VENDOR COMPLIANCE TO STATE LAW

The Texas Legislature passed House bill 620 (now Chapter 2252 of Texas Government code) relative to the award of contracts to non-resident bidders (out-of-state contractors whose corporate offices or principal place of business are outside of the state of Texas). This law provides that, in order to be awarded a contract as low bidder, a non-resident bidder's response for construction, improvements, supplies or services in Texas be bid in amount lower than the lowest Texas resident bidder by the same amount that a Texas resident bidder would be required to underbid a non-resident bidder in order to obtain a comparable contract in the state in which the non-resident's principal place of business is located.

NON-RESIDENT BIDDERS;

The appropriate blanks must be filled out by all out-of-state or non-resident bidders in order for such bid to meet specifications. The failure of out-of-state or non-resident contractor to do so will automatically disqualify that bidder.

1. Non-resident vendors in \_\_\_\_\_ (give state), our principal place of business are required to be \_\_\_\_\_ percent lower than resident bidders by state law. Please attach a copy of that statute.

2. Non-resident vendors in \_\_\_\_\_ (give state), our principal place of business, are not required to underbid resident bidders.

**PERFORMANCE**

Local Sources: Consideration may be given to local bidders for services and local stocks when evaluating bids, but only to the extent allowed by law. This consideration will be commensurate with the economic benefits provided to MCHD when making such purchases.

Texas Resident Bidders: Except for contracts involving federal forms, a contract may not be awarded to a non-resident out-of-state bidder unless a non-resident's bid is lower than the lowest bid submitted by a responsible Texas resident bidder by the same amount that the Texas resident bidder would be required to underbid a non-resident bidder to obtain a comparable contract in the state in which the non-resident's principle place of business is located. This does not apply in circumstances where non-resident bidder is owned by a majority owner or a parent company with its principle place of business in the Texas Government Code, Chapter 2252 relating to bids by non-resident bidders.

**ALL BIDS MUST BE SIGNED BY HAND IN THE SPACE MARKED "SIGNATURE"**

Firm Prices: Unless otherwise stated in the specification all prices will be considered firm for acceptance within sixty days of bid opening. Any exception to this must be so stated on face of offer.

Lowest and Best Price: Quote your lowest and best net price, F.O.B., destination freight pre-paid, unless specified otherwise, on each item. If delivery and shipping quantities affect unit bid price, multiple bids may be made to indicate "at price break" quantities in order for MCHD to determine maximum economic benefits. Pricing discount should include packaging and shipping costs unless otherwise specified. Pricing should always be entered on the bid form in ink or typewritten and total must be entered in the TOTAL NET PRICE columns. In case of discrepancy between unit price and extended price, the unit price will be presumed to be correct.

Early Payment Discounts: MCHD does consider all early payment discounts in computing the low bid. MCHD encourages vendors to offer early payment cash discounts.

All Offers Must Be Firm: If the bidder believes it necessary to base price on a price adjustment factor, such an offer ???(incomplete sentence)  
May be considered but only as an alternate offer unless the invitation indicates otherwise.

Shipping Charges: If the quoted net price does not include shipping charges, such charges must be itemized separately if bid is based on F.O.B destination. Preference will be given when prices quoted are F.O.B, delivered with all shipping charges prepaid. Unless otherwise stated all items shall be considered as F.O.B delivered.

Prices should be itemized: MCHD reserves the right to award by item or lot.

Taxes: MCHD is exempt and does not pay Federal Excise Tax, Texas state land local retail sales, tax, or certain use taxes. In addition the County is exempt from Texas diesel fuel and gasoline "highway use" taxes and gasoline "off highway use" tax.

Partial Bid Items: Bidders may submit bids on one or all solicited items. A bid on only a partial quantity of a Solicited item, however, will be considered as alternate bid.

Delivery: Time, as stated in number of days, must include Saturdays, Sundays, and holidays. Time of delivery is part of the bid and is of the essence. The required delivery date indicated is at the point of designation. If the requested date cannot be met or the date is not indicated in the bid invitation, you should state your best delivery time.

Alternate bids: If the invitation requests a brand name or “buyer approved equal”, the bidder may offer an “equal” Product as an alternate bid. Final determination of “approved-equal” remains with MCHD. Any Catalog or manufacturer’s reference in this proposal is descriptive, but not restrictive, and is used only to indicate type and grade. Other items of similar and equal quality will be considered provided the respondent state on the face of the proposal exactly what is intended to be furnished. Otherwise the bidder will be required to furnish the items as specified on the proposal.

Acknowledgement of Amendments: Any changes, additions, or clarifications to bid requests are made by amendments (addenda). The addends are sent to all bidders on our vendor register, and must be acknowledged upon receipt. This is done by signing the addendum, and returning it with the completed Request for Bid for when the sealed bid is submitted.

Partial Awards: Unless the bid document specifies otherwise, Montgomery County Hospital District may award a contract for any item or group of items shown on the bid request.

Reservations: MCHD expressly reserves the right to:

- Waive as an informality, minor deviations from specification and amend bid specifications through written agenda.
- Waive any defect, irregularity of informality in any offer of solicitation procedures.
- Reject any, all, or portions of a bid.
- Reissue a bid request.
- Extend the bid opening time and date.
- Procure any items by other means.
- Increase or decrease the quantity specified in the bid invitation, unless the bid specified otherwise
- Consider and accept an alternate offer when it is in the best interests of MCHD.
- To seek and obtain its own financing arrangements with one or more financing entities of MCHD choice.
- Extend the contracted price to future purchases over the next one (1) year(s). Percentage increases may be specified by bidder or negotiated at a later date.
