SECTION ONE

PLAN ADMINISTRATION

INTRODUCTION

The Montgomery County Hospital District is charged by Article IX, section 9 of the Texas Constitution to provide certain health care services to the County's needy inhabitants. In addition, section 61.055 of the Texas Indigent Health Care And Treatment Act, (Ch. 61 Texas Health & Safety Code) requires the Montgomery County Hospital District to provide the health care services required under the Texas Constitution and the statute creating the District. The District's enabling legislation in section 5(a) provides that the Board of Directors of the District shall have the power and authority to promulgate rules governing the health care services to be delivered by the District in Montgomery County.

The Board of Directors of the Montgomery County Hospital District is committed to ensure that the needy inhabitants of the County receive quality health care services in an equitable and non-discriminatory manner through the District's Montgomery County Indigent Care Plan. The Board of Directors believes quality medical care services can be provided to the County's needy inhabitants in a manner that is fair and equitable, efficient and without undue expense of local taxpayer dollars, which fund such care.

These Montgomery County Indigent Care Plan Policies are promulgated and approved pursuant to section 5(a) of the District's enabling legislation and are intended to provide guidelines and rules for the qualification and enrollment of participants into the District's Montgomery County Indigent Care Plan. These policies are intended to track and be in harmony with the indigent health care Plan policies approved by the Texas Department of State Health Services and imposed upon non-hospital district counties pursuant to the Indigent Health Care and Treatment Act. It is the intent of the Board of Directors that these policies are to apply to "indigents" as defined in Ch. 61 of the Texas Health & Safety Code, such determination using the eligibility guidelines set forth in Chapter 61 and the rules adopted by the Texas Department of State Health

Services. In addition, these policies are intended to ensure the delivery of quality and medically necessary healthcare services to Plan participants in a fair and non-discriminatory manner. These policies are not intended to apply to persons who do not qualify as “indigent” per Ch. 61 of the Texas Health & Safety Code; however, such persons may be covered under other health care Plans provided by the District.

These Montgomery County Indigent Care Plan Policies are intended to cover the delivery of health care services to needy indigent residents of the District. Such residents are not employees of the District therefore these policies do not create benefits or rights under ERISA, COBRA or other employment-related statutes, rules or regulations. These policies are intended to comply with medical privacy regulations imposed under HIPAA and other state regulations but are superseded by such statutes to the extent of any conflict. Compliance with ADA and other regulations pertaining to disabled individuals shall not be the responsibility of the District, but shall be the responsibility of those medical providers providing services to the District's needy inhabitants. As a hospital district, only certain provisions of the Indigent Healthcare and Treatment Act (Ch. 61 Texas Health & Safety Code) apply to services provided by the District, including these Policies.

These policies may be amended from time to time by official action of the District's Board of Directors.

 2. Allow an exemption from work registration if applicants or eligible residents meet one of the following criteria:

Each situation will be carefully reviewed with the Chief Operating Officer, Chief Financial Officer, and/or Chief Executive Officer for determination. Failure to follow the guidelines will result in definitive action and up to and including refusal of coverage or termination of existing benefits.

 - If this person plans to return to his original county of residence, which is not the county where the halfway house is located, this person would not be considered a resident of the county and therefore not eligible for the MCICP.

RESOURCES

General Principles

- ✓ A household must pursue all resources to which the household is legally entitled unless it is unreasonable to pursue the resource. Reasonable time (at least three months) must be allowed for the household to pursue the resource, which is not considered accessible during this time.
- ✓ The resources of all MCHD MCICP household members are considered.
- ✓ Resources are either countable or exempt.
- ✓ Resources from disqualified and non-household members are excluded, but may be included if processing an application for a sponsored alien.
- ✓ A household is not eligible if the total countable household resources exceed:
 - \$3,000.00 when a person who is aged or has disabilities and who meets relationship requirements lives in the home or
 - \$2,000.00 for all other households.
- ✓ A household is not eligible if their total countable resources exceed the limit on or after:
 - A household is not eligible if their total countable resources exceed the limit on or after the first interview date or the process date for cases processed without an interview.
- ✓ In determining eligibility for a prior month, the household is not eligible if their total countable resources exceed the limit anytime during the prior month.

The CIHCP household must provide verification that the bank account is used solely for the nonmember's benefit and that no CIHCP household member uses the money in the account for their benefit. If a household member uses any of the money for their benefit or if any household member's money is also in the account, consider the bank account accessible to the household.

Alien Sponsor's Resources

Calculate the total resources accessible to the alien sponsor's household according to the same rules and exemptions for resources that apply for the sponsored alien applicant. The total countable resources for the alien sponsor household will be added to the total countable resources of the sponsored alien applicant.

Please refer to Texas Health and Safety Code, Chapter 61, §61.012.

Sec.61.012. REIMBURSEMENT FOR SERVICES.

(a) In this section, "sponsored alien" means a person who has been lawfully admitted to the United States for permanent residence under the Immigration and Nationality Act (8 U.S.C. Section 1101 et seq.) and who, as a condition of admission, was sponsored by a person who executed an affidavit of support on behalf of the person.

(b) A public hospital or hospital district that provides health care services to a sponsored alien under this chapter may recover from a person who executed an affidavit of support on behalf of the alien the costs of the health care services provided to the alien.

(c) A public hospital or hospital district described by Subsection (b) must notify a sponsored alien and a person who executed an affidavit of support on behalf of the alien, at the time the alien applies for health care services, that a person who executed an affidavit of support on behalf of a sponsored alien is liable for the cost of health care services provided to the alien.

(b) Section 61.012, Health and Safety Code, as added by this section, applies only to health care services provided by a public hospital or hospital district on or after the effective date of this act.

Bank Accounts

Count the cash value of checking and savings accounts for the current month as income and for prior months as a resource unless exempt for another reason.

Exempt.

Energy Assistance Payments

Exempt payments or allowances made under any federal law for the purpose of energy assistance.

Exemption: Resources/Income Payments

Example: Income of students or self-employed persons that is prorated over several months.

If the client combines this money with countable funds, such as a bank account, exempt the prorated amounts for the time you prorate it.

Homestead

Exempt the household's usual residence and surrounding property not separated by property owned by others. The exemption remains in effect if public rights of way, such as roads, separate the surrounding property from the home. The homestead exemption applies to any structure the person uses as a primary residence, including additional buildings on contiguous land, a houseboat, or a motor home, as long as the household lives in it. If the household does not live in the structure, count it as a resource.

Houseboats and Motor Homes. Count houseboats and motor homes according to vehicle policy, if not considered the household's primary residence or otherwise exempt.

Own or Purchasing a Lot. For households that currently do not own a home, but own or are purchasing a lot on which they intend to build, exempt the lot and partially completed home.

Real Property Outside of Texas. Households cannot claim real property outside of Texas as a homestead, except for migrant and itinerant workers who meet the residence requirements.

Homestead Temporarily Unoccupied. Exempt a homestead temporarily unoccupied because of employment, training for future employment, illness (including health care treatment), casualty (fire, flood, state of disrepair, etc.), or natural disaster, if the household intends to return.

Sale of a Homestead. Count money remaining from the sale of a homestead as a resource.

Income- Producing Property

Exempt property that:

- ✓ Is essential to a household member's employment or self-employment (examples: tools of a trade, farm machinery, stock, and inventory). Continue to exempt this property during temporary periods of unemployment if the household member expects to return to work;
- ✓ Annually produces income consistent with its fair market value, even if used only on a seasonal basis; or
- ✓ Is necessary for the maintenance or use of a vehicle that is exempt as income producing or as necessary for transporting a physically disabled household member. Exempt the portion of the property used for this purpose.

For farmers or fishermen, continue to exempt the value of the land or equipment for one year from the date that the self-employment ceases.

Insurance Settlement

Count, minus any amount spent or intended to be spent for the Household's bills for burial, health care, or damaged/lost possessions

Lawsuit Settlement

Count, minus any amount spent or intended to be spent for the household's bills for burial, legal expenses, health care expenses, or damaged/lost possessions.

Liquid Resources

Count, if readily available. Examples include but are not limited to cash, a checking accounts, a savings accounts, a certificates of deposit (CDs), notes, bonds, and stocks.

Loans (Non-Educational)

Exempt these loans from resources.

Consider financial assistance as a loan if there is an understanding that the loan will be repaid and the person can reasonably explain how he will repay it.

Count assistance not considered a loan as unearned income (contribution).

Lump-Sum Payments

Effective January 1, 2013 exempt federal tax refunds permanently as income and resources for 12 months after receipt. Exempt the Earned Income Credit (EIC) for a period of 12 months after receipt through December 31, 2018.

Count lump sum payments received once a year or less frequently as resources in the month received, unless specifically exempt.

Countable lump-sum payments include but are not limited to lump-sum insurance settlements, lump-sum payments on child support, public assistance, refunds of security deposits on rental property or utilities, retirement benefits, and retroactive lump sum RSDI.

Count lump-sum payments received or anticipated to be received more often than once a year as unearned income in the month received.

Exception: Count contributions, gifts, and prizes as unearned income in the month received regardless of the frequency of receipt.

Personal Possessions

Exempt.

Real Property

Count the equity value of real property unless it is otherwise exempt. Exempt any portion of real property directly related to the maintenance or use of a vehicle necessary for employment or to transport a physically disabled household member. Count the equity value of any remaining portion unless it is otherwise exempt.

Good Faith Effort to Sell. Exempt real property if the household is making a good effort to sell it.

Jointly Owned Property. Exempt property jointly owned by the household and other individuals not applying for or receiving benefits if the household provides proof that he cannot sell or divide the property without consent of the other owners and the other owners will not sell or divide the property.

Reimbursement

Exempt a reimbursement in the month received. Count as a resource in the month after receipt.

Exempt a reimbursement earmarked and used for replacing and repairing an exempt resource. Exempt the reimbursement indefinitely.

Retirement Accounts

A retirement account is one in which an employee and/or his employer contribute money for retirement. There are several types of retirement plans.

Some of the most common plans authorized under Section 401 (a) of the Internal Revenue Services (IRS) Code are the 401 (k) plan, Keogh, Roth Individual Retirement Account (IRA), and a pension or traditional benefit plan. Common plans under Section 408 of the IRS Code are the IRA, Simple IRA and Simplified Employer Plan.

A 401K plan allows an employee to postpone receiving a portion of current income until retirement.

An individual retirement account (IRA) is an account in which an individual contributes an amount of money to supplement his retirement income (regardless of his participation in a group retirement plan).

A Keogh plan is an IRA for a self-employed individual.

A Simplified Employee Pension (SEP) plan is an IRA owned by an employee to which an employer makes contributions or an IRA owned by a self-employed individual who contributes for himself.

A pension or traditional defined benefit plan is employed based and promises a certain benefit upon retirement regardless of investment performance.

Exclude all retirement accounts or plans established under:

- Internal Revenue Code of 1986, Sections 401(a), 403(a), 403(b), 408, 408A, 457(b), 501(c)(18);
- Federal Thrift Savings Plan, Section 8439, Title 5, United States Code; and
- Other retirement accounts determined to be tax exempt under the Internal Revenue Code of 1986.

Count any other retirement accounts not established under plans or codes listed above.

Trust Fund

Exempt a trust fund if all of the following conditions are met:

- ✓ The trust arrangement is unlikely to end during the certification period; and
- ✓ No household member can revoke the trust agreement or change the name of the beneficiary during the certification period; and
- ✓ The trustee of the fund is either a
 - Court, institution, corporation, or organization not under the direction or ownership of a household member; or

- Court-appointed individual who has court-imposed limitations placed on the use of the funds; and
- ✓ The trust investments do not directly involve or help any business or corporation under the control, direction, or influence of a household member. Exempt trust funds established from the household's own funds if the trustee uses the funds
- Only to make investments on behalf of the trust or
- To pay the education or health care expenses of the beneficiary.

Vehicles

Exempt a vehicle necessary to transport physically disabled household members, even if disqualified and regardless of the purpose of the trip. Exempt no more than one vehicle for each disabled member. There is no requirement that the vehicle be used primarily for the disabled person.

Exempt up to \$15,000 FMV of one primary vehicle per household necessary to transport household members, regardless of the purpose of the trip.

Exempt vehicles if the equity value is less than \$4,650, regardless of the number of vehicles owned by the household. Count the value in excess of \$4,650 toward the household's resource limit. **Examples listed below:**

\$15,000	(FMV)
<u>-12,450</u>	(Amount still owed)
\$2,550	(Equity Value)
<u>-4,650</u>	
\$0	(Countable resource)

\$9,000	(FMV)
<u>- 0</u>	(Amount still owed)
\$9,000	(Equity Value)
<u>-4,650</u>	
\$4,350	(Countable resource)

Income-producing Vehicles. Exempt the total value of all licensed vehicles used for income-producing purposes. This exemption remains in effect when the vehicle is temporarily not in use. A vehicle is considered income producing if it:

- ✓ Is used as a taxi, a farm truck, or fishing boat,
- ✓ Is used to make deliveries as part of the person's employment,
- ✓ Is used to make calls on clients or customers,
- ✓ Is required by the terms of employment, or
- ✓ Produces income consistent with its fair market value.

Solely Owned Vehicles. A vehicle, whose title is solely in one person's name, is considered an accessible resource for that person. This includes the following situations:

- ✓ Consider vehicles involved in community property issues to belong to the person whose name is on the title.
- ✓ If a vehicle is solely in the household member's name and the household member claims he purchased it for someone else, the vehicle is considered as accessible to the household member.

Exceptions: The vehicle is inaccessible if the titleholder verifies:
[complete documentation is required in each of the situations below]

- ✓ That he sold the vehicle but has not transferred the title. In this situation, the vehicle belongs to the buyer. Note: Count any payments made by the buyer to the household member or the household member's creditors (directly) as self-employment income.
- ✓ That he sold the vehicle but the buyer has not transferred the title into the buyer's name.
- ✓ That the vehicle was repossessed.
- ✓ That the vehicle was stolen.
- ✓ That he filed for bankruptcy (Title 7, 11, or 13) and that the household member is not claiming the vehicle as exempt from the bankruptcy.
 - Note: In most bankruptcy petitions, the court will allow each adult individual to keep one vehicle as exempt for the bankruptcy estate. This vehicle is a countable resource.

A vehicle is accessible to a household member even though the title is not in the household member's name if the household member purchases or is purchasing the vehicle from the person who is the titleholder or if the household member is legally entitled to the vehicle through an inheritance or divorce settlement.

Jointly Owned Vehicles. Consider vehicles jointly owned with another person not applying for or receiving benefits as inaccessible if the other owner is not willing to sell the vehicle.

Leased Vehicles. When a person leases a vehicle, they are not generally considered the owner of the vehicle because the

- ✓ Vehicle does not have any equity value,
- ✓ Person cannot sell the vehicle, and
- ✓ Title remains in the leasing company's name.

Exempt a leased vehicle until the person exercises his option to purchase the vehicle. Once the person becomes the owner of the vehicle, count it as a resource. The person is the owner of the vehicle if the title is in their name, even if the person and the dealer refer to the vehicle as leased. Count the vehicle as a resource.

How To Determine Fair Market Value of Vehicles.

- ✓ Determine the current fair market value of licensed vehicles using the average trade-in or wholesale value listed on a reputable automotive buying resource website (i.e., National Automobile Dealers Association (NADA), Edmunds, or Kelley Blue Book). Note: If the household claims that the listed value does not apply because the vehicle is in less-than-average condition, allow the household to provide proof of the true value from a reliable source, such as a bank loan officer or a local licensed car dealer.
- ✓ Do not increase the basic value because of low mileage, optional equipment, or special equipment for the handicapped.
- ✓ Accept the household's estimate of the value of a vehicle no longer listed on an automotive buying resource website unless it is questionable and would affect the household's eligibility. In this case, the household must provide an appraisal from a licensed car dealer or other evidence of the vehicle's value, such as a tax assessment or a newspaper advertisement indicating the sale value if similar vehicles.
- ✓ Determine the value of new vehicles not listed on an automotive buying resource website by asking the household to provide an estimate of the average trade-in or wholesale value from a new car dealer or a bank loan officer. If this cannot be done, accept the household's estimate unless it is questionable and would affect eligibility. Use the vehicle's loan value only if other sources are unavailable. Request proof of the value of licensed antique, custom made, or classic vehicles from the household if you cannot make an accurate appraisal.

Penalty for Transferring Resources

A household is ineligible if, within three months before application or any time after certification, they transfer a countable resource for less than its fair market value to qualify for health care assistance.

This penalty applies if the total of the transferred resource added to other resources affects eligibility.

Base the length of denial on the amount by which the transferred resource exceeds the resource maximum when added to other countable resources.

Use the chart below to determine the length of denial.

Amount in Excess of Resource Limit	Denial Period
\$.01 to \$ 249.99	1 month
\$ 250.00 to \$ 999.99	3 months
\$1,000.00 to \$2,999.99	6 months
\$3,000.00 to \$4,999.99	9 months
\$5,000.00 or greater	12 months

If the spouses separate and one spouse transfers his property, it does not affect the eligibility of the other spouse.

Verifying Resources

Verify all countable resources.

Proof may include but is not limited to:

- ✓ Bank account statements and
- ✓ Award letters.

Documenting Resources

On HCAP Form 101, document whether a resource is countable or exempt and how resources are verified.

INCOME

General Principles

- ✓ A household must pursue and accept all income to which the household is legally entitled, unless it is unreasonable to pursue the resource. Reasonable time (at least three months) must be allowed for the household to pursue the income, which is not considered accessible during this time.
- ✓ The income of all MCHD MCICP household members is considered.
- ✓ Income is either countable or exempt.
- ✓ If attempts to verify income are unsuccessful because the payer fails or refuses to provide information and other proof is not available, the household's statement is used as best available information.
- ✓ All income of a disqualified person is exempt.
- ✓ Income of disqualified and non-household members is excluded, but may be included if processing an application for a sponsored alien.

Adoption Payments

Exempt.

Alien Sponsor's Income

Calculate the total income accessible to the alien sponsor's household according to the same rules and exemptions for income that apply for the sponsored alien applicant. The total countable income for the alien sponsor household will be considered unearned income and added to the total countable income of the sponsored alien applicant.

Please refer to Texas Health and Safety Code, Chapter 61, §61.012.

Sec. 61.012. REIMBURSEMENT FOR SERVICES.

(a) In this section, "sponsored alien" means a person who has been lawfully admitted to the United States for permanent residence under the Immigration and Nationality Act (8 U.S.C. Section 1101 et seq.) and who, as a condition of admission, was sponsored by a person who executed an affidavit of support on behalf of the person.

(b)A public hospital or hospital district that provides health care services to a sponsored alien under this chapter may recover from a person who executed an affidavit of support on behalf of the alien the costs of the health care services provided to the alien.

(c)A public hospital or hospital district described by Subsection (b) must notify a sponsored alien and a person who executed an affidavit of support on behalf of the alien, at the time the alien applies for health care services, that a person who executed an affidavit of support on behalf of a sponsored alien is liable for the cost of health care services provided to the alien.

(b) Section 61.012, Health and Safety Code, as added by this section, applies only to health care services provided by a public hospital or hospital district on or after the effective date of this act.

Cash Gifts and Contributions

Count as unearned income unless they are made by a private, nonprofit organization on the basis of need; and total \$300 or less per household in a federal fiscal quarter. The federal fiscal quarters are January - March, April - June, July - September, and October-December. If these contributions exceed \$300 in a quarter, count the excess amount as income in the month received.

Exempt any cash contribution for common household expenses, such as food, rent, utilities, and items for home maintenance, if it is received from a non-certified household member who:

- Lives in the home with the certified household member,
- Shares household expenses with the certified household member, and
- No landlord/tenant relationship exists.

If a noncertified household member makes additional payments for use by a certified member, it is a contribution.

Child's Earned Income

Exempt a child's earned income if the child, who is under age 18 and not an emancipated minor, is a full-time student (including a home schooled child) or a part-time student employed less than 30 hours a week.

Child Support Payments

Count as unearned income after deducting up to \$75 from the total monthly child support payments the household receives.

Count payments as child support if a court ordered the support, or the child's caretaker or the person making the payment states the purpose of the payment is to support the child.

Count ongoing child support income as income to the child even if someone else, living in the home receives it.

Count child support arrears as income to the caretaker.

Exempt child support payments as income if the child support is intended for a child who receives Medicaid, even though the parent actually receives the child support.

Child Support Received for a Non-Member. If a caretaker receives, ongoing child support for a non-member (or a member who is no longer in the home) but uses the money for personal or household needs, count it as unearned income. Do not count the amount actually used for or provided to the non-member for whom it is intended to cover.

Lump-Sum Child Support Payments. Count lump-sum child support payments (on child support arrears or on current child support) received, or anticipated to be received more often than once a year, as unearned income in the month received. Consider lump-sum child support payments received once a year or less frequently as a resource in the month received.

Returning Parent. If an absent parent is making child support payments but moves back into the home of the caretaker and child, process the household change.

Crime Victim's Compensation Payments

Exempt.

These are payments from the funds authorized by state legislation to assist a person who has been a victim of a violent crime; was the spouse, parent, sibling, or adult child of a victim who died as a result of a violent crime; or is the guardian of a victim of a violent crime. The payments are distributed by the Office of the Attorney General in monthly payments or in a lump sum.

Disability Insurance Payments

Count disability payments as unearned income, including Social Security Disability Insurance (SSDI) payments and disability insurance payments issued for non-medical expenses. Exception: Exempt Supplemental Security Income (SSI) payments.

Dividends and Royalties

Count dividends as unearned income. Exception: Exempt dividends from insurance policies as income.

Count royalties as unearned income, minus any amount deducted for production expenses and severance taxes.

Educational Assistance

Exempt educational assistance, including educational loans, regardless of source. Educational assistance also includes college work-study.

Energy Assistance

Exempt the following types of energy assistance payments:

- ✓ Assistance from federally-funded, state or locally-administered programs, including HEAP, weatherization, Energy Crisis, and one-time emergency repairs of a heating or cooling device (down payment and final payment);
- ✓ Energy assistance received through HUD, USDA's Rural Housing Service (RHS), or Farmer's Administration (FmHA);
- ✓ Assistance from private, non-profit, or governmental agencies based on need.

If an energy assistance payment is combined with other payments of assistance, exempt only the energy assistance portion from income (if applicable).

Foster Care Payments

Exempt.

Government Disaster Payments

Exempt federal disaster payments and comparable disaster assistance provided by states, local governments and disaster assistance

organizations if the household is subject to legal penalties when the funds are not used as intended.

Examples: Payments by the Individual and Family Grant Program, Small Business Administration, and/or FEMA.

In-Kind Income

Exempt. An in-kind contribution is any gain or benefit to a person that is not in the form of money/check payable directly to the household, such as clothing, public housing, or food.

Interest

Count as unearned income.

Job Training

Exempt payments made under the Workforce Investment Act (WIA).

Exempt portions of non-WIA job training payments earmarked as reimbursements for training-related expenses. Count any excess as earned income.

Exempt on-the-job training (OJT) payments received by a child who is under age 19 and under parental control of another household member.

Loans (Non-educational)

Count as unearned income unless there is an understanding that the money will be repaid and the person can reasonably explain how he will repay it.

Lump-Sum Payments

Count as income in the month received if the person receives it or expects to receive it more often than once a year.

Consider retroactive or restored payments to be lump-sum payments and count as a resource. Separate any portion that is ongoing income from a lump-sum amount and count it as income.

Exempt lump sums received once a year or less, unless specifically listed as income. Count them as a resource in the month received.

Effective January 1, 2013 exempt federal tax refunds permanently as income and resources for 12 months after receipt. Exempt the Earned Income Credit (EIC) for a period of 12 months after receipt through December 31, 2018.

If a lump sum reimburses a household for burial, legal, or health care bills, or damaged/lost possessions, reduce the countable amount of the lump sum by the amount earmarked for these items.

Military Pay

Count military pay and allowances for housing, food, base pay, and flight pay as earned income, minus pay withheld to fund education under the G.I. Bill.

Mineral Rights

Count payments for mineral rights as unearned income.

Pensions

Count as unearned income. A pension is any benefit derived from former employment, such as retirement benefits or disability pensions.

Reimbursement

Exempt a reimbursement (not to exceed the individual's expense) provided specifically for a past or future expense. If the reimbursement exceeds the individual's expenses, count any excess as unearned income. Do not consider a reimbursement to exceed the individual's expenses unless the individual or provider indicates the amount is excessive.

Exempt a reimbursement for future expenses only if the household plans to use it as intended.

RSDI Payments

Count as unearned income the Retirement, Survivors, and Disability Insurance (RSDI) benefit amount including the deduction for the Medicare premium, minus any amount that is being recouped for a prior RSDI overpayment.

If a person receives an RSDI check and an SSI check, exempt both checks since the person is a disqualified household member.

If an adult receives a Social Security survivor's benefit check for a child, this check is considered the child's income.

Self-Employment Income

Count as earned income, minus the allowable costs of producing the self-employment income. (Use HCAP Form 200: Employer Verification Form).

Self-employment income is earned or unearned income available from one's own business, trade, or profession rather than from an employer. However, some individuals may have an employer and receive a regular salary. If an employer does not withhold FICA or income taxes, even if required to do so by law, the person is considered self-employed.

Types of self-employment include:

- ✓ Odd jobs, such as mowing lawns, babysitting, and cleaning houses;
- ✓ Owning a private business, such as a beauty salon or auto mechanic shop;
- ✓ Farm income; and
- ✓ Income from property, which may be from renting, leasing, or selling property on an installment plan. Property includes equipment, vehicles, and real property.

If the person sells the property on an installment plan, count the payments as income. Exempt the balance of the note as an inaccessible resource.

SSI Payments

Only exempt Supplemental Security Income (SSI) benefits when the household is receiving Medicaid.

A person receiving any amount of SSI benefits who also receives Medicaid is, therefore, a disqualified household member.

TANF

Exempt Temporary Assistance to Needy Families (TANF) benefits.

A person receiving TANF benefits also receives Medicaid and is, therefore, a disqualified household member.

Terminated Income

Count terminated income in the month received. Use actual income and do not use conversion factors if terminated income is less than a full month's income.

Income is terminated if it will not be received in the next usual payment cycle.

Income is not terminated if:

- ✓ Someone changes jobs while working for the same employer,
- ✓ An employee of a temporary agency is temporarily not assigned,
- ✓ A self-employed person changes contracts or has different customers without having a break in normal income cycle, or
- ✓ Someone received regular contributions, but the contributions are from different sources.

Third-Party Payments

Exempt the money received that is intended and used for the maintenance of a person who is not a member of the household.

If a single payment is received for more than one beneficiary, exclude the amount actually used for the non-member up to the non-member's identifiable portion or prorated portion, if the portion is not identifiable.

Tip Income

Count the actual (not taxable) gross amount of tips as earned income. Add tip income to wages before applying conversion factors.

Tip income is income earned in addition to wages that is paid by patrons to people employed in service-related occupations, such as beauticians, waiters, valets, pizza delivery staff, etc.

Do not consider tips as self-employment income unless related to a self-employment enterprise.

Trust Fund

Count as unearned income trust fund withdrawals or dividends that the household can receive from a trust fund that is exempt from resources.

Unemployment Compensation Payments

Count the gross amount as unearned income, minus any amount being recouped for an Unemployment Insurance Benefit (UIB) overpayment.

Count the cash value of UIB in a UI debit account, less amounts deposited in the current month, as a resource. Account inquiry is accessible to a UIB recipient online at www.myaccount.chase.com or at any Chase Bank automated teller machine free of charge.

Exception: Count the gross amount if the household agreed to repay a food stamp overpayment through voluntary garnishment.

VA Payments

Count the gross Veterans Administration (VA) payment as unearned income, minus any amount being recouped for a VA overpayment. Exempt VA special needs payments, such as annual clothing allowances or monthly payments for an attendant for disabled veterans.

Vendor Payments

Exempt vendor payments if made by a person or organization outside the household directly to the household's creditor or person providing the service.

Exception: Count as income money that is legally obligated to the household, but which the payer makes to a third party for a household expense.

Wages, Salaries, Commissions

Count the actual (not taxable) gross amount as earned income.

If a person asks his employer to hold his wages or the person's wages are garnished, count this money as income in the month the person would otherwise have been paid. If, however, an employer holds his employees' wages as a general practice, count this money as income in the month it is paid. Count an advance in the month the person receives it.

Workers' Compensation Payments

Count the gross payment as unearned income, minus any amount being recouped for a prior worker's compensation overpayment or paid for attorney's fees. NOTE: The Texas Workforce Commission (TWC) or a court sets the amount of the attorney's fee to be paid.

Do not allow a deduction from the gross benefit for court-ordered child support payments.

Exception: Exclude worker's compensation benefits paid to the household for out-of-pocket health care expenses. Consider these payments as reimbursements.

Other Types of Benefits and Payments

Exempt benefits and payments from the following programs:

- ✓ Americorp,
- ✓ Child Nutrition Act of 1966,
- ✓ Food Stamp Program – SNAP (Supplemental Nutrition Assistance Program),
- ✓ Foster Grandparents,
- ✓ Funds distributed or held in trust by the Indian Claims Commission for Indian tribe members under Public Laws 92-254 or 93-135,
- ✓ Learn and Serve,
- ✓ National School Lunch Act,
- ✓ National Senior Service Corps (Senior Corps),
- ✓ Nutrition Program for the Elderly (Title III, Older American Act of 1965),
- ✓ Retired and Senior Volunteer Program (RSVP),
- ✓ Senior Companion Program,
- ✓ Tax-exempt portions of payments made under the Alaska Native Claims Settlement Act,
- ✓ Uniform Relocation Assistance and Real Property Acquisitions Act (Title II),
- ✓ Volunteers in Service to America (VISTA), and
- ✓ Women, Infants, and Children (WIC) Program.

Verifying Income

Verify countable income, including recently terminated income, at initial application and when changes are reported. Verify countable income at review, if questionable.

Proof may include but is not limited to:

- ✓ Last four (4) consecutive paycheck stubs (for everyone in your household),
- ✓ HCAP Form 200, Employment Verification Form, which we provide,
- ✓ W-2 forms,
- ✓ Notes for cash contributions,
- ✓ Business records,
- ✓ Social Security award letter,
- ✓ Court orders or public decrees (support documents),
- ✓ Sales records
- ✓ Income tax returns, and
- ✓ Statements completed, signed, and dated by the self-employed person.

Documenting Income

On HCAP Form 101, document the following items.

- ✓ Exempt income and the reason it is exempt
- ✓ Unearned income, including the following items:
 - Date income is verified,
 - Type of income,
 - Check or document seen,
 - Amount recorded on check or document,
 - Frequency of receipt, and
 - Calculations used.
- ✓ Self-employment income, including the following items:
 - The allowable costs for producing the self-employment income,
 - Other factors used to determine the income amount.
- ✓ Earned income, including the following items:
 - Payer's name and address,
 - Dates of each wage statement or pay stub used,
 - Date paycheck is received,
 - Gross income amount,
 - Frequency of receipt, and
 - Calculations used.
- ✓ Allowable deductions.

A household is ineligible for a period of 6 months if they intentionally alter their income to become eligible for the Plan (example: have employer lower their hourly or salary amount).

The following exceptions apply:

- ✓ Change in job description that would require a lower pay rate
- ✓ Loss of job
- ✓ Changed job

BUDGETING INCOME

General Principles

- ✓ Count income already received and any income the household expects to receive. If the household is not sure about the amount expected or when the income will be received, use the best estimate.
- ✓ Income, whether earned or unearned, is counted in the month that it is received.

Count terminated income in the month received. Use actual income and do not use conversion factors if terminated income is less than a full month's income.

- ✓ View at least two pay amounts in the time period beginning 45 days before the interview date or the process date for cases processed without an interview. However, do not require the household to provide verification of any pay amount that is older than two months before the interview date or the process date for cases processed without an interview.
- ✓ When determining the amount of self-employment income received, verify four recent pay amounts that accurately represent their pay. Verify one month's pay amount that accurately represent their pay for self-employed income received monthly. Do not require the household to provide verification of self-employment income and expenses for more than two calendar months before the interview date or the case process date if not interviewed, for income received monthly or more often.
- ✓ Accept the applicant's statement as proof if there is a reasonable explanation of why documentary evidence or a collateral source is not available and the applicant's statement does not contradict other individual statements or other information received by the entity.
- ✓ The self-employment income projection, which includes the current month and 3 months prior, is the period of time that the household expects the income to support the family.
- ✓ There are deductions for earned income that are not allowed for unearned income.
- ✓ The earned income deductions are not allowed if the income is gained from illegal activities, such as prostitution and selling illegal drugs.

Steps for Budgeting Income

- ✓ Determine countable income.
- ✓ Determine how often countable income is received.
- ✓ Convert countable income to monthly amounts.
- ✓ Convert self-employment allowable costs to monthly amounts.
- ✓ Determine if countable income is earned or unearned.
- ✓ Subtract converted monthly self-employment allowable costs, if any, from converted monthly self-employment income.
- ✓ Subtract earned income deductions, if any.
- ✓ Subtract the deduction for Medicaid individuals, if applicable.
- ✓ Subtract the deduction for legally obligated child support payments made by a member of the household group, if applicable.
- ✓ Compare the monthly gross income to the MCHD MCICP monthly income standard.

Step 1

Determine countable income.

Evaluate the household's current and future circumstances and income.
Decide if changes are likely during the current or future months.

If changes are likely, then determine how the change will affect eligibility.

Step 2

Determine how often countable income is received, such as monthly, twice a month, every other week, weekly.

All income, excluding self-employment. Based on verifications or the person's statement as best available information, determine how often income is received. If the income is based hourly or for piecework, determine the amount of income expected for one week of work.

Self-employment Income.

- ✓ Compute self-employment income, using one of these methods:
 - Annual. Use this method if the person has been self-employed for at least the past 12 months.
 - Monthly. Use this method if the person has at least one full representative calendar month of self-employment income.

- Daily. Use this method when there is less than one full representative calendar month of self-employment income, and the source or frequency of the income is unknown or inconsistent.
- ✓ Determine if the self-employment income is monthly, daily, or seasonal, since that will determine the length of the projection period.
 - The projection period is monthly if the self-employment income is intended to support the household for at least the next 6 months. The projection period is the last 3 months and the current month.
 - The projection period is seasonal if the self-employment income is intended to support the household for less than 12 months since it is available only during certain months of the year. The projection period is the number of months the self-employment is intended to provide support.
- ✓ Determine the allowable costs of producing self-employment income by accepting the deductions listed on the 1040 U.S. Individual Income Tax Return or by allowing the following deductions:
 - Capital asset improvements,
 - Capital asset purchases, such as real property, equipment, machinery and other durable goods, i.e., items expected to last at least 12 months,
 - Fuel,
 - Identifiable costs of seed and fertilizer,
 - Insurance premiums,
 - Interest from business loans on income-producing property,
 - Labor,
 - Linen service,
 - Payments of the principal of loans for income-producing property,
 - Property tax,
 - Raw materials,
 - Rent,
 - Repairs that maintain income-producing property,
 - Sales tax,
 - Stock,
 - Supplies,

- Transportation costs. The person may choose to use 50.0 cents per mile instead of keeping track of individual transportation expenses. Do not allow travel to and from the place of business.
- Utilities

NOTE: If the applicant conducts a self-employment business in his home, consider the cost of the home (rent, mortgage, utilities) as shelter costs, not business expenses, unless these costs can be identified as necessary for the business separately.

The following are not allowable costs of producing self-employment income:

- ✓ Costs not related to self-employment,
- ✓ Costs related to producing income gained from illegal activities, such as prostitution and the sale of illegal drugs,
- ✓ Depreciation,
- ✓ Net loss which occurred in a previous period, and
- ✓ Work-related expenses, such as federal, state, and local income taxes, and retirement contributions.

Step 3

Convert countable income to monthly amounts, if income is not received monthly.

When converting countable income to monthly amounts, use the following conversion factors:

- ✓ Multiply weekly amounts by 4.33.
- ✓ Multiply amounts received every other week by 2.17.
- ✓ Add amounts received twice a month (semi-monthly).
- ✓ Divide yearly amounts by 12.

Step 4

Convert self-employment allowable costs to monthly amounts.

When converting the allowable costs for producing self-employment to monthly amounts, use the conversion factors in Step 3 above.

Step 5

Determine if countable income is earned or unearned. For earned income, proceed with Step 6. For unearned income, skip to Step 8.

Step 6

Subtract converted monthly self-employment allowable costs, if any, from converted monthly self-employment income.

Step 7

Subtract earned income deductions, if any. Subtract these deductions, if applicable, from the household's monthly gross income, including monthly self-employment income after allowable costs are subtracted:

- ✓ Deduct \$120.00 per employed household member for work-related expenses.
- ✓ Deduct 1/3 of remaining earned income per employed household member.
- ✓ Dependent childcare or adult with disabilities care expenses shall be deducted from the total income when determining eligibility, if paying for the care is necessary for the employment of a member in the CIHCP household. This deduction is allowed even when the child or adult with disabilities is not included in the CIHCP household. Deduct the actual expenses up to:
 - \$200 per month for each child under age 2,
 - \$175 per month for each child age 2 or older, and
 - \$175 per month for each adult with disabilities.

Exception: For self-employment income from property, when a person spends an average of less than 20 hours per week in management or maintenance activities, count the income as unearned and only allow deductions for allowable costs of producing self-employment income.

Step 8

Subtract the deduction for Medicaid individuals, if applicable. This deduction applies when the household has a member who receives Medicaid and, therefore, is disqualified from the MCHD MCICP household. Using the Deduction chart on the following page to deduct an amount for support of the Medicaid member(s) as follows: Subtract an amount equal to the deduction for the number (#) of Medicaid-eligible individuals.

Deductions for Medicaid-Eligible Individuals

# of Medicaid-Eligible Individuals	Single Adult or Adult with Children	Minor Children Only
1	\$ 78	\$ 64
2	\$ 163	\$ 92
3	\$ 188	\$ 130
4	\$ 226	\$ 154
5	\$ 251	\$ 198
6	\$ 288	\$ 241
7	\$ 313	\$ 267
8	\$ 356	\$ 293

Consider the remainder as the monthly gross income for the MCICP household

Step 9

Subtract the Deduction for Child Support, Alimony, and Other Payments to Dependents Outside the Home, if applicable.

Allow the following deductions from members of the household group, including disqualified members:

- ✓ The actual amount of child support and alimony a household member pays to persons outside the home.
- ✓ The actual amount of a household member's payments to persons outside the home that a household member can claim as tax dependents or is legally obligated to support.

Consider the remaining income as the monthly net income for the CIHCP household.

Step 10

Compare the household's monthly gross income to the 21% FPIL monthly income standard, using the MCHD MCICP Monthly Income Standards chart below.

**MONTGOMERY COUNTY HOSPITAL DISTRICT
MONTGOMERY COUNTY INDIGENT CARE PLAN
INCOME GUIDELINES EFFECTIVE 04/1/2026
21 % FPIL**

# of Individuals in the MCICP Household	Income Standard 21% FPIL
1	\$279
2	\$379
3	\$478
4	\$578
5	\$677
6	\$776
7	\$876
8	\$975
9	\$1,075
10	\$1,174
11	\$1,273
12	\$1,373

Note: Based on the 2026 Federal Poverty Income Limits (FPIL), which changes March-May of every year.

A household is eligible if it's monthly gross income, after rounding down cents, does not exceed the monthly income standard for the MCHD MCICP household's size.

SECTION THREE

CASE PROCESSING

CASE PROCESSING

General Principles

- ✓ Use the MCHD MCICP application, documentation, and verification procedures.
- ✓ Issue HCAP Form 100 to the applicant or his representative on the same date that the request is received.
- ✓ Accept an identifiable application.
- ✓ Assist the applicant with accurately completing the HCAP Form 100 if the applicant requests help. Anyone who helps fill out the HCAP Form 100 must sign and date it.
- ✓ If the applicant is incompetent, incapacitated, or deceased, someone acting responsibly for the client (a representative) may represent the applicant in the application and the review process, including signing and dating the HCAP Form 100 on the applicant's behalf. This representative must be knowledgeable about the applicant and his household. Document the specific reason for designating this representative.
- ✓ Determine eligibility based on residence, household, resources, income, and citizenship.
- ✓ Allow at least 14 days for requested information to be provided, unless the household agrees to a shorter timeframe, when issuing HCAP Form 12. Note: The requested information is documented on HCAP Form 12 and a copy is given to the household.
- ✓ All information required by the "How to Apply for MCICP" document is needed to complete the application process and is the responsibility of the applicant.
- ✓ Use any information received from the provider of service when making the eligibility determination; but further eligibility information from the applicant may be required.
- ✓ The date that a complete application is received is the application completion date, which counts as Day 0.
- ✓ Determine eligibility not later than the 14th day after the application completion date based on the residence, household, resources, income, and citizenship guidelines.

- ✓ Issue written notice, namely, HCAP Form 109, Notice of Eligibility and HCAP Form 110, the MCICP Identification Card, HCAP Form 120, Notice of Incomplete Application, or HCAP Form 117, Notice of Ineligibility, of the District's decision. If the District denies health care assistance, the written notice shall include the reason for the denial and an explanation of the procedure for appealing the denial.
- ✓ Review each eligible case record at least once every six months.
 - Approved applications are valid for a period not to exceed six (6) months but no less than 1 month.
 - Before the expiration date, all clients will receive a notice by mail that benefits will expire in the next two weeks.
 - All clients must start the eligibility process all over again at the time or re-application.
- ✓ Use the "Prudent Person Principle" in situations where there are unusual circumstances in which an applicant's statement must be accepted as proof if there is a reasonable explanation why documentary evidence or a collateral contact is not available and the applicant's statement does not contradict other client statements or other information received by staff.
- ✓ Current eligibility continues until a change resulting in ineligibility occurs and a HCAP Form 117 is issued to the household.
- ✓ Consult the hospital district's legal counsel to develop procedures regarding disclosure of information.
- ✓ The applicant has the right to:
 - Have his application considered without regard to race, color, religion, creed, national origin, age, sex, disability, or political belief;
 - Request a review of the decision made on his application or re-certification for health care assistance; and
 - Request, orally and in writing, a fair hearing about actions affecting receipt or termination of health care assistance.
- ✓ The applicant is responsible for:
 - Completing the HCAP Form 100 accurately.

Application for the Montgomery County Indigent Care Plan (MCICP) are available at the Montgomery County Indigent Care Plan Office located at 1400 South Loop 336 West, Conroe, TX 77304. Applications may be picked up, Monday through Thursday, except holidays, from 7:30 am to 11:30 am and 1:00 pm to 4:30 pm and on Fridays from 7:30 am to 11:30 am. The MCICP phone number is 936-523-5100 and the fax number is 936-539-3450. Applications are also available at <http://www.mchd-tx.org/>.

- Providing all needed information requested by staff. If information is not available or is not sufficient, the applicant may designate a collateral contact for the information. A collateral contact could be any objective third party who can provide reliable information. A collateral contact does not need to be separately and specifically designated if that source is named either on HCAP Form 100 or during the interview.

- Attending the scheduled interview appointment.

All appointments will be set automatically by the MCICP eligibility office and will be the applicant's responsibility to attend the scheduled appointment. Failure to attend the appointment will result in denial of assistance.

The client's application is valid for 30 days from the identifiable date and it is within that 30-day period that the client may reschedule another appointment with the eligibility office. After the 30-day period, the client would have to fill out another application and begin the application process all over again.

- Reporting changes, which affect eligibility, within 14 days after the date that the change actually occurred. Failure to report changes could result in repayment of expenditures paid.
- Any changes in income, resources, residency other than federal cost of living adjustments mandates re application and reconsideration of determination.
- To cooperate or follow through with an application process for any other source of medical assistance before being processed for the Montgomery County Indigent Care Plan, since MCHD is a payor of last resort.
- Note: Misrepresentation of facts or any attempt by any applicant or interested party to circumvent the policies of the district in order

to become or remain eligible is grounds for immediate and permanent refusal of assistance. Furthermore, if a client fails to furnish any requested information or documentation, the application will be denied.

- The Montgomery County Hospital District has installed a comprehensive video and audio recording system in the Health Care Assistance Program office suite. This system serves many purposes. This system is designed to ensure quality services and to provide a level of security for the staff. It also provides documentation of client interviews which is useful in reducing fraud and abuse of the system. The recordings provide the staff protection against false claims from disgruntled clients, and ensure accuracy in connection with HCAP client interviews. All persons who apply for services, renewal of services, or other issues with the Health Care Assistance Program shall be subject to the video and audio taping equipment of the Montgomery County Hospital District.

PROCESSING AN APPLICATION

Steps for Processing an Application

- ✓ **Accept the identifiable application.**
- ✓ **Check information.**
- ✓ **Request needed information.**
- ✓ **Determine if an interview is needed.**
- ✓ **Interview.**
- ✓ **Determine eligibility.**
- ✓ **Issue the appropriate form.**

Step 1

Accept the identifiable application. On the HCAP Form 100 document the date that the identifiable Form 100 is received. This is the application file date.

Step 2

Check that all information is complete, consistent, and sufficient to make an eligibility determination.

Step 3

Request needed information pertaining to the five eligibility criteria, namely, residence, citizenship, household, resources, and income.

Decision Pended. If eligibility cannot be determined because components that pertain to the eligibility criteria are missing, issue HCAP Form 12, Request for Information, listing additional information that needs to be provided as well as listing the due date by which the additional information is needed. If the requested information is not provided by the due date, follow the Denial Decision procedure in Step 8. If the requested information is provided by the due date, proceed with Step 5. The application is not considered complete until all requested information is received.

Decision Pended for an SSI Applicant. If eligibility cannot be determined because the person is also an SSI applicant, issue HCAP Form 12, Request for Information, listing additional information that needs to be provided, including the SSI decision, as well as listing the date by which the additional information is needed. In addition, the client is issued HCAP Form G, "How to

contact the eligibility office regarding your SSI status". If the SSI application is denied for eligibility requirements, proceed with Step 3 whether or not the SSI denial is appealed.

Step 4

Determine if an interview is needed. Eligibility may be determined without interviewing the applicant if all questions on HCAP Form 100 are answered and all additional information has been provided.

Step 5

Interview the applicant or his representative face-to-face or by telephone in an interview is necessary.

If an interview appointment is scheduled, provide the applicant with an MCICP Appointment Card, HCAP Form 2, indicating the date, time, place of the interview, and name of interviewer.

Applicants may only be up to 10 minutes late to their interview appointment before they **must** reschedule.

If the applicant fails to keep the appointment, reschedule the appointment, if requested before the time of the scheduled appointment, or follow the Denial Decision procedure in Step 7.

Step 6

Repeat Steps 2 and 3 as necessary.

Step 7

Determine eligibility based on the five eligibility criteria.

Document information in the case record to support the decision.

At this step, all candidates must complete the following forms:

1. Acknowledgment of Receipt of Notice of Privacy Practices, HCAP Form A
2. Background Check Form, HCAP Form B
3. Medical History Form, HCAP Form C
4. Release Form, HCAP Form D
5. Subrogation Form, HCAP Form E
6. Representation and Acknowledgement Form, HCAP Form H

If a candidate has a telephone interview or does not require an interview and becomes eligible for MCICP benefits, the forms listed above must be filled out at the time the client comes in to get their

MCICP Identification Card, HCAP Form 110, and the Notice of eligibility, HCAP Form 109.

Additionally at this step in the process, some candidates must complete additional forms as they apply:

1. Statement of Support, HCAP Form 102
2. Request for Domicile Verification, HCAP Form 103
3. Employer Verification Form, HCAP Form 200
4. Other Forms as may be developed and approved by Administrator
5. Assignment of Health Insurance Proceeds, HCAP Form I:

Staff Acknowledgement regarding Step 2

All applicants will undergo a background/credit check, as this is a mandatory MCICP process. Candidates will be asked to clarify discrepancies. Do not pry or inquire into non-eligibility determination related information. Remember this is confidential material.

Step 8

Issue the appropriate form, namely, HCAP Form 117, Notice of Ineligibility, HCAP Form 120, Notice of Incomplete Application, or HCAP Form 109, Notice of Eligibility along with HCAP Form 110, the MCICP Identification Card.

The MCICP Identification Card is owned by MCHD and is not transferable. MCHD may revoke or cancel it at any time after notice has been sent out 2 weeks before the termination date explaining the reason for termination.

Incomplete Decision. If any of the requested documentation is not provided the application is not complete. Issue HCAP Form 120, Notice of Incomplete Application.

Denial Decision. If any one of the eligibility criteria is not met, the applicant is ineligible. Issue HCAP Form 117, Notice of Ineligibility, including the reason for denial, the effective date of the denial, if applicable, and an explanation of the procedure for appealing the denial.

Reasons for denial include but are not limited to:

- ✓ Not a resident of the county,
- ✓ A recipient of Medicaid,
- ✓ Resources exceed the resource limit,
- ✓ Income exceeds the income limit,

- ✓ Failed to keep an appointment,
- ✓ Failed to provide information requested,
- ✓ Failed to return the review application,
- ✓ Failed to comply with requirements to obtain other assistance, or
- ✓ Voluntarily withdrew.

Eligible Decision. If all the eligibility criteria are met, the applicant is eligible.

Determine the applicant's Eligibility Effective Date. Current Eligibility begins on the first calendar day in the month that an identifiable application is filed or the earliest, subsequent month in which all eligibility criteria are met. (Exception: Eligibility effective date for a new county resident begins the date the applicant is considered a county resident. For example, if the applicant meets all four eligibility criteria, but doesn't move to the county until the 15th of the month, the eligibility effective date will be the 15th of the month, not the first calendar day in the month that an identifiable application is filed.)

The applicant may be retroactively eligible in any of the three calendar months before the month the identifiable application is received if all eligibility criteria are met.

Issue HCAP Form 109, Notice of Eligibility, including the Eligibility Effective Date along with HCAP Form 110, the MCICP Identification Card.

All active cases will be reviewed every 6 months as determined by the Eligibility Supervisor.

Termination of Coverage

Expiration of Coverage:

All active clients are given MCICP coverage for a specified length of time and will be notified by mail **two weeks** before their MCICP benefits will expire. Coverage will terminate at the end of the specified length of time unless the client chooses to re-apply for coverage.

Termination:

In certain circumstances, a client may have their benefits revoked before their coverage period expires. Clients will be notified by mail or phone two weeks before their MCICP benefits will terminate, along with the

explanation for termination. Coverage will terminate on the date listed on HCAP Form 117, Notice on Ineligibility.

Note: Clients who are found to have proof of another source of healthcare coverage will be terminated on the day that the other payor source was identified.

DENIAL DECISION DISPUTES

Responses Regarding a Denial Decision

If a denial decision is disputed by the household, the following may occur:

- ✓ The household may submit another application to have their eligibility re-determined,
- ✓ The household may appeal the denial, or
- ✓ The hospital district may choose to re-open a denied application or in certain situations override earlier determinations based on new information.

The Household/Client Appeal Process

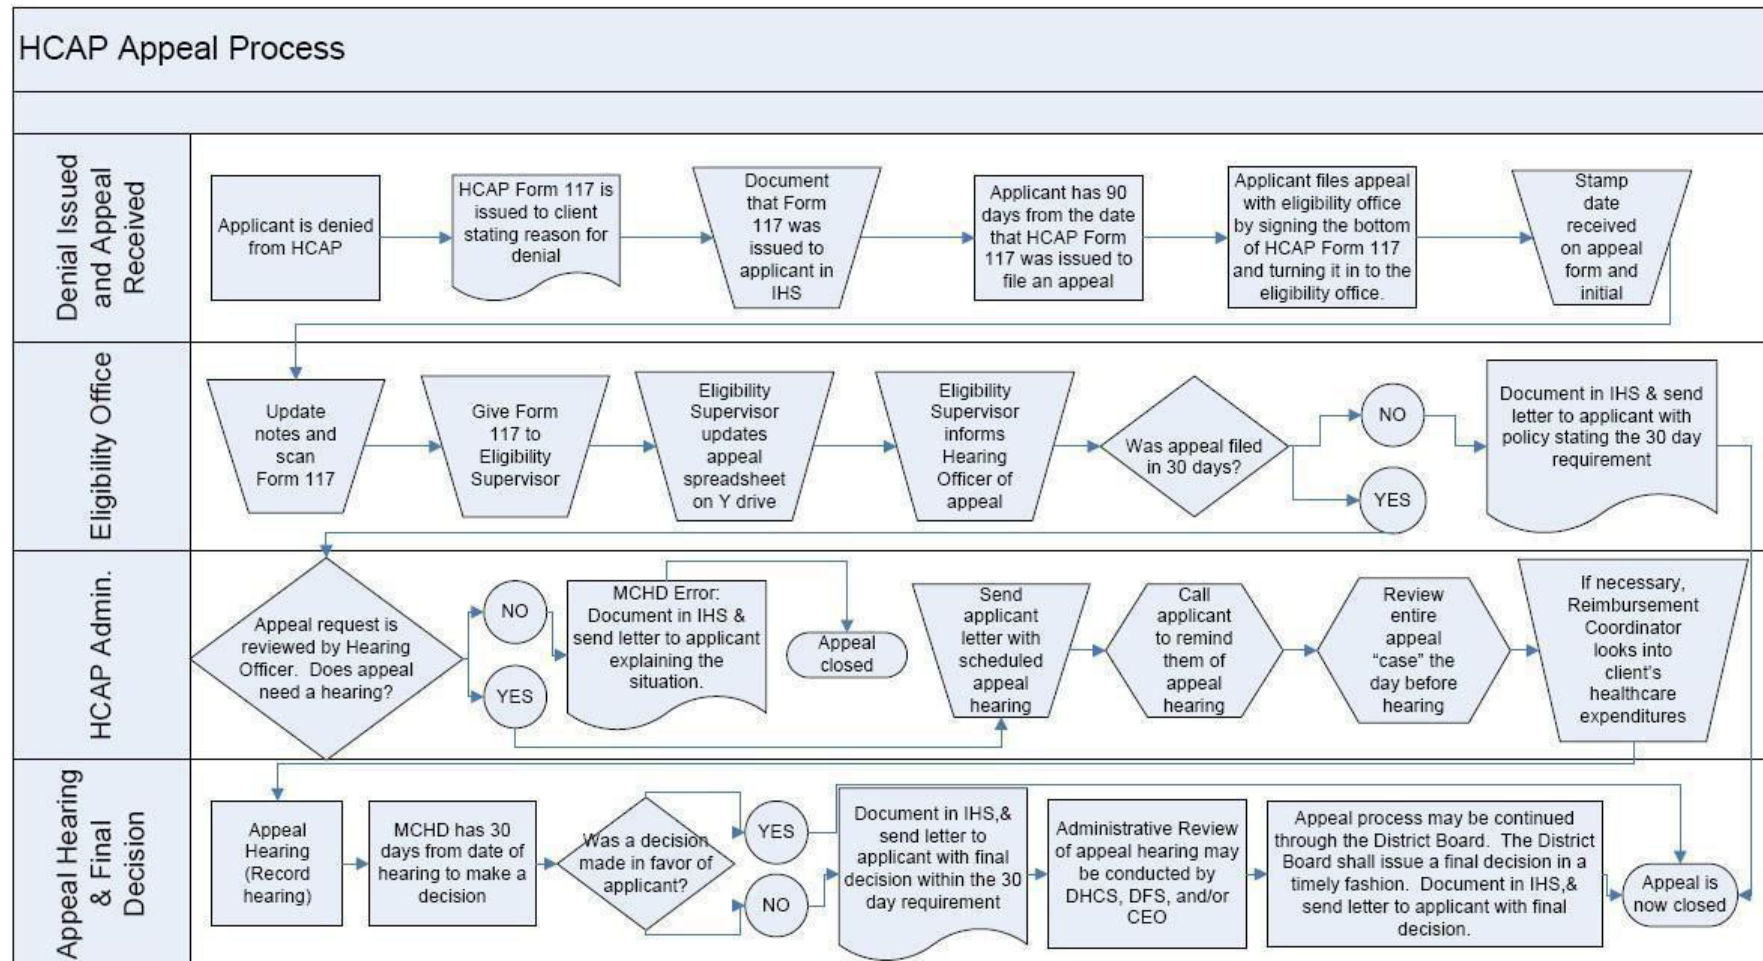

- ✓ The Household/Client may appeal any eligibility decision by signing the bottom of HCAP Form 117, Notice of Ineligibility within 30 days from the date of denial.
- ✓ District will have 14 days from the date HCAP Form 117 was received in the MCICP eligibility office with the appropriate signature to respond to the client to let them know that MCHD received their appeal. At this time, the client will be notified as to the next step in the appeal process either:
 1. An appeal hearing is not necessary as a mistake has been made on MCHD's behalf. MCHD and the client will take the appropriate steps required to remedy the situation, or
 2. An appeal hearing is necessary and the Hearing Officer or appointee will schedule a date and time for the appeal hearing.

The decision as to whether or not an appeal is necessary is decided upon by the Hearing Officer after reviewing the case.

Anytime during the 14-day determination period further information may be requested from the client by The District.

- ✓ The District will have 30 days in which to schedule the appeal hearing.
- ✓ Should a client choose not to attend their scheduled appeal hearing, leave a hearing, or become disruptive during a hearing, the case will be dropped and the appeal denied.
- ✓ MCHD calls the client to remind the client of appeal hearing.
- ✓ After the date of the appeal hearing, the District will have 30 days in which to make a decision. The client will be notified of the District's decision in writing.
- ✓ An Administrative Review of the appeal hearing can be conducted through the Chief Operating Officer, Chief Financial Officer, and/or the Chief Executive Officer.
- ✓ The Appeal process may be continued through the District Board.
- ✓ The District Board shall issue a final decision in a timely fashion.

SERVICE DELIVERY DISPUTES

Appeals of Adverse Benefits Determinations

All claims and questions regarding health claims should be directed to the HCAP Bill Pay team. MCHD shall be ultimately and finally responsible for adjudicating such claims and for providing full and fair review of the decision on such claims in accordance with the following provisions. Benefits under the Plan will be paid only if MCHD decides in its discretion that the Provider is entitled to them under the applicable Plan rules and regulations in effect at the time services were rendered.

Each Provider claiming benefits under the Plan shall be responsible for supplying, at such times and in such manner as MCHD in its sole discretion may require, written proof that the expenses were incurred or that the benefit is covered under the Plan. If MCHD in its sole discretion shall determine that the Provider has not Incurred a Covered Expense, provided a Covered Service, or that the benefit is not covered under the Plan, or if the Provider shall fail to furnish such proof as is requested, no benefits shall be payable under the Plan.

NOTE: PURSUANT TO TEXAS LOCAL GOVERNMENT CODE SECTION 271.154, THE EXHAUSTION OF THE FOLLOWING APPEAL PROCEDURES SHALL BE A PRECONDITION TO THE INSTITUTION OF LITIGATION AGAINST MCHD FOR PAYMENT OF A CLAIM ARISING FROM PROVIDER'S PROVISION OF SERVICES TO A MCHD HCAP CLIENT. ANY SUIT FILED PRIOR TO THE EXHAUSTION OF THE FOLLOWING APPEAL PROCEDURES SHALL BE SUBJECT TO ABATEMENT UNTIL SUCH APPEAL PROCEDURES HAVE BEEN EXHAUSTED.

Full and Fair Review of All Claims

In cases where a claim for benefits is denied, in whole or in part, and the Provider believes the claim has been denied wrongly, the Provider may appeal the denial and review pertinent documents, including the Covered Services and fee schedules pertaining to such Covered Services. The claims procedures of this Plan afford a Provider with a reasonable opportunity for a full and fair review of a claim and adverse benefit determination. More specifically, the Plan provides:

1. Provider at least 95 days following receipt of a notification of an initial adverse benefit determination within which to appeal the determination and 60 days to appeal a second adverse benefit determination;
2. Provider the opportunity to submit written comments, documents, records, and other information relating to the claim for benefits;
3. For an independent review that does not afford deference to the previous adverse benefit determination and that is conducted by an appropriate named fiduciary of the Plan, who shall be neither the individual who made the adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual;
4. For a review that takes into account all comments, documents, records, and other information submitted by the Provider relating to the claim, without regard to whether such information was submitted or considered in any prior benefit determination;
5. That, in deciding an appeal of any adverse benefit determination that is based in whole or in part upon a medical judgment, the Plan fiduciary shall consult with one or more health care professionals who have appropriate training and experience in the field of medicine involved in the medical judgment, and who are neither individuals who were consulted in connection with the adverse benefit determination that is the subject of the appeal, nor the subordinates of any such individual;
6. For the identification of medical or vocational experts whose advice was obtained on behalf of the Plan in connection with a claim, even if the Plan did not rely upon their advice; and
7. That a Provider will be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Provider's claim for benefits to the extent such records are in possession of the MCHD or the Third Party Administrator; information regarding any voluntary appeals procedures offered by the Plan; any internal rule, guideline, protocol or other similar criterion relied upon in making the adverse determination; and an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the Client's medical circumstances.

Requirements for First Appeal

The Provider must file the first appeal in writing within 95 days following receipt of the notice of an adverse benefit determination. Otherwise the initial determination stands as the final determination and is not appealable. Claims Appeal

HCAPbillpay@mchd-tx.org

2. The Client's social security number (Billing ID);
3. The Client's HCAP #;
4. All facts and theories supporting the claim for benefits. Failure to include any theories or facts in the appeal will result in claim being deemed waived. 5. A statement in clear and concise terms of the reason or reasons for disagreement with the handling of the claim; and
6. Any material or information that the Provider has which indicates that the Provider is entitled to benefits under the Plan.

Proof of timely filing must indicate original "Bill Date" to HCAP Bill Pay, as well as claim(s) information for cross-reference. Examples of proof of timely filing include: fax confirmations, billing reports, billing records, system screenshots. Please note, the "Signature Date" on paper claim forms will not be considered as proof of timely filing.

Second Appeal Level

Adverse Decision on First Appeal; Requirements for Second Appeal

Upon receipt of notice of the Plan's adverse decision regarding the first appeal, the Provider has an additional 60 days to file a second appeal of the denial of benefits. The Provider again is entitled to a "full and fair review" of any denial made at the first appeal, which means the Provider has the same rights during the second appeal as he or she had during the first appeal. As with the first appeal, the Provider's second appeal must be in writing and must include all of the items and information set forth in the section entitled "Requirements for First Appeal" And shall additionally include a brief statement setting forth the Provider's rationale as to why the initial appeal decision was in error

Timing of Notification of Benefit Determination on Second Appeal

The same information must be included in the Plan's response to a second appeal as a first appeal, except for (i) a description of any additional information necessary for the Provider to perfect the claim and an explanation of why such information is needed; and (ii) a description of the Plan's review procedures and the time limits applicable to the procedures. See the section entitled "Manner and Content of Notification of Adverse Benefit Determination on First Appeal."

Decision on Second Appeal to be Final

If, for any reason, the Provider does not receive a written response to the appeal within the appropriate time period set forth above, the Provider may assume that the appeal has been denied. The decision by the MCHD or other appropriate named fiduciary of the Plan on review will be final, binding and conclusive and will be afforded the maximum deference permitted by law. All claim review procedures provided for in the Plan must be exhausted before any legal action is brought. Any legal action for the recovery of any benefits must be commenced within one-year after the Plan's claim review procedures have been exhausted or legal statute.

Appointment of Authorized Representative

A Provider is permitted to appoint an authorized representative to act on his behalf with respect to a benefit claim or appeal of a denial. To appoint such a representative, the Provider must complete a form, which can be obtained from MCHD or the Third Party Administrator. In the event a Provider designates an authorized representative, all future communications from the Plan will be with the representative, rather than the Provider, unless the Provider directs MCHD, in writing, to the contrary.

MANDATED PROVIDER INFORMATION

Policy Regarding Reimbursement Requests From Non-Mandated Providers For The Provision Of Emergency And Non-Emergency Services

Continuity of Care:

It is the intent of the District and its MCICP Office to assure continuity of care is received by the patients who are on the rolls of the Plan. For this purpose, mandated provider relationships have been established and maintained for the best interest of the patients' health status. The client/patient has the network of mandated providers explained to them and signs a document to this understanding at the time of eligibility processing in the MCICP Office. Additionally, they demonstrate understanding in a like fashion that failure to use mandated providers, unless otherwise authorized, will result in them bearing independent financial responsibility for their actions.

Prior Approval:

A non-mandated health care provider must obtain approval from the Hospital District's Montgomery County Indigent Care Plan (MCICP) Office before providing health care services to an active MCICP patient. Failure to obtain prior approval or failure to comply with the notification requirements below will result in rejection of financial reimbursement for services provided.

Mandatory Notification Requirements:

- ✓ The non-mandated provider shall attempt to determine if the patient resides within District's service area when the patient first receives services if not beforehand as the patients condition may dictate.
- ✓ The provider, the patient, and the patient's family shall cooperate with the District in determining if the patient is an active client on the MCICP rolls of the District for MCICP services.
- ✓ Each individual provider is independently responsible for their own notification on each case as it presents.
- ✓ If a non-mandated provider delivers emergency or non-emergency services to a MCICP patient who the provider suspects might be an active client on the MCICP rolls with the District, the provider shall notify the District's MCICP Office that services have been or will be provided to the patient.

- ✓ The notice shall be made:
 - (1) By telephone not later than the 72nd hour after the provider determines that the patient resides in the District's service area and is suspect of being an active client on the District's MCICP rolls; and
 - (2) By mail postmarked not later than the fifth working day after the date on which the provider determines that the patient resides in the District's service area.

Authorization:

The District's MCICP Office may authorize health care services to be provided by a non-mandated provider to a MCICP patient only:

- ✓ In an emergency (as defined below and interpreted by the District);
- ✓ When it is medically inappropriate for the District's mandated provider to provide such services; or
- ✓ When adequate medical care is not available through the mandated provider.

Emergency Defined:

An "emergency medical condition" is defined as a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in:

- ✓ Placing the patients health in serious jeopardy,
- ✓ Serious impairment of bodily functions, or
- ✓ Serious dysfunction of any bodily organ or part.

Emergency Medical Services:

MCHD as a provider of EMS for Montgomery County is independently responsible in determining the most appropriate destination by its own policies and procedures for all transported patients, including MCICP client patients. MCICP client patients are to (as conditions allow) notify EMS about their mandated provider as a preferred destination.

Reimbursement:

In such event, the District shall provide written authorization to the non-mandated provider to provide such health care services as are medically appropriate, and thereafter the District shall assume responsibility for reimbursement for the services rendered by the non-mandated provider at the reimbursement rates approved for the District's mandated provider, generally but not limited to, being those reimbursement rates approved by the Texas Department of State Health Services pursuant to the County Indigent Health Care And Treatment Act. Acceptance of reimbursement by the non-mandated provider will indicate payment in full for services rendered.

If a non-mandated provider delivers emergency or non-emergency services to a patient who is on the MCICP rolls of the District and fails to comply with this policy, including the mandatory notice requirements, the non-mandated provider is not eligible for reimbursement for the services from the District.

Return to Mandated Provider:

Unless authorized by the District's MCICP Office to provide health care services, a non-mandated provider, upon learning that the District has selected a mandated provider, shall see that the patient is transferred to the District's selected mandated provider of health care services.

Appeal:

If a health care provider disagrees with a decision of the MCICP Office regarding reimbursement and/or payment of a claim for treatment of a person on the rolls of the District's MCICP, the provider will have to appeal the decision to the District's Board of Directors and present its position and evidence regarding coverage under this policy. The District will conduct a hearing on such appeal in a reasonable and orderly fashion. The health care provider and a representative of the MCICP Office will have the opportunity to present evidence, including their own testimony and the testimony of witnesses. After listening to the parties' positions and reviewing the evidence, the District's Board of Directors will determine an appropriate action and issue a written finding.

If the district is not confirmed at an election held within 60 months from the effective date of this Act, this Act is repealed.

(b) At the election there shall be submitted to the electors of the area of the proposed district the proposition of whether the hospital district shall be created with authority to levy annual taxes at a rate not to exceed 75 cents on the \$100 valuation on all taxable property situated within the hospital district, subject to hospital district taxation, for the purpose of meeting the requirements of the district's bonds, indebtedness assumed

by it, and its maintenance and operating expenses, and a majority of the electors of the area of the proposed district voting at the election in favor of the proposition shall be sufficient for its adoption.

(c) The form of ballot used at the election on the creation of the district shall be in conformity with Section 61, Texas Election Code, as amended (Article 6.05, Vernon's Texas Election Code), so that ballots may be cast on the following proposition: The creation of Montgomery County Hospital District, providing for the levy of a tax not to exceed 75 cents on each \$100 of valuation on all taxable property situated within the hospital district, subject to hospital district taxation, and providing for the assumption by the district of all outstanding bonds and indebtedness previously issued or incurred for hospital purposes within the boundaries of the proposed hospital district by the county and any city or town therein.

Sec. 4. (a) The district is governed by a board of seven directors. Three of the directors shall be elected at large from the entire district, and the remaining four directors each shall be elected from a different commissioner's precinct in the district, and each shall be a resident of the precinct he represents. Candidates to represent the district at large shall run by position. A qualified elector is entitled to vote for the directors to be elected at large and for the director to be elected from the precinct in which the elector resides. Directors shall serve for terms of four years expiring on the second Tuesday in June. No person may be appointed or elected as a member of the board of directors of the hospital district unless he is a resident of the district and a qualified elector and unless at the time of such election or appointment he shall be more than 21 years of age. No person may be appointed or elected as a director of the hospital district if he holds another appointed or

elected public office of honor, trust or profit. A person holding another public office of honor, trust or profit who seeks to be appointed or elected a director automatically vacates the first office. Each member of the board of directors shall serve without compensation and shall qualify by executing the constitutional oath of office and shall execute a good and sufficient bond for \$1,000 payable to the district conditioned upon the faithful performance of his duties, and the bonds shall be deposited with the depository bank of the district for safekeeping.

(b) The board of directors shall organize by electing from among its membership a chairman, vice-chairman, treasurer and secretary one of their number as president and one of their number as secretary. Any four members of the board of directors shall constitute a quorum, and a concurrence of a majority of the directors present is sufficient in all matters pertaining to the business of the district. A meeting of the board of directors may be called by the chairman or any four directors. All vacancies in the office of director shall be filled for the unexpired term by appointment by the remainder of the board of directors. In the event the number of directors shall be reduced to less than four for any reason, the remaining directors shall immediately call a special election to fill said vacancies, and upon failure to do so a district court may, upon application of any voter or taxpayer of the district, issue a mandate requiring that such election be ordered by the remaining directors.

(c) A regular election of directors shall be held on the first Saturday in May of each even-numbered year, and notice of such election shall be published in a newspaper of general circulation in the county one time at least 10 days prior to the date of election. Any person desiring his name to be printed on the ballot as a candidate for director shall file a

petition, signed by not less than 10 legally qualified electors asking that such name be printed on the ballot, with the secretary of the board of directors of the district. Such petitions shall be filed with such secretary at least 25 days prior to the date of election.

(d) If no candidate for director from a particular commissioner's precinct or no candidate for a district at-large position receives a majority of the votes of the qualified voters voting in that race at the regular election of directors, the board shall order a runoff election between the two candidates from the precinct or from the at-large position who received the highest number of votes in that race at the regular election. The board shall publish notice of the runoff election in a newspaper or newspapers that individually or collectively provide general circulation in the area of the runoff election one time at least seven days before the date of the runoff election. Of the names printed on the ballot at the runoff election, the name of the candidate who received the higher number of votes at the regular election shall be printed first on the ballot. If before the date of the runoff election a candidate who is eligible to participate in the runoff dies or files a written request with the secretary of the board to have his name omitted from the ballot at the runoff election, the other candidate eligible to participate in the runoff election is considered elected and the runoff election shall be cancelled by order of the board.

Sec. 5. (a) The board of directors shall manage, control, and administer the health care or hospital system and all funds and resources of the district, but in no event shall any operating, depreciation, or building reserves be invested in any funds or securities other than those specified in Article 836 or 837, Revised Civil Statutes of Texas, 1925, as amended. The district, through its board of directors, shall have the power and authority to sue and be sued, to promulgate rules governing the operation of the hospital, the health

care or hospital system, its staff, and its employees. The board of directors shall appoint a qualified person to be known as the chief administrative officer of the district to be known as the president of the hospital district or by another title selected by the board. The board may appoint assistants to the chief administrative officer to be known as vice-presidents of the hospital district or by another title selected by the board. The chief administrative officer and any assistant shall serve at the will of the board and shall receive such compensation as may be fixed by the board. The chief administrative officer shall supervise all the work and activities of the district and shall have general direction of the affairs of the district, subject to limitations prescribed by the board. The board of directors shall have the authority to appoint to the staff such doctors as necessary for the efficient operation of the district and may provide for temporary appointments to the staff if warranted by circumstances. The board may delegate to the chief administrative officer the authority to employ technicians, nurses, and employees of the district. The board shall be authorized to contract with any other political subdivision or governmental agency whereby the district will provide investigatory or other services as to the medical, health care, hospital, or welfare needs of the inhabitants of the district and shall be authorized to contract with any county or incorporated municipality located outside its boundaries for the care and treatment of the sick, diseased, or injured persons of any such county or municipality and shall have the authority to contract with the State of Texas or agencies of the federal government for the treatment of sick, diseased, or injured persons.

(b) The district may enter into contracts, and make payments thereunder, relating to or arranging for the provision of health care services as permitted by the Texas Constitution and Chapter 61, Health and Safety Code, and its subsequent amendments, on

terms and conditions as the board of directors determines to be in the best interests of the district. The term of a contract entered into under this subsection may not exceed 15 years.

Sec. 6. The board of directors may provide retirement benefits for employees of the hospital district. The board may provide the benefits by establishing or administering a retirement program or by electing to participate in the Texas County and District Retirement System or in any other statewide retirement system in which the district is eligible to participate.

Sec. 7. The district shall be operated on the basis of a fiscal year as established by the board of directors; provided such fiscal year may not be changed during the time revenue bonds of the district are outstanding or more than once in any 24-month period. The board shall have an audit made of the financial condition of the district, which together with other records of the district shall be open to inspection at the principal office of the district. The chief administrative officer shall prepare an annual budget for approval by the board of directors. The budget shall also contain a complete financial statement of the district showing all outstanding obligations of the district, the cash on hand to the credit of each and every fund of the district, the funds received from all sources during the previous year, the funds available from all sources during the ensuing year, with balances expected at year-end of the year in which the budget is being prepared, and estimated revenues and balances available to cover the proposed budget and the estimated tax rate which will be required. A public hearing on the annual budget shall be held by the board of directors after notice of such hearing has been published one time at least 10 days before the date set therefor. Any person residing in the district shall have the right to be present and participate in the hearing. At the conclusion of the hearing, the budget, as

proposed by the chief administrative officer, shall be acted on by the board of directors. The board of directors shall have authority to make such changes in the budget as in their judgment the law warrants and the interest of the taxpayers demands. No expenditure may be made for any expense not included in the annual budget or an amendment to it. The annual budget may be amended from time to time as the circumstances may require, but the annual budget, and all amendments thereto, shall be approved by the board of directors. As soon as practicable after the close of each fiscal year, the chief administrative officer shall prepare for the board a full sworn statement of all money belonging to the district and a full account of the disbursements of same.

Sec. 8. (a) The board of directors shall have the power and authority to issue and sell its bonds in the name and on the faith and credit of the hospital district for the purchase, construction, acquisition, repair, or renovation of buildings and improvements and equipping the same for health care or hospital purposes, and for any or all such purposes. At the time of the issuance of any bonds by the district, a tax shall be levied by the board sufficient to create an interest and sinking fund to pay the interest and the principal of said bonds as same mature; providing the tax together with any other taxes levied for the district shall not exceed 75 cents on each \$100 valuation of all taxable property situated in the district subject to hospital district taxation in any one year. No bonds shall be issued by such hospital district except refunding bonds until authorized by a majority of the electors of the district. The order for bond election shall specify the date of the election, the amount of bonds to be authorized, the maximum maturity of the bonds, the place or places where the election shall be held, the presiding judge and alternate judge for each voting place, and provide for clerks as in county elections. Notice of any bond

election except one held under the provisions of Section 9 of this Act in which instance notice shall be given as provided in Section 3 of this Act, shall be given as provided in Article 704, Revised Civil Statutes of Texas, 1925, as amended, and shall be conducted in accordance with the Texas Election Code, as amended, except as modified by the provisions of this Act.

(b) Refunding bonds of the district may be issued for the purpose of refunding and paying off any outstanding indebtedness it has issued or assumed. Such refunding bonds may be sold and the proceeds thereof applied to the payment of outstanding indebtedness or may be exchanged in whole or in part for not less than a like principal amount of outstanding indebtedness. If the refunding bonds are to be sold and the proceeds hereof applied to the payment of any outstanding indebtedness, the refunding bonds shall be issued and payments made in the manner specified by Chapter 502, Acts of the 54th Legislature, 1955, as amended (Article 717k, Vernon's Texas Civil States).

(c) Bonds of the district shall mature within 40 years of their date, shall be executed in the name of the hospital district and on its behalf by the president of the board and countersigned by the secretary in the manner provided by Chapter 204, Acts of the 57th Legislature, Regular Session, 1961 as amended (Article 717j--1, Vernon's Texas Civil Statutes), shall bear interest at a rate not to exceed that prescribed by Chapter 3, Acts of the 61st Legislature, Regular Session, 1969, as amended (Article 717k--2, Vernon's Texas Civil Statutes), and shall be subject to the same requirements in the manner of approval by the Attorney General of Texas and registration by the Comptroller of Public Accounts of the State of Texas as are by law provided for approval and registration of bonds issued by

counties. On the approval of bonds by the attorney general and registration by the comptroller, the same shall be incontestable for any cause.

(d) The district shall have the same power and authority as cities and counties under The Certificate of Obligation Act of 1971 (Article 2368a.1, Vernon's Texas Civil Statutes) to issue and sell certificates of obligation for permitted purposes under this Act in accordance with the provisions of The Certificate of Obligation Act. Certificates of Obligation shall be issued in conformity with and in the manner specified in The Certificate of Obligation Act, as it may be amended from time to time.

Sec. 9. A petition for an election to create a hospital district, as provided in Section 3 of this Act, may incorporate a request that a separate proposition be submitted at such election as to whether the board of directors of the district, in the event same is created, shall be authorized to issue bonds for the purposes specified in Section 8 of this Act. Such petition shall specify the maximum amount of bonds to be issued and their maximum maturity, and same shall be included in the proposition submitted at the election.

Sec. 9A. The district may issue revenue bonds or certificates of obligation or may incur or assume any other debt only if authorized by a majority of the voters of the district voting in an election held for that purpose. This section does not apply to refunding bonds or other debt incurred solely to refinance an outstanding debt.

Sec. 10. In addition to the power to issue bonds payable from taxes levied by the district, as contemplated by Section 8 of this Act, the board of directors is further authorized to issue and to refund any previously issued revenue bonds for purchasing, constructing, acquiring, repairing, equipping, or renovating buildings and improvements for health care or hospital purposes and for acquiring sites for health care or hospital

purposes, the bonds to be payable from and secured by a pledge of all or any part of the revenues of the district to be derived from the operation of its hospital or health care facilities. The bonds may be additionally secured by a mortgage or deed of trust lien on any part or all of its properties. The bonds shall be issued in the manner and in accordance with the procedures and requirements specified for the issuance of revenue bonds by county hospital authorities in Sections 8 and 10 through 13 of Chapter 122, Acts of the 58th Legislature, 1963 (Article 4494r, Vernon's Texas Civil Statutes).

Sec. 11. (a) The board of directors is hereby given complete discretion as to the type of buildings, both as to number and location, required to establish and maintain an adequate health care or hospital system. The health care or hospital system may include domiciliary care and treatment of the sick, wounded, and injured, hospitals, outpatient clinic or clinics, dispensaries, geriatric domiciliary care and treatment, convalescent home facilities, necessary nurses, domicilaries and training centers, blood banks, community mental health centers and research centers or laboratories, ambulance services, and any other facilities deemed necessary for health or hospital care by the directors. The district, through its board of directors, is further authorized to enter into an operating or management contract with regard to its facilities or a part thereof or may lease all or part of its buildings and facilities on terms and conditions considered to be to the best interest of its inhabitants. Except as provided by Subsection (c) of Section 15 of this Act, the term of a lease may not exceed 25 years from the date entered. The district shall be empowered to sell or otherwise dispose of any property, real or personal, or equipment of any nature on terms and conditions found by the board to be in the best interest of its inhabitants.

(b) The district may sell or exchange a hospital, including real property necessary or convenient for the operation of the hospital and real property that the board of directors finds may be useful in connection with future expansions of the hospital, on terms and conditions the board determines to be in the best interests of the district, by complying with the procedures prescribed by Sections 285.052, Health and Safety Code, and any subsequent amendments.

(c) The board of directors of the district shall have the power to prescribe the method and manner of making purchases and expenditures by and for the hospital district and shall also be authorized to prescribe all accounting and control procedures. All contracts for construction involving the expenditure of more than \$10,000 may be made only after advertising in the manner provided by Chapter 163, Acts of the 42nd Legislature, Regular Session, 1931, as amended (Article 2368a, Vernon's Texas Civil Statutes). The provisions of Article 5160, Revised Civil Statutes of Texas, 1925, as amended, relating to performance and payment bonds shall apply to construction contracts let by the district. The district may acquire equipment for use in its health care or hospital system and mortgage or pledge the property so acquired as security for the payment of the purchase price, but any such contract shall provide for the entire obligation of the district to be retired within five years from the date of the contract. Except as permitted in the preceding sentence and as permitted by Sections 5, 8, 9 and 10 of this Act, the district may incur no obligation payable from any revenues of the district, except those on hand or to be on hand within the then current and following fiscal year of the district.

(d) The board may declare an emergency in the matter of funds not being available to pay principal of and interest on any bonds of the district payable in whole or in part

from taxes or to meet any other needs of the district and may issue negotiable tax anticipation notes to borrow the money needed by the district. Tax anticipation notes may bear interest at any rate or rates authorized by general law and must mature within one year of their date. Tax anticipation notes may be issued for any purpose for which the district is authorized to levy taxes, and tax anticipation notes shall be secured with the proceeds of taxes to be levied by the district in the succeeding 12-month period. The board may covenant with the purchasers of the notes that the board will levy a sufficient tax in the following fiscal year to pay principal of and interest on the notes and pay the costs of collecting the taxes.

Section 12. (a) The board of directors of the district shall name one or more banks within its boundaries to serve as depository for the funds of the district. All funds of the district, except those invested as provided in Section 5 of this Act and those transmitted to a bank or banks of payment for bonds or obligations issued or assumed by the district shall be deposited as received with the depository bank and shall remain on deposit; provided that nothing in this Act shall limit the power of the board to place a portion of such funds on time deposit or purchase certificates of deposit.

(b) Before the district deposits in any bank funds of the district in an amount which exceeds the maximum amount secured by the Federal Deposit Insurance Corporation, the bank shall be required to execute a bond or other security in an amount sufficient to secure from loss the district funds which exceed the amount secured by the Federal Deposit Insurance Corporation.

Sec. 13. (a) The board of directors shall annually levy a tax not to exceed the amount hereinabove permitted for the purpose of paying:

(1) the indebtedness assumed or issued by the district, but no tax shall be levied to pay principal of or interest on revenue bonds issued under the provisions of Section 9 of this Act; and

(2) the maintenance and operating expenses of the district.

(b) In setting the tax rate the board shall take into consideration the income of the district from sources other than taxation. On determination of the amount of tax required to be levied, the board shall make the levy and certify the same to the tax assessor-collector.

Sec. 13A. (a) Notwithstanding Section 26.07(b)(3), Tax Code, a petition to require an election under Section 26.07, Tax Code, on reducing the district's tax rate to the rollback tax rate shall be submitted to the county election administrator of Montgomery County instead of to the board of directors of the district.

(b) Notwithstanding Section 26.07(c), Tax Code, not later than the 20th day after the day a petition is submitted under Subsection (a) of this section, the county elections administrator shall:

(1) determine whether the petition is valid under Section 26.07, Tax Code; and

(2) certify the determination of the petition's validity to the board of directors of the district.

(c) If the county elections administrator fails to act within the time allowed, the petition is treated as if it had been found valid.

(d) Notwithstanding Section 26.07(d), Tax Code, if the county elections administrator certifies to the board of directors that the petition is valid or fails to act within the time allowed, the board of directors shall order that an election under Section

26.07, Tax Code, to determine whether to reduce the district's tax rate to the rollback rate be held in the district in the manner prescribed by Section 26.07(d) of that code.

(e) The district shall reimburse the county elections administrator for reasonable costs incurred in performing the duties required by this section.

Sec. 14. All bonds issued and indebtedness assumed by the district shall be and are hereby declared to be legal and authorized investments of banks, savings banks, trust companies, building and loan associations, savings and loan associations, insurance companies, trustees, and sinking funds of cities, towns, villages, counties, school districts, or other political subdivisions of the State of Texas, and for all public funds of the State of Texas or its agencies including the Permanent School Fund. Such bonds and indebtedness shall be eligible to secure deposit of public funds of the State of Texas and public funds of cities, towns, villages, counties, school districts, or other political subdivisions or corporations of the State of Texas and shall be lawful and sufficient security for said deposits to the extent of their value when accompanied by all unmatured coupons appurtenant thereto.

Sec. 15. (a) The district shall have the right and power of eminent domain for the purpose of acquiring by condemnation any and all property of any kind and character in fee simple, or any lesser interest therein, within the boundaries of the district necessary or convenient to the powers, rights, and privileges conferred by this Act, in the manner provided by the general law with respect to condemnation by counties; provided that the district shall not be required to make deposits in the registry of the trial court of the sum required by Paragraph 2 of Article 3268, Revised Civil Statutes of Texas, 1925, as amended, or to make bond as therein provided. In condemnation proceedings being

prosecuted by the district, the district shall not be required to pay in advance or give bond or other security for costs in the trial court, nor to give any bond otherwise required for the issuance of a temporary restraining order or a temporary injunction, nor to give bond for costs or for supersedeas on any appeal or writ of error.

(b) If the board requires the relocation, raising, lowering, rerouting, or change in grade or alteration in the construction of any railroad, electric transmission, telegraph or telephone lines, conduits, poles, or facilities or pipelines in the exercise of the power of eminent domain, all of the relocation, raising, lowering, rerouting, or changes in grade or alteration of construction due to the exercise of the power of eminent domain shall be the sole expense of the board. The term “sole expense” means the actual cost of relocation, raising, lowering, rerouting, or change in grade or alteration of construction to provide comparable replacement without enhancement of facilities, after deducting the net salvage value derived from the old facility.

(c) Land owned by the district may not be leased for a period greater than 25 years unless the board of directors:

- (1) finds that the land is not necessary for health care or hospital purposes;
- (2) complies with any indenture securing the payment of bonds issued by the district; and
- (3) receives on behalf of the district not less than the current market value for the lease.

(d) Land of the district, other than land that the district is authorized to sell or exchange under Subsection (b) of Section 11 of this Act, may not be sold unless the board of directors complies with Section 272.002, Local Government Code.

Sec. 16. (a) The directors shall have the authority to levy taxes for the entire year in which the district is created as the result of the election herein provided. All taxes of the district shall be assessed and collected on county tax values as provided in Subsection (b) of this section unless the directors, by majority vote, elect to have taxes assessed and collected by its own tax assessor-collector under Subsection (c) of this section. Any such election may be made prior to December 1 annually and shall govern the manner in which taxes are subsequently assessed and collected until changed by a similar resolution. Hospital tax shall be levied upon all taxable property within the district subject to hospital district taxation.

(b) Under this subsection, district taxes shall be assessed and collected on county tax values in the same manner as provided by law with relation to county taxes. The tax assessor-collector of the county in which the district is situated shall be charged and required to accomplish the assessment and collection of all taxes levied by and on behalf of the district. The assessor-collector of taxes shall charge and deduct from payments to the hospital districts an amount as fees for assessing and collecting the taxes at a rate of one percent of the taxes assessed and one percent of the taxes collected but in no event shall the amount paid exceed \$5000 in any one calendar year. Such fees shall be deposited in the officers salary funds of the county and reported as fees of office of the county tax assessor- collector. Interest and penalties on taxes paid to the hospital district shall be the same as in the case of county taxes. Discounts shall be the same as allowed by the county. The residue of tax collections after deduction of discounts and fees for assessing and collecting shall be deposited in the district's depository. The bond of the county tax assessor-collector shall stand as security for the proper performance of his duties as assessor-collector of the

district, or if in the judgment of the district board of directors it is necessary, additional bond payable to the district may be required. In all matters pertaining to the assessment, collection, and enforcement of taxes for the district, the county tax assessor-collector shall be authorized to act in all respects according to the laws of the State of Texas relating to state and county taxes.

(c) Under this subsection, taxes shall be assessed and collected by a tax assessor-collector appointed by the directors, who shall also fix the term of his employment, compensation, and requirement for bond to assure the faithful performance of his duties, but in no event shall such bond be for less than \$5,000, or the district may contract for the assessment and collection of taxes as provided by the Tax Code.

Sec. 17. The district may employ fiscal agents, accountants, architects, and attorneys as the board may consider proper.

Sec. 18. Whenever a patient residing within the district has been admitted to the facilities of the district, the chief administrative officer may cause inquiry to be made as to his circumstances and those of the relatives of the patient legally liable for his support. If he finds that the patient or his relatives are able to pay for his care and treatment in whole or in part, an order shall be made directing the patient or his relatives to pay to the hospital district for the care and support of the patient a specified sum per week in proportion to their financial ability. The chief administrative officer shall have the power and authority to collect these sums from the estate of the patient or his relatives legally liable for his support in the manner provided by law for collection of expenses in the last illness of a deceased person. If the chief administrative officer finds that the patient or his relatives are not able to pay either in whole or in part for his care and treatment in the

facilities of the district, same shall become a charge on the hospital district as to the amount of the inability to pay. Should there be any dispute as to the ability to pay or doubt in the mind of the chief administrative officer, the board of directors shall hear and determine same after calling witnesses and shall make such order or orders as may be proper. Appeals from a final order of the board shall lie to the district court. The substantial evidence rule shall apply.

Sec. 19. (a) The district may sponsor and create a nonstock, nonmember corporation under the Texas Non-Profit Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes) and its subsequent amendments and may contribute or cause to be contributed available funds to the corporations.

(b) The funds of the corporations, other than funds paid by the corporation to the district, may be used by the corporation only to provide, to pay the costs of providing, or to pay the costs related to providing indigent health care or other services that the district is required or permitted to provide under the constitution or laws of this state. The board of directors of the hospital district shall establish adequate controls to ensure that the corporation uses its funds as required by this subsection.

(c) The board of directors of the corporation shall be composed of seven residents of the district appointed by the board of directors of the district. The board of directors of the district may remove any director of the corporation at any time with or without cause.

(d) The corporation may invest funds in any investment in which the district is authorized to invest funds of the district, including investments authorized by the Public Funds Investment Act of 1987 (Article 842a-2, Vernon's Texas Civil Statutes) and its subsequent amendments.

Sec. 20. After creation of the hospital district, no county, municipality, or political subdivision wholly or partly within the boundaries of the district shall have the power to levy taxes or issue bonds or other obligations for hospital or health care purposes or for providing medical care for the residents of the district. The hospital district shall assume full responsibility for the furnishing of medical and hospital care for its needy inhabitants. When the district is created and established, the county and all towns and cities located wholly or partly therein shall convey and transfer to the district title to all land, buildings, improvements, and equipment in anywise pertaining to a hospital or hospital system located wholly within the district which may be jointly or separately owned by the county or any city or town within the district. Operating funds and reserves for operating expenses which are on hand and funds which have been budgeted for hospital purposes by the county or any city or town therein for the remainder of the fiscal year in which the district is created shall likewise be transferred to the district, as shall taxes previously levied for hospital purposes for the current year, and all sinking funds established for payment of indebtedness assumed by the district.

Sec. 21. The support and maintenance of the hospital district shall never become a charge against or obligation of the State of Texas nor shall any direct appropriation be made by the legislature for the construction, maintenance, or improvement of any of the facilities of the district.

Sec. 22. In carrying out the purposes of this act, the district will be performing an essential public function, and any bonds issued by it and their transfer and the issuance therefrom, including any profits made in the sale thereof, shall at all times be free from taxation by the state or any municipality or political subdivision thereof.

Sec. 23. The legislature hereby recognizes there is some confusion as to the proper qualification of electors in the light of recent court decisions. It is the intention of this Act to provide a procedure for the creation of the hospital district and to allow the district, when created, to issue bonds payable from taxation, but that in each instance the authority shall be predicated on the expression of the will of the majority of those who cast valid ballots at an election called for the purpose. Should the body calling an election determine that all qualified electors, including those who own taxable property which has been duly rendered for taxation, should be permitted to vote at an election by reason of the aforesaid court decisions nothing herein shall be construed as a limitation on the power to call and hold an election; provided provision is made for the voting, tabulating, and counting of the ballots of the resident qualified property taxpaying electors separately from those who are qualified electors, and in any election so called a majority vote of the resident qualified property taxpaying voters and a majority vote of the qualified electors, including those who own taxable property which has been duly rendered for taxation, shall be required to sustain the proposition.

23A. (a) The board of directors may order an election on the question of dissolving the district and disposing of the districts assets and obligations.

(b) The election shall be held on the earlier of the following dates that occurs at least 90 days after the date on which the election is ordered:

(1) the first Saturday in May; or

(2) the date of the general election for state and county officers.

(c) The ballot for the election shall be printed to permit voting for or against the proposition: "The dissolution of the Montgomery County Hospital District." The election shall be held in accordance with the applicable provisions of the Election Code.

(d) If a majority of the votes in the election favor dissolution, the board of directors shall find that the district is dissolved. If a majority of the votes in the election do not favor dissolution, the board of directors shall continue to administer the district and another election on the question of dissolution may not be held before the fourth anniversary of the most recent election to dissolve the district.

(e) If a majority of the votes in the election favor dissolution, the board of directors shall:

(1) transfer the ambulance service and related equipment, any vehicles, and any mobile clinics and related equipment that belong to the district to Montgomery County not later than the 45th day after the date on which the election is held; and

(2) transfer the land, buildings, improvements, equipment not described by Subdivision (1) of this subsection, and other assets that belong to the district to Montgomery County or administer the property, assets, and debts in accordance with Subsections (g)-(k) of this section.

(f) The county assumes all debts and obligations of the district relating to the ambulance service and related equipment, any vehicles, and any mobile clinics and related equipment at the time of the transfer. If the district also transfers the land, buildings, improvements, equipment, and other assets to Montgomery County under Subsection (e)(2) of this section, the county assumes

all debts and obligations of the district relating to those assets at the time of the transfer and the district is dissolved. The county shall use all transferred assets to:

(1) pay the outstanding debts and obligations of the district relating to the assets at the time of the transfer; or

(2) furnish medical and hospital care for the needy residents of the county.

(g) If the board of directors finds that the district is dissolved but does not transfer the land, buildings, improvements, equipment, and other assets to Montgomery County under Subsection (e)(2) of this section, the board of directors shall continue to control and administer that property and those assets and the related debts of the district until all funds have been disposed of and all district debts have been paid or settled.

(h) After the board of directors finds that the district is dissolved, the board of directors shall:

(1) determine the debt owed by the district; and

(2) impose on the property included in the district's tax rolls a tax that is in proportion of the debt to the property value.

(i) The board of directors may institute a suit to enforce payment of taxes and to foreclose liens to secure the payment of taxes due the district.

(j) When all outstanding debts and obligations of the district are paid, the board of directors shall order the secretary to return the pro rata share of all unused tax money to each district taxpayer and all unused district money from any other source to Montgomery County. A taxpayer may request that the taxpayer's share of surplus tax money be credited to the taxpayer's county taxes. If a taxpayer requests the credit, the board of directors shall direct the secretary to transmit the funds to the county tax

assessor-collector. Montgomery County shall use unused district money received under this section to furnish medical and hospital care for the needy residents of the county.

(k) After the district has paid all its debts and has disposed of all its assets and funds as prescribed by this section, the board of directors shall file a written report with the Commissioners Court of Montgomery County setting forth a summary of the board of directors' actions in dissolving the district. Not later than the 10th day after it receives the report and determines that the requirements of this section have been fulfilled, the commissioners court shall enter an order dissolving the district.

Sec. 23B. (a) The residents of the district by petition may request the board of directors to order an election on the question of dissolving the district and disposing of the district's assets and obligations. A petition must:

(1) state that it is intended to request an election in the district on the question of dissolving the district and disposing of the district's assets and obligations;

(2) be signed by a number of residents of the district equal to at least 15 percent of the total vote received by all candidates for governor in the most recent gubernatorial general election in the district that occurs more than 30 days before the date the petition is submitted; and

(3) be submitted to the county elections administrator of Montgomery County.

(a-1) Not later than the 30th day after the date a petition requesting the dissolution of the district is submitted under Subsection (a) of this section, the county elections administrator shall:

(1) determine whether the petition is valid; and

(2) certify the determination of the petition's validity to the board of directors of the district.

(a-2) If the county elections administrator fails to act within the time allowed, the petition is treated as if it had been found valid;

(a-3) If the county elections administrator certifies to the board of directors that the petition is valid or fails to act within the time allowed, the board of directors shall order that a dissolution election be held in the district in the manner prescribed by this section.

(a-4) If a petition submitted under Subsection (a) of this section does not contain the necessary number of valid signatures, the residents of the district may not submit another petition under Subsection (a) of this section before the third anniversary of the date the invalid petition was submitted.

(a-5) The district shall reimburse the county elections administrator for reasonable costs incurred in performing the duties required by this section.

(b) The election shall be held on the earlier of the following dates that occurs at least 90 days after the date on which the election is ordered:

(1) the first Saturday in May; or

(2) the date of the general election for state and county officers.

(c) The ballot for the election shall be printed to permit voting for or against the proposition: "The dissolution of the Montgomery County Hospital District." The election shall be held in accordance with the applicable provisions of the Election Code.

(d) If a majority of the votes in the election favor dissolution, the board of directors shall find that the district is dissolved. If less than a majority of the votes in the election

favor dissolution, the board of directors shall continue to administer the district and

another election on the question of dissolution may not be held before the third anniversary

of the most recent election to dissolve the district.

(e) If a majority of the votes in the election favor dissolution, the board of directors shall transfer the land, buildings, improvements, equipment, and other assets that belong to the district to Montgomery County not later than the 45th day after the date on which the election is held. The county assumes all debts and obligations of the district at the time of the transfer and the district is dissolved. The county should use all transferred assets in a manner that benefits residents of the county residing in territory formerly constituting the district. The county shall use all transferred assets to:

(1) pay the outstanding debts and obligations of the district relating to the assets at the time of the transfer; or

(2) furnish medical and hospital care for the needy residents of the county.

Sec. 24. If a hospital district has not been created under this Act by January 1, 1982, then the Act will no longer be in effect.

Sec. 25. Proof of provisions of the notice required in the enactment hereof under the provisions of Article IX, Section 9, of the Texas Constitution, has been made in the manner and form provided by law pertaining to the enactment of local and special laws, and the notice is hereby found and declared proper and sufficient to satisfy the requirement.

Sec. 26. The importance of this legislation and the crowded condition of the

calendars in both houses create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and this rule is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

AGREEMENTFORENROLLMENTOFCOUNTYINMATESINTO
MONTGOMERY COUNTYHOSPITAL DISTRICT'S HEALTHCARE ASSISTANCE
PROGRAM

This Agreement is made and entered into this ~~the~~ day of March, 2014, by and between the County of Montgomery, a governmental subdivision of the State of Texas, (hereinafter "the County") and the Montgomery County Hospital District, a governmental subdivision of the State of Texas created pursuant to Acts of the 65th Legislature, Regular Session, 1977, Chapter 258, as amended (hereinafter "the MCHD").

WITNESSETH:

WHEREAS, the County operates a county jail and provides law enforcement services; and

WHEREAS, County jail inmates and detainees have the need for occasional medical treatment beyond that which jail personnel are qualified to administer; and

WHEREAS, many County inmates and detainees at the County jail qualify under the financial and other criteria of the Montgomery County Hospital District Public Assistance Program (hereinafter "Hospital District Public Assistance Program"¹¹ or sometimes "Program") as indigent persons; and

WHEREAS; the MCHD was created and enacted for the purpose of providing healthcare services to the needy or indigent residents of Montgomery County; and

WHEREAS, the MCHD is the only local governmental entity with the power to levy taxes, issue bonds or other obligations for hospital or health care purposes or for providing medical care for the residents of Montgomery County; and

WHEREAS, providing for the healthcare needs of the citizens in Montgomery County is MCHD's primary mission; and

WHEREAS, the County is authorized to provide minor medical treatment for inmates and the MCHD is authorized to provide the indigent healthcare services for certain inmates as is contemplated by this Agreement; and

WHEREAS, both the County and the MCHD have budgeted and appropriated sufficient funds which are currently available to carry out their respective obligations contemplated herein.

NOW, THEREFORE, for and in consideration of the mutual covenants, considerations and undertakings herein set forth, it is agreed as follows:

I.
ENROLLMENT INTO HOSPITAL DISTRICT PUBLIC ASSISTANCE PROGRAM

A. *The* County will assist inmates in seeking coverage under the Hospital District Public Assistance Program. County staff shall make available to County inmates such application forms and instructions necessary to seek enrollment in *the* Hospital District Public Assistance Program. Upon completion of such enrollment materials the County will promptly forward such enrollment materials to MCHD for evaluation. Alternatively, County staff may assist potentially eligible inmates with MCHD's online application process for determining eligibility into the Program.

B. Upon receipt of an inmate's enrollment materials from the County, MCHD shall promptly review such materials for purposes of qualifying the inmate for the Hospital District Public Assistance Program. In this regard, MCHD agrees to deem Montgomery County, Texas as the place of residence for any County inmate housed in the Montgomery County jail, regardless of whether the inmate has declared or maintained a residence outside the boundaries of MCHD. Upon obtaining satisfactory proof that the inmate qualifies under the Hospital District Public Assistance Program, MCHD shall enroll such inmate into such

program and place such inmate on its rolls as eligible for healthcare services under such program. MCHD agrees to abide by its criteria and policies regarding eligibility for the Hospital District Public Assistance Program and to not unreasonably withhold approval of an indigent inmate eligible under the program. If MCHD determines that the inmate is covered under another federal, state or local program which affords medical benefits to covered individuals and such benefits are accessible to the inmate, MCHD will promptly advise the County of such fact. As requested by County, MCHD enrollment and eligibility personnel shall reasonably assist County personnel with the application and enrollment materials for inmates seeking enrollment into the Program, including providing periodic training to County staff on matters pertinent to the Program, including the Program policies and rules. However, MCHD shall not be required to assign Program staff member to the jail for purposes of fulfilling its assistance responsibilities.

C. MCHD agrees to provide for the health care and medical treatment of Montgomery County jail inmates that are enrolled in the Hospital District's Public Assistance Program, subject to the terms and conditions of such Program except as noted herein. The parties agree that the effective date of coverage under the Hospital District Public Assistance Program for such services is the actual date of enrollment into the program; however, certain health care expenses incurred by an eligible inmate up to ninety (90) days prior to the inmate's enrollment into the Program may be covered under the Program as is set out in the Program rules and guidelines. MCHD and County agree to cooperate in arranging for the provision of the health care services covered by the Program to jail inmates who qualify for such services, including use of MCHD's physician network and contracted healthcare providers as well as MCHD's patient care management protocols administered by MCHD's third-party claims

and benefits manager. The Parties understand and agree that eligible inmates enrolled in the Program will not receive prescription medications or similar prescription services from the Program as the County dispenses such medications at the jail.

E. If treatment at an out of network provider is medically necessary, the County shall notify MCHD of such need as soon as reasonably possible, not later than the close of business the first day following the incident giving rise to the medical necessity. If treatment is sought at a local healthcare provider within MCHD's patient care network, and the local healthcare provider determines additional treatment is necessary by an out of network provider, then any notice requirements set forth herein shall be the responsibility of the in-network healthcare provider and/or primary care physician, as per existing Hospital District Public Assistance Program guidelines and policies. MCHD shall honor and abide by all of the provisions of its Program and its in-network provider agreements as well as the Indigent Care and Treatment Act, Chapter 61 Texas Health & Safety Code.

F. The County shall remain responsible for medical care and treatment of county inmates who do not qualify for the Hospital District Public Assistance Program. MCHD shall not be responsible for treatment or payment for healthcare services provided to County inmates who are not eligible to participate in Program, or to State or Federal inmates (including INS detainees) incarcerated in the County jail. For purposes of this Agreement, a State or Federal inmate (including INS detainees) is a person incarcerated in the county jail through a contract or other agreement with a state or federal governmental agency, but shall not include a County inmate who is in the County jail, or who has been returned to the County jail while awaiting criminal proceedings on local, state or federal charges, or a combination thereof.

G. The County and MCHD agree that MCHD may deny an inmate's application for enrollment in the Program in the event MCHD determines the inmate's health care needs resulted from conduct or conditions for which the County or its employees would be responsible in a civil action at law, exclusive of any affirmative defenses of governmental and/or official immunity. In such event, County shall remain responsible for the inmate's health care needs. In addition, County agrees to reimburse MCHD for any medical expenses that MCHD incurred or expended on behalf of an indigent inmate or detainee housed at the County jail that resulted from conduct or conditions for which the County or its employees would be responsible in a civil action at law, exclusive of any affirmative defenses of governmental and/or official immunity. Should the County deny responsibility for any such claims, the County Judge, the County Sheriff and the Chief Executive Officer of MCHD shall meet to discuss the facts of such claims and the underlying responsibility therefor. Any agreement(s) reached at such meeting shall be reduced to writing and recommended by such persons to their respective governing boards for approval as necessary. Should the parties be unable to reach agreement as to financial responsibility, the dispute will be submitted to binding arbitration. The prevailing party in such arbitration shall be entitled to recover its reasonable attorneys' fees.

H. The County shall provide prompt written notification to MCHD in the event an enrolled inmate is transferred to another detention facility, or is released from the County jail, so that MCHD may revise its records to delete such inmate from its Program rolls. As used in this paragraph and the following paragraph "prompt written notification" shall be notification as soon as is practicable but in no event after the end of the calendar month in which the inmate is released from jail or transferred to another detention facility.

I. The County and MCHD agree that County will reimburse MCHD for health care expenses incurred by an enrolled inmate after such inmate has been released from jail or transferred to another detention facility if County fails to provide prompt written notification to MCHD of the inmate's release or transfer from the County jail.

J. In the event any portion of this agreement conflicts with the Texas Health and Safety Code, or the Montgomery County Hospital District enabling legislation, or any other applicable statutory provision, then said statutory provisions shall prevail to the extent of such conflict.

K. Any provision of this Agreement which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof.

L. No provision herein nor any obligation created hereunder should be construed to impose any obligation or confer any liability on either party for claims of any non-signatory party. Further, it is expressly agreed by the parties hereto that other than those covenants contained in section 1(F), no provision herein is intended to affect any waiver of liability or immunity from liability to which either party may be entitled by laws affecting governmental entities.

II. LIABILITY

To the extent allowed by law, it is agreed that the MCHD agrees to indemnify and hold harmless the County for any acts or omissions associated with any medical treatment that the MCHD provides to eligible inmates through its Health Care Assistance Program in accordance with the terms and conditions of this Agreement. The foregoing indemnity

obligation is limited and does not extend to negligent, grossly negligent, reckless or intentional conduct of an enrolled inmate that result in injuries or property damages to the County or to third-parties.
