelines and policies. MCHD shall honor and abide by all of the provisions of the Indigent Care and Treatment Act, (Chapter 61 Texas Health & Safety Code) with respect to payment for healthcare services provided to enrolled inmates by a healthcare provider located outside the County. Notwithstanding the foregoing, pursuant

to Chapter 61 of the Texas Health & Safety Code, MCHD shall be responsible for the provision of emergency medical services provided to a County inmate or detainee who is not previously enrolled, but who at the time of their injury qualifies under MCHD's enrollment criteria, exclusive of residency.

E. The County shall remain responsible for medical care and treatment of county inmates who do not qualify for the Hospital District Public Assistance Program. MCHD shall not be responsible for treatment or payment for healthcare services provided to County inmates who are not enrolled in the Hospital District Public Assistance Program, or to State or Federal inmates (including INS detainees) incarcerated in the County jail. For purposes of this Agreement, a State or Federal inmate (including I.N.S. detainees) is a person incarcerated in the county jail through a contract with a state or federal governmental agency, but shall not include a County inmate who is awaiting criminal proceedings on local, state or federal charges, or a combination thereof.

F. The County shall reimburse MCHD for any medical expenses that the District incurred or expended on behalf of an indigent inmate or detainee housed at the county jail that resulted from conduct or conditions for which the County or its employees would be responsible in a civil action at law, exclusive of any affirmative defenses of governmental and/or official immunity. Should the County deny responsibility for any such claims, the County Judge, the Sheriff and the Chief Executive Officer of MCHD shall meet to discuss the facts of such claims and the underlying responsibility therefor. Any agreement(s) reached at such meeting shall be recommended by such persons to their respective governing boards for approval. Should the parties be unable to reach agreement as to financial responsibility, the dispute will be submitted to binding

arbitration. The prevailing party in such arbitration shall be entitled to recover its reasonable attorneys fees.

G. The County shall provide prompt written notification to MCHD in the event an enrolled inmate is transferred to another detention facility, or is released from the County jail, so that MCHD may revise its records to delete such inmate from its Public Assistance program.

H. In the event any portion of this agreement conflicts with the Texas Health and Safety Code, or the Montgomery County Hospital District Enabling Act, or any other applicable statutory provision, then said statutory provisions shall prevail.

I. Any provision of this agreement which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof.

J. No provision herein nor any obligation created hereunder should be construed to impose any obligation or confer any liability on either party for claims of any non-signatory party; further, it is expressly agreed by the parties hereto that other than those covenants contained in section I (F), no provision herein is intended to affect any waiver of liability or immunity from liability to which either party may be entitled by laws affecting governmental entities.

II. LIABILITY

To the extent allowed by law, it is agreed that the MCHD agrees to indemnify and hold harmless the County for any acts or omissions associated with any medical treatment that the MCHD provides through its Health Care Assistance Program in accordance with this Agreement.
