GIS Services Project Agreement

This Project Agreement is made by and between Montgomery County Hospital District organized under the laws of the state of Texas, and Geo-Comm, Inc ("GeoComm") a Minnesota corporation with its principal offices at 601 West St. Germain Street, St. Cloud, MN, 56301.

In this agreement the party who is contracting to receive the professional services shall be referred to as "the Customer" and the party who will be providing the services shall be referred to as "GeoComm."

GeoComm has an established background in communications engineering, geographic information systems development, cartography, software development, and professional project management and is willing to provide those services to the Customer based on this background.

The Customer desires to have services provided by GeoComm. Therefore, the parties agree as follows:

Section 1 - Description of Service

Beginning upon contract signing GeoComm will provide the following goods and services (collectively the Services): Refer to the itemized Exhibits herein and made part of this agreement:

- GIS Map Data Maintenance – one year
- One-time Surrounding County Addition
- Project Management

Section 2 - Payment

The Customer will pay a fee to GeoComm of $39,102.30 for services as described in this agreement and provided under this agreement by GeoComm. The Customer agrees to pay GeoComm on the following schedule:

$ 19,551.15  50% invoiced net 45 upon contract signing
$ 19,551.15  50% invoiced net 45 six months after contract signing

Section 3 - Late Payment Fee

All invoices issued under this contract shall be submitted to the Customer net 45 days. A 1.5% service charge shall be assessed to all invoices not paid within 45 calendar days from date of invoice.

Section 4 - Expense Reimbursement

GeoComm shall pay all "out-of-pocket" expenses and shall not be entitled to reimbursement from the Customer except by mutual prior agreement.

Section 5 - Performance of Services

GeoComm will work as many hours as is necessary to fulfill its obligations under this agreement.
Section 6 - Standards of Work

GeoComm agrees that the performance of work described in this Agreement and pursuant to this Agreement shall be done in a professional manner and shall conform to employ the care and skill ordinarily used by members of GeoComm's profession. GeoComm warrants that all equipment and/or software provided under this Agreement shall be new and in good working condition. All packaging and packing shall be in accordance with good commercial practice.

Section 7 - Changes in the Work

The Customer may, at any time by written order, make changes within the general scope of the work including but not limited to, revisions of, additions to, or subtractions from, portions of the work, or changes in method of shipment or packaging and place of delivery.

If any change order causes an increase or decrease in the cost of or time required for the performance of any part of the work under this Agreement, an adjustment based on the exhibits, shall be made in the Agreement price or delivery schedule, or both, and the Agreement shall be modified in writing accordingly.

Section 8 - Excusable Delays

Neither GeoComm nor the Customer shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties.

Section 9 - Taxes

The Customer may be a taxing authority may be excluded from paying Federal, State, or Local excises, sales, lease, gross income, service, rental, use, property, occupation, or similar taxes. If GeoComm is required to pay taxes of the Customer, the Customer shall pay to GeoComm the amount of such taxes no later than thirty (30) days after receipt of an invoice.

Section 10 - Limitation of Liability

To the fullest extent permitted by applicable law, and notwithstanding any other provision of this Agreement, the total liability, in the aggregate, of GeoComm and GeoComm's officers, directors, partners, employees and sub-consultants, and any of them, to the Customer and anyone claiming by or through the Customer, for any and all claims, losses, costs or damages, including attorneys' fees and costs of any nature whatsoever or expenses resulting from or in any way related to this agreement, including the products and services delivered by GeoComm hereunder or the use thereof by Customer, shall not exceed the total compensation received by GeoComm in project fees under this Agreement. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising, unless otherwise prohibited by applicable law.

Section 11 - Termination

Either party, upon thirty (30) days written notice to the other party, may terminate this Agreement for violation of the material terms of this Agreement and failure to cure any deficiency within a reasonable time after notice thereof. In the event of termination for just cause by the Customer, GeoComm shall refund all amounts received to that point. In the event of termination for just cause by GeoComm, the Customer shall forfeit any funds paid and return any software and hardware received.
Section 12 - Relationship of Parties
The parties understand that GeoComm is an independent contractor and not an employee of the Customer. The Customer will not provide fringe benefits, including health insurance benefits, paid vacation, or any other employee benefit for the benefit of GeoComm as a function of this agreement.

Section 13 - Disclosure
GeoComm is required to disclose any outside activities or interests, including ownership or participation in the development of prior inventions, that conflict or may conflict with the best interests of the Customer. Prompt disclosure is required under this paragraph if the activity or interest is related, directly or indirectly, to any activity that GeoComm may be involved with or on behalf of the Customer.

Section 14 - Employees
GeoComm's employees and agents, if any, who perform services for the Customer under this Agreement shall also be bound by the provisions of this agreement.

Section 15 - Injuries
GeoComm acknowledges its obligation to obtain appropriate insurance coverage for the benefit of GeoComm and its employees. GeoComm waives any rights to recover damages from the Customer for any injuries that GeoComm and/or its employees may sustain while performing services under this agreement and that are in any way a result of the negligence of GeoComm or its employees or agents.

Section 16 - Insurance
GeoComm shall obtain liability insurance for both personal injury and property damage. Any policy obtained and maintained under this clause shall provide that it shall not be cancelled, materially changed, or not renewed without thirty days prior notice thereof to the Customer.

Minimum limits for GeoComm liability insurance shall be in the amount of $1,500,000.00 for any number of claims arising out of a single occurrence under a single limit or combined limit or excess umbrella general liability insurance policy. GeoComm shall additionally obtain Worker's Compensation Insurance extending coverage to all its employees.

Section 17 - Data Confidentiality
GeoComm agrees to review, examine, inspect, or obtain Customer data only for the purposes described in this agreement and to at all times hold such information confidential. The obligation to protect the confidentiality of confidential information disclosed to the other party shall extend for a period of five (5) years following disclosure and shall survive early termination of this Agreement.

Section 18 - Records Retention and Availability
GeoComm agrees that the Customer, the State Auditor, or any of their duly authorized representatives at any time during normal business hours and as often as they may reasonably deem necessary shall have access to and the right to examine, audit, excerpt, and transcribe any books, documents, papers, records, etc., which are pertinent to the accounting practices and procedures of GeoComm and involve transactions relating to this Agreement.
GeoComm agrees to maintain these records for a period of six (6) years from the date of termination of this Agreement.

Section 19 - Ownership

It is agreed by and between the parties that all products created as a result of this contract will be the sole property of the Customer. With the exception of the GeoComm's proprietary software products, all products created and delivered under this agreement may be used, altered, and distributed at the Customer's discretion.

Section 20 - Nondiscrimination

During the performance of this contract, GeoComm agrees as follows:

a) GeoComm shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. GeoComm agrees to post in conspicuous places, available to employees and applicants for employment, notices setting the provisions of this nondiscrimination clause.

b) GeoComm, in all solicitations or advertisements for employees placed by or on behalf of GeoComm, shall state that such contractor is an equal opportunity employer.

c) Notices, advertisements, and solicitations placed in accordance with federal law, rule, or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

d) GeoComm shall include the provisions of the foregoing paragraphs of this section in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

Section 21 - Drug-Free Workplace to be maintained by the Contractor

During the performance of this contract, GeoComm agrees as follows:

a) GeoComm shall provide a drug-free workplace for all of their employees. GeoComm agrees to post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the workplace and specify the actions that will be taken against employees for violations of this prohibition.

b) GeoComm, in all solicitations or advertisements for employees placed by or on behalf of GeoComm, shall state that such contractor maintains a drug-free workplace.

c) Notices, advertisements, and solicitations placed in accordance with federal law, rule, or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

GeoComm shall include the provisions of the foregoing paragraphs of this section in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.
Section 22 - Assignment
GeoComm's obligations under this Agreement may not be assigned or transferred to any other person, firm, or corporation without the prior written consent of the Customer.

Section 23 - Notices
All notices required or permitted under this agreement shall be in writing and shall be deemed delivered in person or deposited in the United States mail, postage prepaid, addressed as follows. Either party may change such address from time to time by providing written notice to the other in the manner set forth above.

This Agreement may not be modified or amended unless the amendment is made in writing and is signed by both parties.

Section 26 - Severability
If any provision of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this agreement is invalid or unenforceable, but that by limiting such provision it becomes valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

Section 27 - Waiver of Contractual Right
The failure of either party to enforce any provision of this Agreement shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Agreement.
Section 28 - Laws to be Observed

GeoComm shall keep fully informed of all Federal and state laws, all regulations pertaining to the Occupational and Safety Hazards Act (OSHA), all local laws, ordinances and regulations, and all orders and decrees of bodies and tribunals having any jurisdiction or authority, which in any manner affect the conduct of work.

Section 29 - Applicable Law

If there is any dispute concerning this agreement, the laws of the state of Texas shall apply. Proper venue and jurisdiction for all lawsuits, claims, disputes, and other matters in questions between the parties to this agreement or any breach thereof shall be in the state of Texas.

GeoComm’s contract number for the Texas Department of Information Resources (DIR) is DIR-TSO-3441

Total does not include sales tax. MCHD is responsible for paying all applicable sales taxes.

| Montgomery County Hospital District, Texas GIS Map Data Maintenance | $30,690.00 | $26,314.20 |
| One-Time Surrounding County Addition | $4,185.00 | $3,588.30 |
| Project Management | $10,080.00 | $9,199.80 |
| **Total** | **$44,955.00** | **$39,102.30** |

**Note:** Pricing does not include administrative fees assessed by surrounding counties, if applicable. MCHD is responsible for paying applicable fees.

GeoComm will deliver an updated map package six times over the course of the year-long contract. Packages will be delivered approximately bi-monthly (every two months with the schedule being set at project initiation) with the first package being delivered 30 days after contract signing. Any data updates provided two weeks prior to a scheduled package delivery will be included in the delivery. GeoComm will provide a maintenance summary report along with each map package delivery. The report will outline the changes made to the data and will document any unique mapping or addressing situations that MCHD should be aware of. If GeoComm delivers an incomplete package (package that has incomplete updates or errors within the data) or fails to include updates that meet the two-week deadline, GeoComm will complete the updates and re-run the quality check and provide an updated package within two weeks. This updated package will not count against the six total packages purchased.

**Note:** Map packages, in this agreement, refers to individual updated and quality checked Address Point, Hydrant, and Emergency response boundary layers.

Scope of Work

For your dispatch mapping software to operate with the critical accuracy required, it is imperative that the GIS data residing in the software is kept current. GeoComm proposes to provide the Montgomery County Hospital District (MCHD) with GIS maintenance services.

GeoComm will use hard copy and/or digital resources provided by MCHD to update the map data layers for plotting wireline 9-1-1 calls. MCHD will provide GeoComm with the most current GIS data from the Montgomery County GIS department, along with GIS data from the Village of Creekside Park. GeoComm will detect any changes that have been made in the county’s data, and use this as a basis for changing the following MCHD GIS layers:

- Road Centerlines
- Address Points
- Emergency Response Boundary
- Hydrants

Every two months GeoComm will:

- Update the road centerline layer with additions, deletions, and corrections
- Update the emergency response boundary layer when updates are requested
- Update the hydrant layer when updates are requested
- Update the address point layer with any additions, deletions, and/or corrections. MCHD must provide accurate location information or latitude and longitude for the approximate placement of address points not included in updated Montgomery County and Village of Creekside Park GIS layers
- Provide technical advice via telephone and email regarding unique addressing situations or addressing discrepancies, including regularly scheduled monthly or bimonthly conference calls
- Complete regular topology-related quality control on all map layers used for wireline 9-1-1 call plotting

A report to MCHD will be included with each bimonthly (6 per year) update, including lists of any changes made as well as a list of any issues that need further clarification from MCHD.

Surrounding County Data

For areas within ten miles of Montgomery County’s borders, GeoComm additionally proposes to add surrounding county GIS map data one time to MCHD’s GIS. Map layers which may be added include Roads and Emergency Service Zones. If available, these layers will be added for the following surrounding counties:

- Grimes County
- Harris County
- Liberty County
- San Jacinto County
- Walker County
- Waller County
Surrounding county data will be edge-matched and appended to MCHD’s GIS base map layers, extending 9-1-1 call plotting and address search capabilities into neighboring counties. The location and number of calls that plot depends on the quality of the surrounding county map data provided.

MCHD will be asked to obtain data from the surrounding counties along with signed permission from each surrounding county to use their data for this project. GeoComm will provide a template authorization form that may be used.

The surrounding county addition is a one-time service. Other than street edge matching, no adjustments will be made to the data and no data will be developed or maintained.

**GeoComm Deliverables**

In addition to receiving general project support from GeoComm, MCHD will receive the following deliverables related to GIS maintenance:

- Updated road centerline, address point, hydrant, and emergency response boundary layers, provided as frequently as every two months for use in the customer’s public safety software mapping systems
- Report of changes made to road centerline, address point, hydrant, and emergency service boundaries
- Responses to questions regarding unique addressing situations or addressing discrepancies as needed
- Regularly schedule meetings with the GeoComm project manager
- One-time surrounding county data for areas within ten miles of Montgomery County’s borders
We believe our clients play a critical role in a project's success. While GeoComm will lead the project efforts, we will partner with you to ensure you have in-depth project knowledge and are kept informed about the project status and meeting project goals.

**MCHD Responsibilities**

It is requested that MCHD provide the following general project support:

- Provide pertinent project information and documentation
- Assist in ongoing quality control
- Provide a single point of contact at MCHD available for communication
- Submit required GIS information (e.g. GIS map data, public safety databases, and/or other resources) to our website (http://www.geo-comm.com/industries/gis/data-submission/).

In addition to the requirements above, MCHD will be responsible for the following project-specific support:

- One-time delivery of surrounding county data
- Every two months, delivery of GIS data for Montgomery County and the Village of Creekside Park
